Chapter 3: Incomes which do not form part of Total Income

Computation of admissible deduction u/s 10AA of the Income-tax Act, 1961 [Circular No. 4/2018, Dated 14-8-2018]

As per the provisions of section 10AA(7), the profits derived from export of articles or things or services (including computer software) shall be the amount which bears to the profits of the business of the undertaking, being the Unit, the same proportion as the export turnover in respect of such articles or things or services bears to the total turnover of the business carried on by the undertaking.

Further as per clause (i) to *Explanation 1* to section 10AA, "export turnover" means the consideration in respect of export by the undertaking, being the Unit of articles or things or services received in, or brought into, India by the assessee, but does not include freight, telecommunication charges or insurance attributable to the delivery of the articles or things outside India or expenses, if any, incurred in foreign exchange in rendering of services (including computer software) outside India.

The issue of whether freight, telecommunication charges and insurance expenses are to be excluded from both "export turnover" and "total turnover" while working out deduction admissible under section 10AA on the ground that they are attributable to delivery of articles or things outside India has been highly contentious. Similarly, the issue whether charges for rendering services outside India are to be excluded both from "export turnover" and "total turnover" while computing deduction admissible under section 10AA on the ground that such charges are relatable towards expenses incurred in convertible foreign exchange in rendering services outside India has also been highly contentious.

The controversy has been finally settled by the Hon'ble Supreme Court vide its judgment dated 24.4.2018 in the case of Commissioner of Income Tax, Central-III Vs. M/s HCL Technologies Ltd. (CA No. 8489-8490 of 2013, NJRS Citation 2018-LL-0424-40), in relation to section 10A.

The issue had been examined by CBDT and it is clarified, in line with the above decision of the Supreme Court, that freight, telecommunication charges and insurance expenses are to be excluded both from "export turnover" and "total turnover", while working out deduction admissible under section 10AA to the extent they are attributable to the delivery of articles or things outside India.

Similarly, expenses incurred in foreign exchange for rendering services outside India are to be excluded from both "export turnover" and "total turnover" while computing deduction admissible under section 10AA.

Note: Though this CBDT Circular is issued in relation to erstwhile section 10A, the same is also relevant in the context of section 10AA. Accordingly, the reference to section 10A in the Circular and the relevant sub-section and Explanation number thereto have been modified and given with reference to section 10AA and the corresponding sub-sections, Explanation number and clause of Explanation.

Chapter 4 Unit 1: Salaries

Notified limit for exemption in respect of gratuity increased, in case of employees not covered under the Payment of Gratuity Act, 1972 [Notification No. 16/2019, dated 08.03.2019]

- (i) One-half month's salary for each year of completed service

- (iii) Specified limit (i.e., limit notified by the Central Government)

The Central Government, having regard to the maximum amount of any gratuity payable to employees, has specified ₹20 lakh as the limit for the purposes of section 10(10)(iii) in relation to the employees who retire or become incapacitated prior to such retirement or die on or after 29th March, 2018 or whose employment is terminated on or after the said date. Chapter 9: Advance Tax, Tax Deduction at Source and Introduction to Tax Collection at Source

Section 193 (Interest on securities) provides that the person responsible for paying to a resident any income by way of interest on securities shall, at the time of credit of such income to the

account of the payee or at the time of payment thereof in cash or by issue of a cheque or draft or by any other mode, whichever is earlier, deduct income-tax @ 10%, being the rates in force on the amount of the interest payable.

As per clause (iib) of the proviso to section 193, no tax is required to be deducted at source from any interest payable on such debentures, issued by any institution or authority, or any public sector company, or any co-operative society (including a co-operative land mortgage bank or a co-operative land development bank), as the Central Government may, by notification in the Official Gazette, specify in this behalf.

Accordingly, the Central Government has, vide this notification, specified -

- (i) "Power Finance Corporation Limited 54EC Capital Gains Bond" issued by Power Finance Corporation Limited {PFCL} and
- (ii) "Indian Railway Finance Corporation Limited 54EC Capital Gains Bond" issued by Indian Railway Finance Corporation Limited {IRFCL}

No tax to be deducted at source under section 194A, in case of Senior Citizens if the aggregate amount of interest does not exceed ₹ 50,000 [Notification No. 6/2018, dated 6-12-2018]

Section 194A requires deduction of tax at source on interest other than interest on securities. However, section 194A(3) provides for exemption from this requirement where such interest credited or paid or likely to be credited or paid during the Financial Year does not exceed ₹10,000 and the payer is a banking company, co-operative society engaged in banking business or post office. In case of a senior citizen (being a resident), however, a higher threshold of ₹ 50,000 has been specified for non-deduction of tax at source in such cases.

Accordingly, as per the third proviso to section 194A(3), no tax is required to be deducted at source in the case of senior citizens where the amount of interest or the aggregate of the amount of interest credited or paid during the financial year by a banking company, co-operative society engaged in banking business or post office does not exceed ₹50,000. However, it has come to the notice of the CBDT, that, some tax deductors/banks are making tax deductions even when the amount of interest does not exceed ₹ 50,000.

Under Rule 31A(5) of the Income-tax Rules, 1962, the DGIT (Systems) is authorized to specify the procedures, formats and standards for the purposes of furnishing and verification of the statements or claim for refund and shall be responsible for the day-to-day administration in relation to furnishing and verification of the statements or claim for refund in the manner so specified.

Accordingly, the Principal Director General of Income-tax (Systems) has, in exercise of the powers delegated by the CBDT under Rule 31A(5), clarified that no tax deduction at source under section 194A shall be made in the case of senior citizens where the amount of such income or the aggregate of the amounts of such income credited or paid during the financial year does not exceed ₹50,000.

11. As per section 22 of the CGST Act, 2017 read with *Notification No. 10/2019 CT dated 07.03.2019*, a supplier is liable to be registered in the State/Union territory from where he makes a taxable supply of goods and/or services, if his aggregate turnover in a financial year exceeds the threshold limit. The threshold limit for a person making exclusive intra-State taxable supplies of goods is as under:-
 - (a) ₹ 10 lakh for the States of Mizoram, Tripura, Manipur and Nagaland.
 - (b) ₹ 20 lakh for the States of States of Arunachal Pradesh, Meghalaya, Puducherry, Sikkim, Telangana and Uttarakhand.
 - (c) ₹ 40 lakh for rest of India. However, the higher threshold limit of ₹ 40 lakh is not available to persons engaged in making supplies of ice cream and other edible ice, whether or not containing cocoa, Pan masala and Tobacco and manufactured tobacco substitutes.

The threshold limit for a person making exclusive taxable supply of services or supply of both goods and services is as under:-

- (a) ₹ 10 lakh for the States of Mizoram, Tripura, Manipur and Nagaland.
- (b) ₹ 20 lakh for the rest of India.

In the light of the afore-mentioned provisions, the answer to the independent cases is as under:-

- (i) Raghav is eligible for higher threshold limit of turnover for registration, i.e. ₹ 40 lakh as he is exclusively engaged in intra-State supply of goods. However, since Raghav is engaged in supplying readymade garments from a Special Category State i.e. Tripura, the threshold limit gets reduced to ₹ 10 lakh. Thus, Raghav is liable to get registered under GST as his turnover exceeds ₹10 lakh. Further, he is required to obtain registration in both Assam and Tripura as he is making taxable supplies from both the States.
 - (ii) The applicable threshold limit for registration for Pulkit in the given case is ₹ 40 lakh as he is exclusively engaged in intra-State taxable supply of goods. Thus, he is not liable to get registered under GST as his turnover is less than the threshold limit.
 - (iii) Harshit being exclusively engaged in supply of pan masala is not eligible for higher threshold limit of ₹40 lakh. The applicable threshold limit for registration in this case is ₹20 lakh. Thus, Harshit is liable to get registered under GST.
 - (iv) Though Ankit is dealing in Assam, he is not entitled for higher threshold limit for registration as the same is applicable only in case of exclusive supply of goods while he is exclusively engaged in providing services. Thus, the applicable threshold limit for registration in this case is ₹ 20 lakh and hence, Ankit is liable to get registered under GST.
 - (v) Since Sanchit is engaged in supply of both taxable goods and services, the applicable threshold limit for registration in his case is ₹ 20 lakh. Thus, Sanchit is liable to get registered under GST as his turnover is more than the threshold limit.
- 12.** Section 10 of the CGST Act, 2017 provides that a registered person, whose aggregate turnover in the preceding financial year did not exceed ₹ 1.5 crore (₹ 75 lakh in Special Category States except Assam, Himachal Pradesh and Jammu and Kashmir), may opt to pay, in lieu of the tax payable by him, an amount calculated at the specified rates. However, if, *inter alia*, such registered person is engaged in the supply of services other than restaurant services, he shall not be eligible to opt for composition levy.

In the given case, since Mr. Ajay is a supplier of repair services, he is not eligible for composition scheme even though his aggregate turnover in the preceding FY does not exceed ₹ 1.5 crore. Therefore, he has to discharge his tax liability under regular provisions at the applicable rates.

However, with effect from 01.04.2019, *Notification No. 2/2019 CT (R) dated 07.03.2019* has provided an option to a registered person whose aggregate turnover in the preceding financial year is upto ₹ 50 lakh and who is not eligible to pay tax under composition scheme, to pay tax @ 3% [Effective rate 6% (CGST+ SGST/UTGST)] on first supplies of goods and/or services upto an aggregate turnover of ₹ 50 lakh made on/after 1st April in any FY, subject to specified conditions.

Thus, in view of the above-mentioned provisions, Mr. Ajay is eligible to avail the benefit of concessional payment of tax under *Notification No. 2/2019 CT (R) dated 07.03.2019* as his aggregate turnover in the preceding FY does not exceed ₹ 50 lakh and he is not eligible to opt for the composition scheme.

Thus, the amount of tax payable by him under *Notification No. 2/2019 CT (R) dated 07.03.2019* is ₹ 2,10,000 [6% of ₹ 35 lakh].

A registered person cannot opt for *Notification No. 2/2019 CT (R) dated 07.03.2019*, if *inter alia*, he is engaged in making any inter-State outward supplies. However, there is no restriction on inter-State procurement of goods. Hence, answer will remain the same even if Mr. Ajay procures few items from neighbouring State of Madhya Pradesh.

13. (i) Section 17(5) of the CGST Act, 2017, *inter alia*, blocks input tax credit in respect of motor vehicles for transportation of persons having approved seating capacity of not more than 13 persons (including the driver), except when they are used for certain specified purposes.

Since in the given case, the mini bus has a seating capacity of 16 persons, the ITC thereon will not be blocked.

- (ii) Section 17(5) of the CGST Act, 2017, *inter alia*, blocks input tax credit in respect of motor vehicles **for transportation of persons** with certain exceptions. Thus, ITC on motor vehicles for transportation of goods is allowed unconditionally.

Therefore, ITC on trucks purchased by Bangur Ceramics Ltd for transportation of its finished goods from the factory to dealers located in various locations within the country is allowed.

- (iii) Section 17(5) of the CGST Act, 2017, *inter alia*, blocks input tax credit in respect of motor vehicles for transportation of persons having approved seating capacity of not more than 13 persons (including the driver), except when they are used for making further supply of such motor vehicles.

Being a dealer of cars, "Hans Premium" has purchased the cars for further supply. Therefore, ITC on such cars is allowed even though seating capacity is less than 13.

- (iv) Section 17(5) of the CGST Act, 2017 *inter alia*, blocks input tax credit in respect of outdoor catering services. However, ITC is available on such services, when the same are provided by an employer to its employees under a statutory obligation.

Thus, in view of the above- mentioned provisions, Sun & Moon packers Pvt. Ltd. can avail ITC in respect of outdoor catering services availed by it as the same is being provided under a statutory obligation.

14. **Computation of value of taxable supply**

Particulars	₹
Price of the machine (Price ₹ 30,000 - ₹ 5,000 subsidy) [Note-1]	25,000
Third party inspection charges [Note-2]	5,000
Freight charges for delivery of the machine value [Note-3]	2,000
Total	32,000
Less: Discount @ 2% on ₹ 30,000 being price charged to BP Ltd. [Note-4]	600
Value of taxable supply	31,400

Notes:-

1. Since subsidy is received from State Government, the same is deductible to arrive at taxable value under section 15 of the CGST Act, 2017.
 2. Any amount that the supplier is liable to pay in relation to such supply but has been incurred by the recipient, is includible in the value of supply under section 15 of the CGST Act, 2017.
 3. Since arranging freight is the liability of supplier, it is a case of composite supply and thus, freight charges are added in the value of principal supply.
 4. Discount given before or at the time of supply if duly recorded in the invoice is deductible from the value of supply under section 15 of the CGST Act, 2017.
15. (i) Services provided to a recognized sports body by an individual as a player, referee, umpire, coach or team manager for participation in a sporting event organized by a recognized sports body are exempt from GST vide *Notification No. 12/2017 CT(R) dated 28.06.2017*. Thus, GST is payable in case of services provided to a recognized sports body as curator of national team.
- (ii) Service of transportation of passengers, with or without accompanied belongings, *inter alia*, by metered cabs are specifically exempt from GST vide *Notification No. 12/2017 CT(R) dated 28.06.2017*. Thus, GST is not payable in this case.
- (iii) Services by way of public conveniences such as provision of facilities of bathroom, washrooms, lavatories, urinal or toilets are not liable to GST as it is specifically exempt as per *Notification No. 12/2017 CT(R) dated 28.06.2017*. Thus, GST is not payable in this case.

(iv) Services provided by a player to a franchisee which is not a recognized sports body is taxable as it is not exempt under *Notification No. 12/2017 CT(R) dated 28.06.2017*. Thus, GST is payable in this case.

16. As per section 12(2) of the CGST Act, 2017, the time of supply in respect of goods shall be the earlier of the following two dates:-

(a) Date of issue of invoice/last date on which the invoice is required to be issued as per section 31 of the CGST Act, 2017

(b) Date of receipt of payment

Further, as per *Notification No. 66/2017 CT dated 15.11.2017*, a registered person (excluding composition supplier) has to pay GST on the outward supply of goods at the time of supply as specified in section 12(2)(a) i.e., date of issue of invoice or the last date on which invoice ought to have been issued in terms of section 31.

As per section 31(1), the invoice needs to be issued either before or at the time of removal (where supply involves movements of goods) of goods/delivery of goods/ making goods available to the recipient.

In this case, the invoice is issued before the removal of the goods and is thus, within the time limit prescribed under section 31(1). Therefore, time of supply for the purpose of payment of tax is the date of issue of invoice, which is 21st July, 20XX.

17. Where **one or more** tax invoices have been issued for supply of any goods and/or services and

(a) the taxable value/tax charged in that tax invoice is found to exceed the taxable value/tax payable in respect of such supply, or

(b) where the goods supplied are returned by the recipient, or

(c) where goods and/or services supplied are found to be deficient,

the registered person, who has supplied such goods and/or services, may issue to the recipient **one or more** credit notes for supplies made in a financial year containing prescribed particulars.

Thus, one (consolidated) or more credit notes can be issued in respect of multiple invoices issued in a financial year without linking the same to individual invoices.

Hence, in view of the above-mentioned provisions, M/s ABC Ltd. can issue a consolidated credit note for the goods returned in respect of all the three invoices.

18. Mr. X can use the ITC to pay his output tax liability. The order of utilisation of ITC is as under:-

(i) IGST credit should first be utilized towards payment of IGST.

(ii) Remaining IGST credit, if any, can be utilized towards payment of CGST and SGST/UTGST in any order and in any proportion.

- (iii) Entire ITC of IGST should be fully utilized before utilizing the ITC of CGST or SGST/UTGST.
- (iv) ITC of CGST should be utilized for payment of CGST and IGST in that order.
- (v) ITC of SGST /UTGST should be utilized for payment of SGST/UTGST and IGST in that order. However, ITC of SGST/UTGST should be utilized for payment of IGST, only after ITC of CGST has been utilized fully.

CGST credit cannot be utilized for payment of SGST/UTGST and SGST/UTGST credit cannot be utilized for payment of CGST.

Computation of minimum GST payable in cash

Particulars	CGST (₹)	SGST (₹)	IGST (₹)
GST payable	800	2,500	2,000
Less: ITC	-	(2,000)-IGST	(2,000)-IGST
	<u>(800)-CGST</u>	<u>(500)- SGST</u>	_____
Net GST payable in cash	Nil	Nil	Nil

Since sufficient balance of ITC of CGST is available for paying CGST liability and cross utilization of ITC of CGST and SGST is not allowed, it is beneficial to use ITC of IGST to pay SGST (after paying IGST liability) to minimize cash outflow.

Note: GST law has been subject to frequent changes since its inception. Although many clarifications are continually being issued by way of FAQs or otherwise, many issues continue to arise on account of varying interpretations on several of its provisions. Therefore, alternate answers may be possible for the above questions depending upon the view taken.
