**CHAPTER OVERVIEW**

 **1.1 MEANING OF COMPANY**

As per Section 2(20) of the Companies Act, 2013, “Company” means a company incorporated under the Companies Act, 2013 or under any previous company law (e.g., the Companies Act, 1956). Different types of companies have been defined (under various sub-sections of the Companies Act, 2013) as follows:

- 2(21) **“company limited by guarantee”** means a company having the liability of its members limited by the memorandum to such amount as the members may respectively undertake to contribute to the assets of the company in the event of its being wound up;
- 2(22) **“Company limited by shares”** means a company having the liability of its members limited by the memorandum to the amount, if any, unpaid on the shares respectively held by them;
- 2(42) **“Foreign company”** means any company or body corporate incorporated outside India which –
- (a) has a place of business in India whether by itself or through an agent physically or through electronic mode; and
  - (b) conducts any business activity in India in any other manner.
- 2(45) **“Government company”** means any company in which not less than 51% of the paid-up share capital is held by the Central Government, or by any State Government or Governments, or partly by the Central Government and partly by one or more State Governments, and includes a company which is a subsidiary company of such a Government company;
- 2(62) **“One Person Company”** means a company which has only one person as a member;
- 2(68) **“Private company”** means a company having a minimum paid-up share capital as may be prescribed, and which by its articles,—
- (i) restricts the right to transfer its shares;
  - (ii) except in case of One Person Company, limits the number of its members to two hundred:

Provided that where two or more persons hold one or more shares in a company jointly, they should, for the purposes of this sub-clause, be treated as a single member:

**Provided further that—**

- (A) persons who are in the employment of the company; and
  - (B) persons who, having been formerly in the employment of the company, were members of the company while in that employment and have continued to be members after the employment ceased, should not be included in the number of members; and
- (iii) prohibits any invitation to the public to subscribe for any securities of the company;

2(71) **“Public Company”** means a company which—

- (a) is not a private company;
- (b) has a minimum paid-up share capital as may be prescribed:

Provided that a company which is a subsidiary of a company, not being a private company, should be deemed to be public company for the purposes of this Act even where such subsidiary company continues to be a private company in its articles;

2(85) **“Small company”** means a company, other than a public company, -

- (i) paid-up share capital of which does not exceed ₹ 50 lakhs or such higher amount as may be prescribed which should not be more than ₹ 5 crores; or
- (ii) turnover of which as per its last profit and loss account does not exceed ₹ 2 crores or such higher amount as may be prescribed which should not be more than ₹ 20 crores:

Provided that nothing in this clause should apply to:

- (A) a holding company or a subsidiary company
- (B) a company registered under section 8
- (C) a company or body corporate governed by any special Act

2(92) **“Unlimited company”** means a company not having any limit on the liability of its members;

2(46) **“Holding company”**, in relation to one or more other companies, means a company of which such companies are subsidiary companies;

2(87) **“Subsidiary company”**, or “subsidiary”, in relation to any other company (that is to say the holding company), means a company in which the holding company-

- (i) controls the composition of the Board of Directors; or
- (ii) exercises or controls more than one-half of the total share capital either at its own or together with one or more of its subsidiary companies:

Provided that such class or classes of holding companies as may be prescribed should not have layers of subsidiaries beyond such numbers as may be prescribed.

Explanation – For the purposes of this clause, -

- (a) a company should be deemed to be a subsidiary company of the holding company even if the control referred to in sub-clause (i) or sub-clause (ii) is of another subsidiary company of the holding company;
- (b) the composition of a company’s Board of Directors should be deemed to be controlled by another company if that other company by exercise of some power exercisable by it at its discretion can appoint or remove all or a majority of the directors;
- (c) the expression “company” includes any body corporate;
- (d) “layer” in relation to a holding company means its subsidiary or subsidiaries;

## 1.2 MAINTENANCE OF BOOKS OF ACCOUNT

As per Section 128 of the Companies Act, 2013, Every company should prepare and keep at its registered office books of account and other relevant books and papers and financial statement for every financial year which give a true and fair view of the state of the affairs of the company, including that of its branch office or offices, if any, and explain the transactions effected both at the registered office and its branches and such books should be kept on accrual basis and according to the double entry system of accounting:

Provided further that the company may keep such books of account or other relevant papers in electronic mode in such manner as may be prescribed.

### Maintenance at Place other than Registered Office

It is a duty of the company to inform the Registrar of Companies within seven days of the decision in case the Board of Directors decides to maintain books at the place other than the registered office.

### In Case of Branch Office

Where a company has a branch office in India or outside India, it should be deemed to have complied with the provisions of the Act, if proper books of account relating to the transactions effected at the branch office are kept at that office and proper summarised returns periodically are sent by the branch office to the company at its registered office or such other place as the Board of Directors has decided.

Section 128 (3) further lays down that the books of account and other books and papers maintained by the company within India should be open for inspection at the registered office of the company or at such other place in India by any director during business hours, and in the case of financial information, if any, maintained outside the country, copies of such financial information should be maintained and produced for inspection by any director subject to such conditions as may be prescribed. Section 128(5) further states that the books of account of every company relating to a period of not less than 8 financial years immediately preceding a financial year, or where the company had been in existence for a period less than 8 years, in respect of all the preceding years together with the vouchers relevant to any entry in such books of account should be kept in good order.

## 1.3 STATUTORY BOOKS

The following statutory books are required to be maintained by a company under different sections of the Companies Act, 2013:

- ◆ Register of Investments of the company held in its own name (Section 187)
- ◆ Register of Charges (Section 85)
- ◆ Register of Members (Sections 88)
- ◆ Register of Debenture-holders and other Security holders (Section 88)
- ◆ Minute Books (Section 118)
- ◆ Register of Contracts, or arrangements in which directors are interested (Section 189)

- ◆ Register of directors and key managerial personnel and their shareholding (Section 170)
- ◆ Register of Loans and Investments by Company (Section 186)  
In addition, a company usually maintains a number of statistical books to keep a record of its transactions which have resulted either in the payment of money to it or constitute the basis on which certain payments have been made by it.
- ◆ Registers and documents relating to the issue of shares are:
  - (i) Share Application and Allotment Book
  - (ii) Share Call Book
  - (iii) Certificate Book
  - (iv) Register of Members
  - (v) Share Transfer Book
  - (vi) Dividend Register.

## 1.4 ANNUAL RETURN

In accordance with Section 92 of the Companies Act, 2013, every company should prepare an annual return in the form prescribed by the Companies Act, 2013 signed by a director and the company secretary, or where there is no company secretary, by a company secretary in practice:

Provided that in relation to One Person Company and small company, the annual return should be signed by the company secretary, or where there is no company secretary, by the director of the company.

The annual return should be filed with the Registrar within 60 days from the day on which each of the annual general meeting (AGM) is held or where no AGM is held in any year, within 60 days from the date on which AGM should have been held along with a statement showing the reasons why AGM was not held.

## 1.5 FINAL ACCOUNTS

Under Section 129 of the Companies Act, 2013, at the annual general meeting of a company, the Board of Directors of the company should lay financial statements before the company:

Financial Statements as per Section 2(40) of the Companies Act, 2013, *inter-alia* include -

- (i) a balance sheet as at the end of the financial year;
- (ii) a profit and loss account, or in the case of a company carrying on any activity not for profit, an income and expenditure account for the financial year;
- (iii) cash flow statement for the financial year;
- (iv) a statement of changes in equity, if applicable; and
- (v) any explanatory note annexed to, or forming part of, any document referred to in (i) to (iv) above:

Provided that the financial statement, with respect to One Person Company, small company and dormant company, may not include the cash flow statement.

***As per the Amendment, under Chapter I, clause (40) of section 2, an exemption has been provided vide Notification dated 13th June, 2017 under Section 462 of the Companies Act 2013 to a startup private company besides one person company, small company and dormant company. As per the amendment, a startup private company is not required to include the cash flow statement in the financial statements.***

***Thus the financial statements, with respect to one person company, small company, dormant company and private company (if such a private company is a start-up), may not include the cash flow statement.***

### Requisites of Financial Statements

It should give a true and fair view of the state of affairs of the company as at the end of the financial year.

### Provisions Applicable

#### (1) Specific Act is Applicable

For instance, any

- (a) insurance company
- (b) banking company or

- (c) any company engaged in generation or supply of electricity\* or
- (d) any other class of company for which a Form of balance sheet or Profit and loss account has been prescribed under the Act governing such class of company

**(2) In case of all other companies**

Balance Sheet as per Form set out in Part I of Schedule III and Statement of Profit and Loss as per Part II of Schedule III

**Points to be kept in mind while preparing final accounts:**

- ◆ Requirements of Schedule III to the Companies Act;
- ◆ Other statutory requirements;
- ◆ Accounting Standards notified by Ministry of Corporate Affairs (MCA) (AS 1 to AS 29<sup>1</sup>);
- ◆ Statements and Guidance Notes issued by the Institute of Chartered Accountants of India (ICAI); which are necessary for understanding the accounting treatment/ valuation/ disclosure suggested by the ICAI.

**Compliance with Accounting Standards**

As per section 133 of the Companies Act, it is mandatory to comply with accounting standards notified by the Central Government from time to time.

**Schedule III of the Companies Act, 2013**

As per section 129 of the Companies Act, 2013, Financial statements should give a true and fair view of the state of affairs of the company or companies and comply with the accounting standards notified under section 133 and should be in the form or forms as may be provided for different class or classes of companies in Schedule III under the Act. Schedule III to the Companies Act, 2013 has been given as Annexure at the end of this chapter.

**Example 1**

*In the financial statements of the financial year 20X1-20X2, Alpha Ltd. has mentioned in the notes to accounts that during financial year, 24,000 equity shares*

---

\*The Electricity Act, 2003 does not specify any format for presentation of Financial Statements. Therefore, Schedule III of the Companies Act, 2013 is followed by Electricity Companies in preparation of their financial statements.

<sup>1</sup> AS 6 and AS 8 have been withdrawn

*of ₹ 10 each were issued as fully paid bonus shares. However, the source from which these bonus shares were issued has not been disclosed. Is such non-disclosure a violation of the Schedule III to the Companies Act? Comment.*

### Solution

Schedule III has come into force for the Balance Sheet and Profit and Loss Account prepared for the financial year commencing on or after 1<sup>st</sup> April, 20X1. As per Part I of the Schedule III, a company should, inter alia, disclose in notes to accounts for the period of 5 years immediately preceding the balance sheet date (31<sup>st</sup> March, 20X2 in the instant case) the aggregate number and class of shares allotted as fully paid-up bonus shares. Schedule III does not require a company to disclose the source from which bonus shares have been issued. Therefore, non-disclosure of source from which bonus shares have been issued does not violate the Schedule III to the Companies Act.

### Example 2

*The management of Loyal Ltd. contends that the work in process is not valued since it is difficult to ascertain the same in view of the multiple processes involved. They opine that the value of opening and closing work in process would be more or less the same. Accordingly, the management had not separately disclosed work in process in its financial statements. Comment in line with Schedule III.*

### Solution

Schedule III to the companies Act does not require that the amounts of WIP at the beginning and at the end of the accounting period to be disclosed in the statement of profit and loss. Only changes in inventories of WIP need to be disclosed in the statement of profit and loss. Non-disclosure of such change in the statement of profit and loss by the company may not amount to violation of Schedule III if the differences between opening and closing WIP are not material.

### Example 3

*Futura Ltd. had the following items under the head "Reserves and Surplus" in the Balance Sheet as on 31<sup>st</sup> March, 20X1:*

	<i>Amount ₹ in lakhs</i>
<i>Securities Premium Account</i>	80
<i>Capital Reserve</i>	60
<i>General Reserve</i>	90

*The company had an accumulated loss of ₹ 250 lakhs on the same date, which it has disclosed under the head "Statement of Profit and Loss" as asset in its Balance Sheet. Comment on accuracy of this treatment in line with Schedule III to the Companies Act, 2013.*

### **Solution**

Part I of Schedule III to the Companies Act, 2013 provides that debit balance of Statement of Profit and Loss (after all allocations and appropriations) should be shown as a negative figure under the head 'Surplus'. Similarly, the balance of 'Reserves and Surplus', after adjusting negative balance of surplus, should be shown under the head 'Reserves and Surplus' even if the resulting figure is in the negative. In this case, the debit balance of profit and loss i.e. ₹ 250 lakhs exceeds the total of all the reserves i.e. ₹ 230 lakhs. Therefore, balance of 'Reserves and Surplus' after adjusting debit balance of profit and loss is negative by ₹ 20 lakhs, which should be disclosed on the face of the balance sheet. Thus the treatment done by the company is incorrect.

### **Example 4**

*Sumedha Ltd. took a loan from bank for ₹ 10,00,000 to be settled within 5 years in 10 equal half yearly instalments with interest. First instalment is due on 30.09.20X1 of ₹ 1,00,000. Determine how the loan will be classified in preparation of Financial Statements of Sumedha Ltd. for the year ended 31<sup>st</sup> March, 20X1 according to Schedule III.*

### **Solution**

As per Schedule III, a liability should be classified as current when it satisfies any of the following criteria:

- (i) it is expected to be settled in the company's normal operating cycle;
- (ii) it is held primarily for the purpose of being traded;
- (iii) it is due to be settled within twelve months after the reporting date; or
- (iv) the company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

In the given case, instalments due on 30.09.20X1 and 31.03.20X2 will be shown under the head 'other current liabilities' as per criteria (c).

Therefore, in the balance sheet as on 31.3.20X1, ₹ 8,00,000 (₹ 1,00,000 x 8 instalments) will be shown under the heading 'Long term Borrowings' and

₹ 2,00,000 (₹ 1,00,000 x 2 instalments) will be shown under the heading 'Other Current Liabilities' as current maturities of loan from bank.

**Note:** Students may note that the questions based on preparation of Statement of Profit and Loss and Balance Sheet and explanatory notes as per Schedule III have been given in this Unit. However, questions requiring preparation of cash Flow statements have been separately given in the next unit of this chapter.

## 1.6. MANAGERIAL REMUNERATION

Managerial remuneration is calculated as a percentage of profit. Managerial remuneration payable by a company is governed by various sections of the Companies Act, 2013 and also Schedule V under the Companies Act, 2013.

The scope of the relevant sections is as below:

Section 197 prescribes the overall maximum managerial remuneration payable and also managerial remuneration in case of absence or inadequacy of profits.

As per Section 197 of the Companies Act, 2013, total managerial remuneration payable by a public company, to its directors, including managing director and whole-time director, and its manager in respect of any financial year should not exceed 11% of the net profits of that company for that financial year computed in the manner laid down in section 198 except that the remuneration of the directors should not be deducted from the gross profits. The company in general meeting may, with the approval of the Central Government, authorise the payment of remuneration exceeding 11% of the net profits of the company, subject to the provisions of Schedule V.

Provided further that, except with the approval of the company in general meeting,—

- (i) the remuneration payable to any one managing director; or whole-time director or manager should not exceed 5% of the net profits of the company and if there are more than one such director, remuneration should not exceed 10% of the net profits to all such directors and manager taken together;
- (ii) the remuneration payable to directors who are neither managing directors nor whole-time directors should not exceed,—
  - (A) 1% of the net profits of the company, if there is a managing or whole-time director or manager;

(B) 3% of the net profits in any other case.

Section 198 lays down how the net profit of the company will be ascertained for the purpose of calculating managerial remuneration.

Schedule V consists of four parts. Part I lays down conditions to be fulfilled for the appointment of a managing or whole-time director or a manager without the approval of the Central Government. Part II deals with remuneration payable to managerial person by companies having profits and also by companies having no profits or inadequate profits. Part III specifies the provisions applicable to parts 1 and 2 of this schedule and Part IV deals with Central Government's power to relax any requirements in this Schedule.

The relevant details given under Part II of Schedule V are as follows:

**Section I - Remuneration payable by companies having profits:**

Subject to the provisions of section 197, a company having profits in a financial year may pay remuneration to a managerial person or persons not exceeding the limits specified in such section.

**Section II - Remuneration payable by companies having no profit or inadequate profit:**

Where in any financial year during the currency of tenure of a managerial person, a company has no profits or its profits are inadequate, it may, pay remuneration to the managerial person not exceeding the higher of the limits under (A) and (B) given below:-

**(A)**

	(1)	(2)
	<i>Where the effective capital* is</i>	<i>Limit of yearly remuneration payable should not exceed (Rupees)</i>
(i)	Negative or less than 5 crores	60 Lakhs
(ii)	5 crores and above but less than 100 crores	84 Lakhs
(iii)	100 crores and above but less than 250 crores	120 Lakhs

---

*\*Effective Capital has been explained after Section IV in the succeeding pages of this unit. Students are advised to please refer that definition of Effective Capital.*

(iv)	250 crores and above	120 lakhs plus 0.01% of the effective capital in excess of ₹ 250 crores.
------	----------------------	--

Provided that the remuneration in excess of the above limits may be paid if the resolution passed by the shareholders is a special resolution.

*Explanation* - It is hereby clarified that for a period less than one year, the limits should be pro-rated.

- (B)** In case of a managerial person who is functioning in a professional capacity, remuneration as per item (A) may be paid, if such managerial person is not having any interest in the capital of the company or its holding company or any of its subsidiaries directly or indirectly or through any other statutory structures and not having any, direct or indirect interest or related to the directors or promoters of the company or its holding company or any of its subsidiaries at any time during the last two years before or on or after the date of appointment and possesses graduate level qualification with expertise and specialised knowledge in the field in which the company operates:

Provided that any employee of a company holding shares of the company not exceeding 0.5% of its paid up share capital under any scheme formulated for allotment of shares to such employees including Employees Stock Option Plan or by way of qualification should be deemed to be a person not having any interest in the capital of the company;

Provided further that the limits specified under items (A) and (B) of this section should apply, if-

#### **Section IV -Perquisites not included in managerial remuneration:**

1. A managerial person should be eligible for the following perquisites which should not be included in the computation of the ceiling on remuneration specified in Section II and Section III:-
  - (a) contribution to provident fund, superannuation fund or annuity fund to the extent these either singly or put together are not taxable under the Income-tax Act, 1961;
  - (b) gratuity payable at a rate not exceeding half a month's salary for each completed year of service; and

- (c) encashment of leave at the end of the tenure.
2. In addition to the perquisites specified in paragraph 1 of this section, an expatriate managerial person (including a non-resident Indian) should be eligible to the following perquisites which should not be included in the computation of the ceiling on remuneration specified in Section II or Section III-
- (a) Children's education allowance: In case of children studying in or outside India, an allowance limited to a maximum of ₹ 12,000 per month per child or actual expenses incurred, whichever is less. Such allowance is admissible up to a maximum of two children.
- (b) Holiday passage for children studying outside India or family staying abroad: Return holiday passage once in a year by economy class or once in two years by first class to children and to the members of the family from the place of their study or stay abroad to India if they are not residing in India, with the managerial person.
- (c) Leave travel concession: Return passage for self and family in accordance with the rules specified by the company where it is proposed that the leave be spent in home country instead of anywhere in India.

**Explanation I-** For the purposes of Section II of this Part, "**Effective capital**" means the aggregate of the paid-up share capital (excluding share application money or advances against shares); amount, if any, for the time being standing to the credit of share premium account; reserves and surplus (excluding revaluation reserve); long-term loans and deposits repayable after one year (excluding working capital loans, overdrafts, interest due on loans unless funded, bank guarantee, etc., and other short-term arrangements) as reduced by the aggregate of any investments (except in case of investment by an investment company whose principal business is acquisition of shares, stock, debentures or other securities), accumulated losses and preliminary expenses not written off.

**Explanation II-** (a) Where the appointment of the managerial person is made in the year in which company has been incorporated, the effective capital should be calculated as on the date of such appointment;

(b) In any other case the effective capital should be calculated as on the last date of the financial year preceding the financial year in which the appointment of the managerial person is made.

**Explanation III-** For the purposes of this Schedule, "family" means the spouse, dependent children and dependent parents of the managerial person.

**Explanation IV-** The Nomination and Remuneration Committee while approving the remuneration under Section II or Section III, should-

- (a) take into account, financial position of the company, trend in the industry, appointee's qualification, experience, past performance, past remuneration, etc.;
- (b) be in a position to bring about objectivity in determining the remuneration package while striking a balance between the interest of the company and the shareholders.

**Explanation V-** For the purposes of this Schedule, "negative effective capital" means the effective capital which is calculated in accordance with the provisions contained in Explanation I of this Part is less than zero.

**Explanation VI-** For the purposes of this Schedule:-

- (A) "current relevant profit" means the profit as calculated under section 198 but without deducting the excess of expenditure over income referred to in sub-section 4 (I) thereof in respect of those years during which the managerial person was not an employee, director or shareholder of the company or its holding or subsidiary companies.
- (B) "Remuneration" means remuneration as defined in clause 78 of section 2 and includes reimbursement of any direct taxes to the managerial person.

**Section V- Remuneration payable to a managerial person in two companies:**

Subject to the provisions of sections I to IV, a managerial person should draw remuneration from one or both companies, provided that the total remuneration drawn from the companies does not exceed the higher maximum limit admissible from anyone of the companies of which he is a managerial person.

Note: The appointment and remuneration referred to in Part I and Part II of this Schedule should be subject to approval by a resolution of the shareholders in general meeting.

**Ascertainment of profit for managerial remuneration**

As we have seen above that in case of a company having profits, managerial remuneration is calculated as a percentage on net profit. Such net profit is to be arrived in accordance with the provisions of Section 198 of the Companies Act, 2013.

As per Section 198 of the Companies Act, 2013,

- (I) In making the computation aforesaid, credit should be given for the bounties and subsidies received from any Government, or any public authority constituted or authorised in this behalf, by any Government, unless and except in so far as the Central Government otherwise directs.
- (II) In making the computation of the net profits, credit should not be given for the following sums, namely:—
  - (a) profits, by way of premium on shares or debentures of the company, which are issued or sold by the company
  - (b) profits on sales by the company of forfeited shares
  - (c) profits of a capital nature including profits from the sale of the undertaking or any of the undertakings of the company or of any part thereof
  - (d) profits from the sale of any immovable property or fixed assets of a capital nature comprised in the undertaking or any of the undertakings of the company, unless the business of the company consists, whether wholly or partly, of buying and selling any such property or assets: Provided that where the amount for which any fixed asset is sold exceeds the written-down value thereof, credit should be given for so much of the excess as is not higher than the difference between the original cost of that fixed asset and its written-down value
  - (e) any change in carrying amount of an asset or of a liability recognised in equity reserves including surplus in profit and loss account on measurement of the asset or the liability at fair value
- (III) In making the computation aforesaid, the following sums should be deducted, namely:—
  - (a) all the usual working charges

*Kumar Ltd., a non-investment company has been incurring losses for the past few years. The company provides the following information for the current year:*

	(₹ in lakhs)
<i>Paid up equity share capital</i>	120
<i>Paid up Preference share capital</i>	20
<i>Reserves (including Revaluation reserve ₹ 10 lakhs)</i>	150
<i>Securities premium</i>	40
<i>Long term loans</i>	40
<i>Deposits repayable after one year</i>	20
<i>Application money pending allotment</i>	720
<i>Accumulated losses not written off</i>	20
<i>Investments</i>	180

*Kumar Ltd. has only one whole-time director, Mr. X. You are required to calculate the amount of maximum remuneration that can be paid to him if no special resolution is passed at the general meeting of the company in respect of payment of remuneration for a period not exceeding three years.*

**Solution**

**Calculation of effective capital and maximum amount of monthly remuneration**

	(₹ in lakhs)
Paid up equity share capital	120
Paid up Preference share capital	20
Reserve excluding Revaluation reserve (150- 10)	140
Securities premium	40
Long term loans	40
Deposits repayable after one year	<u>20</u>
	380
Less: Accumulated losses not written off	(20)

Investments	(180)
Effective capital for the purpose of managerial remuneration	180

Since Kumar Ltd. is incurring losses and no special resolution has been passed by the company for payment of remuneration, managerial remuneration will be calculated on the basis of effective capital of the company, therefore maximum remuneration payable to the Managing Director should be @ ₹ 60,00,000 per annum.

**Note:** Revaluation reserve, and application money pending allotment are not included while computing effective capital of Kumar Ltd.

## 1.7 DIVISIBLE PROFIT

One of the important functions of company accounting is to determine the amount of profits which is available for distribution to the shareholders as dividend. This is necessary since the amount of profits disclosed by the Profit & Loss Account, in every case, is not available for distribution. The availability of profits for distribution depends on a number of factors, e.g., their composition, the amount of provisions and appropriations that must be made out of them in priority, etc.

### Meaning of Dividend

- (a) A dividend is a distribution of divisible profit of a company among the members according to the number of shares held by each of them in the capital of the company and the rights attaching thereto.
- (b) Such a distribution may or may not entail a release of assets; it would be where a distribution involves payment of cash.
- (c) But when profits are capitalised and the amount distributed is applied towards payment of bonus shares, issued free to the shareholders, no part of the assets of the company can be said to have been released since, in such a case, profits are only capitalised, thereby increasing the paid up capital of the company. The company does not give up any asset.

As per Section 2 (35) of the Companies Act, 2013, term "Dividend" includes interim dividend also.

Under Section 123 (1) of the Companies Act, 2013, no dividend should be declared or paid by a company for any financial year except-

- (a) Out of the profits of the company for that financial year arrived at after providing for depreciation in accordance with the provisions of section 123(2), or
- (b) Out of the profits for any previous financial years arrived at after providing for depreciation in accordance with the provisions of that sub section and remaining undistributed; or
- (c) Out of both the above;
- (d) Out of the moneys provided by the Central Government or any State Government for the payment of dividend by the Company in pursuance of any guarantee given by that government

Provided that no dividend should be declared or paid by a company from its reserves other than free reserves.

Declaration of a dividend presupposes that there is a trading profit or a surplus available for distribution, arrived at after providing for depreciation on assets, not only for the year in which the profits were earned but also for any arrears of depreciation of the past years, calculated in the manner prescribed by sub-section (2) of Section 123.

Sub-section (3) of Section 124 further states that the Board of Directors of a company may declare interim dividend during any financial year out of the surplus in the profit and loss account and out of profits of the financial year in which such interim dividend is sought to be declared: Provided that in case the company has incurred loss during the current financial year up to the end of the quarter immediately preceding the date of declaration of interim dividend, such interim dividend should not be declared at a rate higher than the average dividends declared by the company during the immediately preceding three financial years.

***Dividends cannot be declared except out of profits.  
Capital cannot be returned to the shareholders by way of dividend.***

Dividend can be declared and paid by a company only out of the profits or free reserves (other than moneys provided by Central or State Govt.) as the payment of dividend from any other source will amount to payment of dividend from capital units.

### **Provision for Depreciation**

Section 123(2) provides that depreciation must be to the extent specified in

Schedule II to the Companies Act, 2013. Further, when the assets are sold, discarded, demolished or destroyed in any financial year, the excess of the written down value over its sale proceeds as scrap, if any should be written off in the same financial year.

### **Declaration and Payment of Dividend**

For the purpose of second proviso to sub-section (1) of section 123, a company may declare dividend out of the accumulated profits earned by it in previous years and transferred by it to the reserves, in the event of inadequacy or absence of profits in any year, subject to the fulfillment of the following conditions as per Companies (Declaration and Payment of Dividend) Rules, 2014:

- (1) The rate of dividend declared should not exceed the average of the rates at which dividend was declared by it in the three years immediately preceding that year: provided that this sub-rule should not apply to a company, which has not declared any dividend in each of the three preceding financial years.
- (2) The total amount to be drawn from such accumulated profits should not exceed one-tenth of the sum of its paid-up share capital and free reserves as appearing in the latest audited financial statement.
- (3) The amount so drawn should first be utilised to set off the losses incurred in the financial year in which dividend is declared before any dividend in respect of equity shares is declared.
- (4) The balance of reserves after such withdrawal should not fall below 15% of its paid up share capital as appearing in the latest audited financial statement.
- (5) No company should declare dividend unless carried over previous losses and depreciation not provided in previous year are set off against profit of the company of the current year the loss or depreciation, whichever is less, in previous years is set off against the profit of the company for the year for which dividend is declared or paid.

### **Transfer to Reserves**

- I The Board of Directors are free and can appropriate a part of the profits to the credit of a reserve or reserves as per section 123 (1) of the Companies Act, 2013.
- II Appropriation of a part of profit is sometimes made under law.
  - (a) For example, under the Banking Regulation Act, a fixed percentage of

the profit of a banking company must first be transferred to the General Reserve before any dividend can be distributed.

- (b) Transfer of a part of profit to a reserve is also necessary where the company has undertaken, at the time of raising of loan, that before any part of its profit is distributed, a specified percentage of the profit every year should be credited to a reserve for the repayment of the loan and until the time for repayment arrives, the amount should remain invested in a specified manner.
- III Apart from appropriations aforementioned, it may also be necessary to provide for losses and arrears of depreciation and to exclude capital profit, as mentioned earlier, to arrive at the amount of divisible profit.

### **Declaration of Dividend**

As per Section 123 of the Companies Act, 2013, Board of Directors of a company may declare dividend including interim dividend during any financial year out of the surplus in the profit and loss account and out of profits of the financial year in which such interim dividend is sought to be declared:

Provided that in case the company has incurred loss during the current financial year up to the end of the quarter immediately preceding the date of declaration of interim dividend, such interim dividend should not be declared at a rate higher than the average dividends declared by the company during the immediately preceding three financial years.

The amount of the dividend, including interim dividend, should be deposited in a scheduled bank in a separate account within five days from the date of declaration of such dividend.

No dividend should be paid by a company in respect of any share therein except to the registered shareholder of such share or to his order or to his banker and should not be payable except in cash: Provided that nothing in Section 123 should be deemed to prohibit the capitalisation of profits or reserves of a company for the purpose of issuing fully paid-up bonus shares or paying up any amount for the time being unpaid on any shares held by the members of the company:

Provided further that any dividend payable in cash may be paid by cheque or warrant or in any electronic mode to the shareholder entitled to the payment of the dividend.

**Dividend on preference shares**

- (a) Holders of preference shares are entitled to receive a dividend at a fixed rate before any dividend is declared on equity shares.
- (b) But such a right can be exercised subject to there being profits and the Directors recommending payment of the dividend.

**Dividend on partly paid shares:**

- A company may if so authorised by its Article, pay a dividend in proportion to the amount paid on each share (Section 51 of the Companies Act, 2013).

**Calls in Advance**

Calls paid in advance do not rank for payment of dividend.

**Payment of Dividend**

As per Section 124 of the Companies Act, 2013:

- (1) Where a dividend has been declared by a company but has not been paid or claimed within thirty days from the date of the declaration to any shareholder entitled to the payment of the dividend, the company should, within seven days from the date of expiry of the said period of thirty days, transfer the total amount of dividend which remains unpaid or unclaimed to a special account to be opened by the company in that behalf in any scheduled bank to be called the Unpaid Dividend Account.
- (2) The company should, within a period of ninety days of making any transfer of an amount under this section to the Unpaid Dividend Account, prepare a statement containing the names, their last known addresses and the unpaid dividend to be paid to each person and place it on the website of the company, if any, and also on any other website approved by the Central Government for this purpose, in such form, manner and other particulars as may be prescribed.
- (3) If any default is made in transferring the total amount or any part thereof to the Unpaid Dividend Account of the company, it should pay, from the date of such default, interest on so much of the amount as has not been transferred to the said account, at the rate of 12% per annum and the interest accruing on such amount should ensure to the benefit of the members of the company in proportion to the amount remaining unpaid to them.
- (4) Any person claiming to be entitled to any money transferred to the Unpaid Dividend Account of the company may apply to the company for payment

of the money claimed.

- (5) Any money transferred to the Unpaid Dividend Account of a company in pursuance of this section which remains unpaid or unclaimed for a period of seven years from the date of such transfer should be transferred by the company along with interest accrued, if any, thereon to the Fund "Investor Education and Protection Fund" established section 125 and the company should send a statement in the prescribed form of the details of such transfer to the authority which administers the said Fund and that authority should issue a receipt to the company as evidence of such transfer.
- (6) All shares in respect of which unpaid or unclaimed dividend has been transferred to "Investor Education and Protection Fund" should also be transferred by the company in the name of Investor Education and Protection Fund along with a statement containing such details as may be prescribed:
- Provided that any claimant of shares transferred above should be entitled to claim the transfer of shares from Investor Education and Protection Fund in accordance with such procedure and on submission of such documents as may be prescribed.
- (7) If a company fails to comply with any of the requirements of this section, the company will be punishable with fine which will not be less than five lakh rupees but which may extend to twenty-five lakh rupees and every officer of the company who is in default will be punishable with fine which will not be less than one lakh rupees but which may extend to five lakh rupees.

*Due to inadequacy of profits during the year ended 31<sup>st</sup> March, 20X2, XYZ Ltd. proposes to declare 10% dividend out of general reserves. From the following particulars, ascertain the amount that can be utilised from general reserves, according to the Companies (Declaration of dividend out of Reserves) Rules, 2014:*

	₹
17,500 9% Preference shares of ₹ 100 each, fully paid up	17,50,000
8,00,000 Equity shares of ₹ 10 each, fully paid up	80,00,000
General Reserves as on 1.4.20X1	25,00,000
Capital Reserves as on 1.4.20X1	3,00,000

Revaluation Reserves as on 1.4.20X1	3,50,000
Net profit for the year ended 31 <sup>st</sup> March, 20X2	3,00,000
Average rate of dividend during the last three years has been 12%.	

### Solution

Amount that can be drawn from reserves for 10% dividend		
10% dividend on ₹ 80,00,000		₹ 8,00,000
Profits available		
Current year profit	3,00,000	
Less: Preference dividend	<u>(1,57,500)</u>	<u>(1,42,500)</u>
Amount which can be utilised from reserves		<u>6,57,500</u>

Conditions as per Companies (Declaration of dividend out of Reserves) Rules, 20X1:

#### Condition I

Since 10% is lower than the average rate of dividend (12%), 10% dividend can be declared.

#### Condition II

Maximum amount that can be drawn from the accumulated profits and reserves should not exceed 10% of paid up capital plus free reserves ie. ₹ 12,25,000 [10% of (80,00,000+17,50,000+25,00,000)]

#### Condition III

The balance of reserves after drawl ₹ 18,42,500 (₹ 25,00,000 - ₹ 6,57,500) should not fall below 15 % of its paid up capital ie. ₹ 14,62,500 (15% of ₹ 97,50,000)

Since all the three conditions are satisfied, the company can withdraw ₹ 6,57,500 from accumulated reserves (as per Declaration and Payment of Dividend Rules, 2014.)

### Dividend Distribution Tax

#### 1. Meaning

(a) The Finance Act, 1997, has introduced Chapter XIID (Sections 115O and

115Q) on "Special Provisions Relating to Tax on Distributed profits of Domestic Companies" [Hereinafter referred to as 'DDT' (Dividend Distribution tax)]. The ICAI has also issued Guidance Note on Accounting for Corporate Dividend Tax.

- (b) The salient features of DDT are as below:
- (i) DDT is in addition to the income-tax chargeable in respect of the total income of a domestic company.
  - (ii) With effect from 1<sup>st</sup> Oct, 2014 dividend and income distribution tax is leviable on gross dividend / income and not on the net dividend / income distributed to shareholders and unit holders as per Income-tax Act, 1961.
  - (iii) The dividends chargeable to DDT may be out of the current profits or accumulated profits.
  - (iv) The rate of DDT is 15% (excluding surcharge of 12% plus secondary and higher education cess is (2+1) 3%).
  - (v) DDT should be payable even if no income-tax is payable by the domestic company on its total income.
  - (vi) DDT is payable to the credit of the Central Government within 14 days of
    - (a) declaration of any dividend,
    - (b) distribution of any dividend, or
    - (c) payment of any dividend.whichever is the earliest.
  - (vii) DDT paid should be treated as the final payment of tax on the dividends and no further credit therefore should be claimed by the company or by any person in respect of the tax so paid.
  - (viii) The expression 'dividend' should have the same meaning as is given to 'dividend' in Section 2 of the Companies Act, 2013.

To make clear the understanding of the concept of grossing for calculation of CDT, an example has been given as follows:

### Example

X Ltd., a domestic company, has distributed on 5<sup>th</sup> April 20X1, dividend of ₹ 230 lakh to its shareholders. Compute the Dividend Distribution tax payable by X Ltd.

### Solution

Calculation of corporate dividend tax

Particulars	₹ in lakh
Dividend distributed by X Ltd.	230
Add: Increase for the purpose of grossing up of dividend $\left[ \frac{15}{100-15} \times 230 \right]$	<u>40.59</u>
Gross dividend	<u>270.59</u>
Dividend distribution tax @ 15% [15% of ₹270.59 lakh]	40.59
Add: Surcharge@12%	<u>4.88</u>
	45.47
Add: Education cess@2% and SHEC@1%	<u>1.36</u>
Dividend Distribution tax	<u>46.83</u>

## 2. Accounting for DDT

As per AS 4 (Revised), Final dividend declared after the balance sheet date is recognised in the financial year in which it has been approved by the shareholder, i.e., there is no provision for dividend on the balance sheet date (to be disclosed by way of note only). In view of this, DDT on dividend, being directly linked to the amount of the dividend concerned, should also be reflected in the accounts of the same financial year even though the actual tax liability in respect thereof may arise in a different year.

## 3. Disclosure and Presentation of DDT in Financial Statements

- Dividend on shares is an appropriation of profit which is not shown in the Statement of Profit and Loss as per the Schedule III to the Companies Act, 2013. It is shown as an appropriation or allocation of profit in the 'Notes to Accounts' of the 'Reserves and Surplus' item of the Balance sheet.
- Since dividends are appropriation to profits which is not the part of disclosure in the Statement of Profit and Loss, therefore, a question arises

with regard to disclosure and presentation of DDT, as to whether the said tax should also be disclosed as appropriation or should be disclosed along with the normal income-tax provision for the year.

- The liability in respect of DDT arises only if the profits are distributed as dividends whereas the normal income-tax liability arises on the earning of the taxable profits
- Since the DDT liability relates to distribution of profits as dividends which are disclosed as appropriation /allocation of profit in the 'Notes to Accounts' of 'Reserves and Surplus', it is appropriate that the liability in respect of DDT should also be disclosed therein.
- It is felt that such a disclosure would give a proper picture regarding payments involved with reference to dividends.
- DDT liability should be recognised in the accounts of the same financial year in which the dividend concerned is recognised.
- DDT liability should be disclosed separately in the 'Notes to Accounts' of 'Reserves and Surplus', as follows:

Dividend	xxxxx	
Dividend Distribution tax thereon	xxxxx	xxxxx

The accounting treatment for Dividend Distribution tax in the financial statements of a company can be explained with the help of following example:

*On 31<sup>st</sup> March, 20X1 X Ltd. declared dividend amounting to ₹ 425 lacs for the year 20XX-20X1. The Dividend Distribution tax liability (15% of Corporate dividend tax including surcharge @ 12%, Education Cess @ 2% and SHEC @ 1% i.e. 17.304%) arises as per Income-tax Act,1961. In this case, calculate the grossing-up of dividend and separately disclose the charge for DDT in the 'Notes to Accounts' of 'Reserves and Surplus'.*

### Solution

Calculation of grossing-up of dividend:

<b>Particulars</b>	<b>₹ in lacs</b>
Dividend distributed by X Co.	425
Add: Increase for the purpose of grossing up of dividend	<u>75</u>

$\left[ \frac{15}{100 - 15} \times 425 \right]$	
Gross dividend	<u>500</u>
Dividend distribution tax @ 17.304%	86.52

(An Extract)

- 'Notes to Accounts' of 'Reserves and Surplus'
- for the year ended 31st March, 20X1

	₹ (lacs)	₹ (lacs)
Dividend	425.00	
Dividend Distribution tax	<u>86.52</u>	511.52

The Dividend Distribution tax should be disclosed separately under, the head 'Other Current Liabilities'. The relevant extracts of the Balance Sheet of X Ltd. can be shown as follows:

### Balance Sheet as on 31st March, 20X1

'Other Current Liabilities'	₹ (lacs)
Dividend declared	425.00
