7. ADDITIONAL ACCOLADES

Good Design Australia also presents a number of other accolades in association with Industry Partners. Please select the Accolades you wish your entry to be considered for below.

2020 Vision Green Design Award (optional)

The 2020 Vision Green Design Award recognises excellence in green urban and space design. The Award was established by Good Design Australia and the 2020 Vision to help raise awareness and to promote excellence in green design.

CSIRO Design Innovation Award (optional)

The CSIRO Design Innovation Award recognises the important role of design-led innovation in harnessing the challenges of science and technology to create better products and services that make a positive impact on our lives.

MAAS Award (optional)

The Museum of Applied Arts and Sciences Award is given to a project that has potential to make a significant improvement to the quality of health, wellbeing or the environment. This Award recognises the important role of design in harnessing the challenges of science and technology to make a positive impact on our lives.

Safe Work Australia Award (optional)

The Safe Work Australia Award recognises the importance of good design in improving work health and safety practices. Additional questions for this award are below.

- *Safety in Construction, Use and Maintenance (max. 100 words)*
- *Safety Innovation (max. 100 words)*
- *Sustainability (max. 100 words)*
- *Health and Safety Impact (max. 100 words)*

Indigenous Designer Award (optional)

If you would like to be considered for the Indigenous Designer Award, and identify as Aboriginal or Torres Strait Islander Australian, then please tick here.
