- Suspend my membership for the duration of the YTT program.
- Activate my self-practice and Andiappan yoga classes only during the Teacher Training course dates.

- I understand and agree the request of this suspension should be made during the application process or one week before the start of the teacher training program.
- I understand and agree if I finish the self-practice classes early during the suspension period then the membership suspension is only for the time taken to finish the self-practice classes and not for the whole duration of the teacher training program.
- I understand and agree if I choose to move to another batch, Andiappan Yoga class and recommended group classes expiry will remain with the originally joined course dates.
- I understand and agree that I cannot back date the suspension dates.
- I understand and agree that the suspension is not applicable for private class packages and class coupons.
- I understand and agree this suspension application is only for the teacher training program. If I need to suspend my membership for travel and medical reason I have to fill in the online suspension form before the suspension date together with the payment of the admin fee - (Travel before 14 days in advance) <https://www.anahatayoga.com.hk/suspension/>
