# A First-Hand Introduction of the School

S. D. Public School was established in the year 2005, as a self-financed and highly reputed centre for imparting quality education. It started with the motto “Education For Perfection”. At present this institution is functioning as an English-medium co-educational School, running classes from Pre- Primary to +2, including Medical and Non-Medical streams and is affiliated to C.B.S.E., New Delhi. Till now, the institution has completed 22 sessions.

## LOGO

Our logo consists of 12 leaves which signifies 12 years of a student’s life in school. The green colour in the leaves depicts hope, renewal and revival, whereas the yellow colour in the border symbolizes knowledge, learning and mental development. The Jyoti (lamp) in the centre represents enlightenment through hard work and worship of God. The flap at the bottom, in green colour with a yellow border bears our motto “ Education for Perfection”, followed by the year of establishment of the school.

## OUR MISSION – “Education for perfection”

The relentless pursuit of SDPS is to lay the foundation of noble character, moral integrity, brotherhood and confidence in young minds, so that they grow into strong and confident citizens who can shape the destiny of the nation.

## OBJECTIVES AT A GLANCE

- To impart quality education with a sense of faith in Humanity and Nationalism.
- To enrich students’ knowledge and foster creativity in every field.
- To inculcate moral and social values among students.
- To provide excellence in co-curricular and academics activities.
- To enable the students to compete with the world in every sphere of life.
- To demonstrate full commitment and dedication in order to serve the society at large.

## Message from Chairperson

**Ms. Jyoti**  
Chairperson, SDPS

Education is the foundation on which futures are built, and at S.D. Public School, we take pride in shaping those futures with care, commitment, and purpose. At S.D.P.S., our vision is to create a learning environment that nurtures academic excellence, strong values, and holistic development. We believe that every child is unique and deserves opportunities that help them discover their strengths with confidence. Our dedicated teachers, modern infrastructure, and commitment to discipline ensure that students receive quality education along with the right guidance. We focus not only on knowledge, but also on character, creativity, and life skills that prepare them for future challenges.

## From the Principal's Vision and Philosophy

*"With vision and mission, people grow."*

Our mission is "Education for Perfection" and vision is to make every student globally competent through holistic education, development of right skills, to inculcate spirit of nationalism and respect for our culture and society at large. We believe that only disciplined citizens with right bend of mind can make a sensible society and we are sure that our students are the assets for the creation of such society.

At SDPS we prepare students to develop higher order thinking skills, peacemaking skills and leadership abilities in an environment of shared values of non- violence, equality by using a combination of the Core Knowledge, Curriculum and Direct Instructions. Students learning experiences are affected by the way in which they are taught and how it is modeled by their teachers. When learning is active, connected and purposeful, students can be motivated. So, we perceive to inspire and enthuse children to develop them into well rounded, confident and responsible individuals who aspire to achieve their full potential.

**Mr. Vinod Thakur**  
Principal, SDPS

## Message from School Coordinator

At SDPS, we do not merely focus on reading and writing; we are dedicated to shaping students into responsible ideal citizens of this country. We believe in nurturing every child to become mentally alert, physically strong and morally sound enabling them to face the real challenges with confidence and integrity. Our efforts are directed towards inculcating values such as honesty, truthfulness, discipline and patriotism, so that our students grow into individuals who contribute positively to society and serve the nation with dedication and pride. Our ultimate objective is to impart quality education and develop positive and constructive approaches that helps students meet the challenges of changing world. Our motto is to promote a scientific temperament amongst children so that they do not grope in the dark and take the nation forward in right direction.

**Mr. Atul Gautam**  
School Coordinator, SDPS

## Message from Vice Principal

Our motto “Education for Perfection” is at the heart of everything we do at the school. We aim to not just impart knowledge to the students but also inculcate wisdom, compassion and a humanitarian spirit. Discipline, value and integrity are the very foundation of our school. Our mission is to equip students with high moral values and to nurture them into self confident individuals. At SDPS our approach to learning is child centric and activity based. Besides scholastic programmes, we encourage the students to participate in a variety of co-curricular activities.

**Mr. Vishal Sharma**  
Vice Principal

## Messages from Wing In-charges

Welcome to S. D. Public school where academic excellence is at the heart of everything we do. As the academic officer I am proud to be part of an institution that is committed to providing a rigorous, well-rounded education that fosters intellectual growth, critical thinking, and a passion for lifelong learning.

At S. D. Public School, we offer a diverse and dynamic curriculum designed to challenge and inspire students at every level. Our dedicated faculty members are not only experts in their fields but also passionate educators who create engaging, student centred learning environments. Through a combination of innovative teaching, state-of-the-art resources, and extracurricular opportunities, we ensure that each student has the support and encouragement needed to reach their full potential.

We believe in nurturing not just academic skills, but also the personal development of every student. Our focus on holistic education ensures that students are prepared not only for academic success but also for leadership roles and responsible citizenship in an ever-changing world.

**Mr. Pardeep Chandel**  
Wing In-charge

**Ms. Sapana Verma**  
**Wing In-charge**

It gives me immense pleasure to welcome you to our school community. At our institution, we believe that every child is unique and full of potential. Our aim is to create a nurturing, disciplined and inspiring environment where students grow academically, emotionally and socially. We are committed to providing quality education through innovative teaching practices, value-based learning and a supportive atmosphere. Along with academic excellence, we encourage our students to participate in co-curricular activities, develop leadership qualities and build confidence for the future. With the collective efforts of our dedicated teachers, supportive parents and enthusiastic learners, we strive to make every academic session meaningful and enriching. We look forward to guiding our students towards becoming responsible, compassionate and confident individuals.

Every child is unique, and our mission is to identify and nurture their individual strengths, fostering a brighter future for all. In these crucial early years of childhood, a child absorbs foundational learning and values. We provide a supportive environment and personalized guidance for holistic development, integrating our rich cultural heritage and mastering vital learning skills. This empowers our future leaders with the essential values, critical knowledge, and practical expertise needed to succeed and adapt, thus shaping the next generation of responsible, compassionate, and innovative citizens.

# ACADEMICS AND WHAT WE OFFER

## ***KINDERGARTEN WING***

The kindergarten wing at SDPS provides a unique, fun-filled and innovative programme designed to introduce young children to the colourful and fascinating world of learning. The school uses play way techniques for teaching and is extensively equipped with educational tools and toys. The emphasis is on preparing children for formal schooling, by imparting good school going habits and enabling the tiny tots to develop a sense of self-sufficiency and contentment.

## ***SMART CLASSROOMS***

The school provides teaching through digital techniques. Each classroom from middle standard onwards is equipped with laptops and projectors, which help to create a more engaging and interactive learning environment for students. To make teaching/learning more effective and interesting, each and every concept is presented through PowerPoint Presentations.

## LIBRARY

The school is equipped with well-furnished library with a total collection of more than 1,700 books. The library has subscription to three Newspapers and five Magazines in Hindi and English.

## LABS

Keeping in mind the essentiality of gaining knowledge through experimentation, the school is equipped with well-furnished labs comprising Physics, Chemistry, Biology, Mathematics and Composite labs for the lower wings. Keeping in view the importance of Information Technology in the modern era, the school has established two well-furnished computer labs.

Chemistry Lab

Biology Lab

Mathematics Lab

Composite Lab

Physics Lab

Computer Lab

## HOUSE SYSTEM AND ELECTIONS

The House system occupies a prominent position in the field of co-curricular activities, which are organized in a healthy competitive spirit. The school has been divided into four Houses:

1. Beas House      2. Gomti House      3. Kaveri House      4. Sutlej House

Every student is allotted a particular house at the time of admission and he/she continues to remain in the same house throughout his/her stay in the school.

To involve students in the smooth functioning of the school, each house is assigned various duties in rotation every month. It helps students to learn the great ideals of self discipline, leadership and loyalty to the institution. Stage exposure is also provided to every student.

## SPORTS

**“When health is absent, wisdom cannot reveal itself, art cannot manifest, strength cannot fight, wealth becomes useless and intelligence cannot be applied”. Herophilus**

At SDPS, we are equally concerned about the physical growth of our children. We have highly skilled PETs, DPE and a Boxing Coach who continuously strive to prepare and ensure the participation of students in various sports events available in the school.

**Sports facilities:** Basketball, Volleyball, Badminton, Boxing.

## PERFORMING ARTS AND PERSONALITY DEVELOPMENT PROGRAMMES

Each discipline of music, dance and drama engages a child's brain, body and emotions in different ways. This module encourages children to explore and expand their imagination and helps them develop their own unique skills. The school provides expert faculty in various fields of performing arts.

The Personality Development Programme helps children to enhance their communication skills and build confidence from a very young age. Under this programme, each student is given opportunities to perform on the stage and enhance their interpersonal communication and verbal skills.

## NCC UNIT(SDPS)

## SCOUTS & GUIDES(SDPS)

## NSS UNIT (SDPS)

To render selfless service to community, the school has active NCC, NSS , and Scouts & Guides units, in which students participate and learn the values of discipline, honesty, unity and National integration. Through these units, our students participate in various activities at different levels.

## COMMENCEMENT OF ADMISSION PROCESS

- The Registration/Enrollment process for admission in different classes begins w.e.f. 1st January onwards.
- Parents are advised to fill in the enclosed admission form in capital letters and submit it at the time of admission.
- Regular admission will start w.e.f. 1st April. Admission test and date of admission (9th to 12th) are mentioned on the opening page of the prospectus.
