

THAMES

Thames International College is a premier academic institution offering variety of undergraduate programs. The college comprises of two schools, AMS School of Business and Technology and School of Social Sciences.

AMS School of Business and Technology currently offers Bachelor in Business Administration (BBA), Bachelor in Business Studies (BBS) and Bachelor in Information Management (BIM), while the newly established School of Social Sciences offers BA in Social Work and Rural Development, BA in Journalism, Mass Communication and Sociology and BA in Sociology and Rural Development.

All our programs lead to a degree from Nepal's oldest and most reputed Tribhuvan University.

MISSION

Thames International College ensures world class education that transforms students into independent, co-operative, competent and socially responsible citizens, who value education as a lifelong process.

CHAIRMAN'S MESSAGE

Thames is more than just a place where you come to study for your degree. It is a community of students and faculty from diverse background coming together with a common belief that learning is a lifelong process. On one hand, you will always find being pushed to take responsibility of your own learning while on the other hand you will be encouraged to question, challenge and critically reflect both in and outside the classroom.

Through our integrated Liberal Arts Programs, you will have many opportunities to learn about the wider world, while you continue to develop the expertise in the area of your own interest. You will be offered Community Service opportunities to develop understanding of the contemporary social issues both at global and local level.

I look forward to working together with you as we strive to raise the benchmark of higher education in Nepal.

WHAT OUR ALUMNI SAY

Santosh Raj Pathak
Partnership Contract Officer,
ICIMOD

While I studied for my Bachelor's degree, I also grew up to be a young professional with confidence, perseverance and endurance.

Subin Limbu
Former Miss Nepal, 2014

I am extremely happy to have been a part of the Thames Family. Life at Thames was always about self-discipline, growth and fun. Precious were those days.

Juliya Shrestha
Regional Humanitarian
Assistant, Dan Church Aid

I am very happy that I joined Thames. I learned to grab all the opportunities that come along the way. I took opportunities of the internship program the college offered and landed with a job as soon as I graduated.

Sudip Bikram Karki
Recipient of the Indian
Embassy Scholarship Award
2015, University of Madras,
Chennai

Environment at Thames encourages creativity among its students and faculty. This is one institution in Nepal where you can explore, learn and grow at the same time.

Rahul Chamlagain
Marketing (B2B) Executive,
Edushala

"Tell me and I forget, teach me and I may remember, involve me and I learn". I am what I am today because of the elective courses, workshops, seminars and other extracurricular activities I participated while at Thames.

Kshitiz Khanal
Project Co-coordinator-USYC
Nepal, YUWA

Enrolling at Thames is one of the best investments I have ever made. Thames is not just an institution but a culture, a culture that brings out the best in you and will make you stand out in the crowd.

STUDENT LEADERS

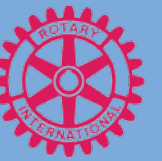

Amit Bhattarai
President, Information
Technology Club

Student clubs and organizations are an integral part of learning at Thames. Through my affiliation with the IT club, while I learned firsthand how to manage projects, I have also become a team worker.

Raveena Singh
President, Rotaract Club of
Thames International College

Thames offers ample range of activities to complement the course of studies that would give the students an opportunity to discover their inner self. Extracurricular activities like Rotaract Club and other similar programs also provide an overall development platform for the students.

Shreya Upadhyay
President, Students Council of
Thames International College

Through a variety of projects from Thames, I had the opportunity to work with young entrepreneurs and gain firsthand knowledge. The vibrant and innovative learning environment at Thames and the applied-education approach of learning has made it possible for us to get a practical perspective towards life.

Sonam Lama
President, Management Club

I've had many opportunities to explore myself and learn from experience. Being a part of the Management Club has showered me with many opportunities to elevate my leadership skills as well as my personality. Moreover, Thames believes in holistic approach towards professional and personal growth of the students.

STUDENT LIFE

We make sure that you make the most out of the time you spent at Thames. You will have ample of opportunities to participate in activities both in and outside the campus.

FIRST YEAR EXPERIENCE

Specific programs are designed to support and challenge all freshmen and to connect you to the learning opportunities that will assist you in your academic pursuit.

INDUCTION SEMINAR

You will have an opportunity to participate in an Induction Seminar which is designed to make your transition into college smooth and more enjoyable. You will be introduced to college administration, faculty, philosophy, policies, resources and opportunities for student engagement.

FIRST YEAR SEMINAR

Through active participation in the First year Seminar Courses, you will be prepared to take responsibility of your own learning for the rest of your college life and beyond. First Year Seminar courses offered to make you a lifelong learner are

- Reading and Writing for College
- Academic Writing
- Critical Thinking
- Interactive approach to Academic Reading
- Case Based Approach to Learning
- Foundation of Mathematics

ACADEMIC ADVISING

You will be assigned an Academic Advisor in your first year to ensure that you have access to information and services that will help you succeed in the college. Academic advisors will meet you in regular intervals and help you create personalized success plans to achieve your academic goals.

STUDENT ORGANIZATIONS

Student Council of Thames International College provides an integrated experience for students across the campus and offers a variety of clubs and organizations to enrich your college life experience. You will also have the ability to enhance your academic program through representation in Student Council.

Currently, there are four student clubs

- Student Council
- Rotaract Club
- Management Club
- Information Technology Club

THAMES INTERCOLLEGE CRICKET TOURNAMENT

Thames Inter College Cricket Tournament is one of the biggest and the most successful college level sporting event in the country. Every year more than 20 college teams from around the country participate in the event.

COMMUNITY SERVICE

Social responsibility is an integral part of our core values. You will be provided with many Community Service opportunities including volunteering in social organizations, fundraising campaigns, rural camps and awareness campaign on various social issues.

CULTURAL EXCHANGE

As part of the cultural exchange program, you will have opportunity to travel to different parts of the world. Every year, Thames students participate in International Students' Meet at Rourkela, Orissa and Jeunes Du Monde at Toulouse, France. As a part of the Chinese language class, students also have an opportunity to travel to China.

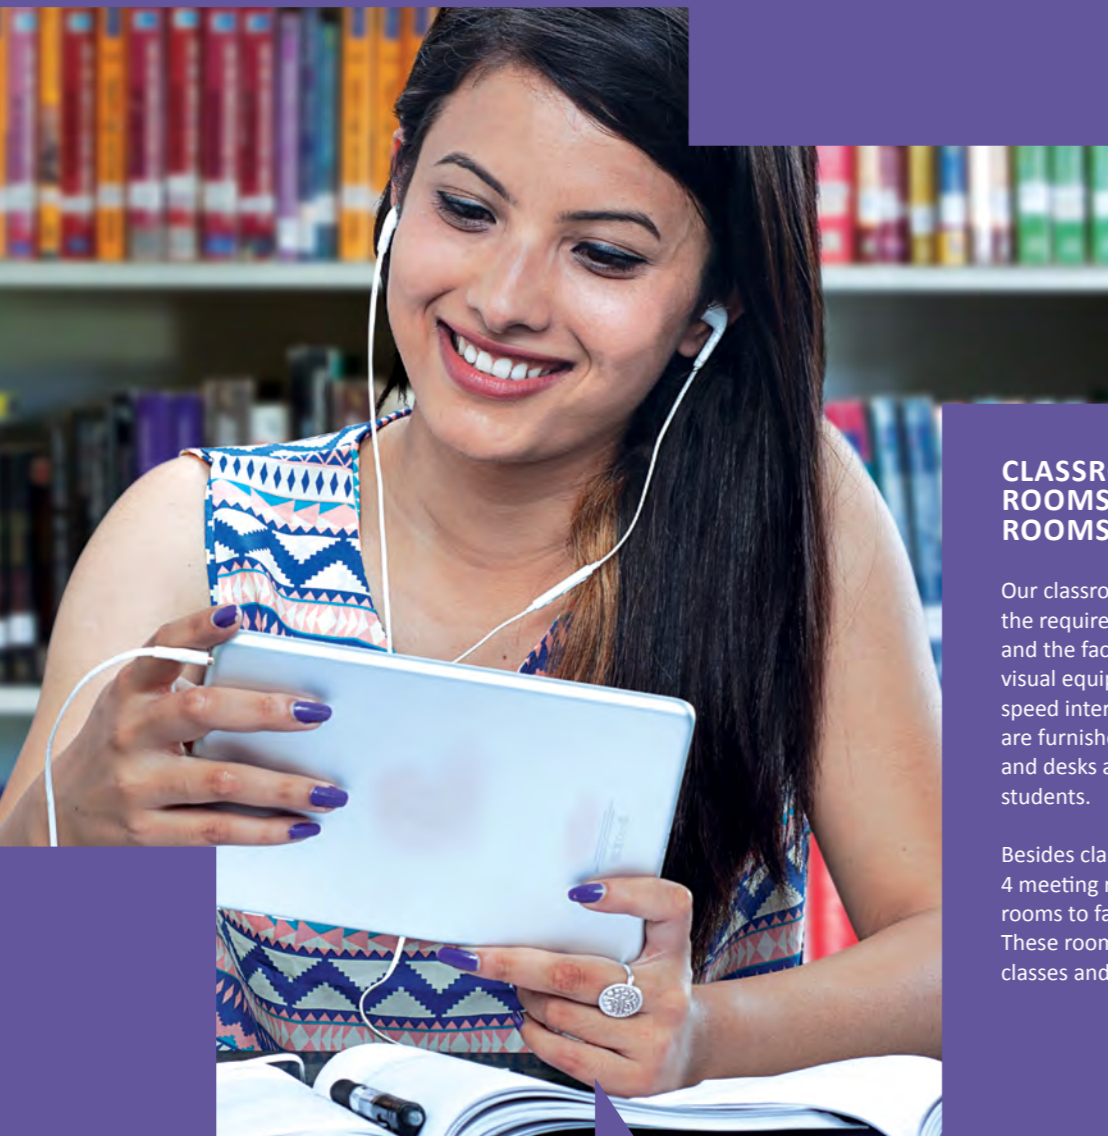

ELECTIVE COURSES

The Office of Student Affairs offers you many opportunities to learn and explore new things that otherwise cannot be learnt in the academic courses. The courses offered in the past include, Patan 101: The Heritage Walk, Creating that Perfect Presentation, I can Speak, Critical Thinking for Global Challenges, Creating a Business Plan, Thinkshop for lifelong learners and many more.

FOREIGN LANGUAGE

Learning foreign language will sensitize you to the world cultures and at the same time make you aware of your own culture. The Office of Student Affairs, in collaboration with its partner institutions, offers you French and Chinese languages.

ACADEMIC FACILITIES AND INFRASTRUCTURE

CLASSROOMS, MEETING ROOMS AND GROUP STUDY ROOMS

Our classrooms are designed to meet the requirements of both the course and the faculty. Classrooms are audio-visual equipped with access to high-speed internet. All the classrooms are furnished with comfortable chairs and desks and are suitable for adult students.

Besides classrooms, the college has 4 meeting rooms and 2 group study rooms to facilitate small class sizes. These rooms are used for tutorial classes and group works.

DAVID J. RUSK LIBRARY

David J. Rusk Library has the most comfortable setting in the campus. With more than 6,000 titles, the library is fully catalogued and automated. You can also remotely access the library from home. International newspapers and periodicals including International Herald Tribune, Harvard Business Review and The Economist are also available in the library. Recently, the library has also launched an online digital repository to share electronic data online and to promote the culture of research.

David J. Rusk Library offers dedicated space for laptop use, group work, as well as a silent study area for

independent learning. The Group Study Room in the library is available for collaborative activities such as presentation preparation.

The library is open for users 9 hours a day 7 am -5 pm, Sunday to Friday. The library is operated by 2 dedicated trained librarians and 2 student employees under the leadership of Head of Library Services.

INTERNET STATIONS

Our Internet Stations are also housed at the David J. Rusk Library. All the PCs are networked, run Microsoft Office and provide high speed internet access and other networked resources.

THE INFORMATION TECHNOLOGY CENTRE

The IT Centre is a state-of-the-art computing facility equipped with more than 30 open access work stations. The IT Centre is open 6 days a week from 7 am – 5 pm and is operated by a dedicated staff under the supervision of Head of IT Services. The Internet Station in the library is also operated by the IT Centre.

STUDENT LOUNGE

A student lounge situated at the terrace is open for students for gathering, working in groups, studying and for relaxing between the scheduled classes. This comfortable space is equipped with comfortable furniture, background music, popular magazines and newspapers.

WI-FI CAMPUS

Our campus is fully Wi-Fi enabled. You can access high speed internet of 8 Mbps from all corners of the campus, be it cafeteria, classrooms, library or the parking lot.

PARKING FACILITY

The college has a designated parking lot that can accommodate more than 200 motor bikes and scooters at any point of time.

CAFETERIA

Cafeteria offers a wide selection of dishes. The menu changes every day and caters for a variety of diets. Open from early in the morning until late in the afternoon, the cafeteria is a popular choice for meals and as a meeting point for students. The cafeteria also houses a drinking water refill station. Water goes through multiple filtration processes including "Reverse Osmosis" before it reaches the refill station.

AUDITORIUM

Situated on the top floor of the college building, the auditorium is one of the busiest venues on campus. An Air Conditioned auditorium with the capacity of 120 people has a stage, a podium and is audio-visually equipped. The auditorium also has a terrace outside to hold after-event tea parties and networking events.

The auditorium is also a famous venue for NGOs, INGOs and other local bodies to hold workshops and conferences. The venue hosts many college level events including Thames Inter College Corporate Quiz, AMS Speaker Series and Word Mill.

**A JOYFUL
LEARNING
EXPERIENCE**

AMS SCHOOL OF BUSINESS AND TECHNOLOGY

AMS School of Business and Technology, in affiliation with Tribhuvan University, currently offers **Bachelor in Business Administration (BBA)**, **Bachelor in Information Management (BIM)** and **Bachelor in Business Studies (BBS)**.

- The School was awarded the 6th best B-School of Nepal consecutively for 2 years in 2013 and 2014 by the Business Age Magazine.
- Thames BIM was ranked the best in the country in 2014 by the Business Age Magazine.
- The School was ranked 4th Best School for BBA in Nepal by US based Gelal Research Group.

BACHELOR IN BUSINESS ADMINISTRATION

The business environment is changing all the time. While you cannot predict the future, you can certainly be prepared for it. Organizations increasingly need managers with a broad range of skills, who understand various areas of business, and know how to get the most from their resources. Employers are looking for people with intellectual and interpersonal skills that will help them contribute to innovation in the workplace. They require the capacity to think critically, communicate clearly, and solve complex problems.

Thames Bachelor in Business Administration is a 4-year (8 semester) program. The program is offered by AMS School of Business and Technology in affiliation with Faculty of Management, Tribhuvan University. Students are required to complete 120 credit hours of course work and practicum training to graduate. The program leads to a degree from Tribhuvan University.

WHAT OUR STUDENTS SAY

Anish Bhatt
2nd semester student

The multicultural student body at Thames brings diverse experiences, ideas and perspectives into the classroom. Liberal education approach which the college has adopted provides freedom to strive both academically and professionally.

Anmol Bhatt
6th semester student

Learner friendly environment here has transformed my hopes and aspirations. New friendship, meaningful conversations has provided me with renewed energy and enthusiasm.

Arun Lamichhane
8th semester student

Faculty and Administration here, both, always find ways to accommodate students' suggestions and needs. We are always learning here, be it inside or outside the classroom.

Kartika Yadav
6th semester student

Cultural exchange tours to Europe and India was truly a learning experience that classroom could never provide. Its focus on process of learning makes Thames educational experience very unique one. I have learnt to move forth with my own originality and capability to think. Thames has given me a freedom that was necessary to harness my own potentials and shine through.

WHAT OUR STUDENTS SAY

Roshan Aryal
4th semester student

Thames has provided us with diverse platforms where we can grow personally developing our leadership skills. The teaching environment of the college encourages for healthy competition integrating fun into the academic precision.

Rupak Parajuli
8th semester student

I love Thames for the practical approach it takes to our learning. We are always encouraged to learn for life and discouraged to learn by rote. The student-centered education at Thames makes it the best.

Sonika Neupane
2nd semester student

I am glad to be a part of an institution that values students' social life as much as the academics. Along with academic rigor of the courses, I really appreciate how the college emphasizes on co-curricular and extracurricular activities, creating a wholesome educational experience that caters best to my interests as a learner.

Tshering Sherpa
6th semester student

I have grown tremendously both personally and professionally since joining Thames. I have had opportunities to participate in workshops and conferences which have not only made me confident, but have also harnessed leadership, networking and communication skills in me.

SCHOOL OF SOCIAL SCIENCES

The School of Social Sciences at Thames International College is a leading provider of Social Science Education in Nepal. The school is committed to provide the best educational experience and highest quality research. The education provided by the school is well rounded that prepares students to become dynamic thinkers, who can lead innovation and social change.

- The School, in affiliation with Tribhuvan University, currently offers
- Bachelor of Arts in Journalism, Mass Communication and Sociology
 - Bachelor of Arts in Rural Development and Sociology
 - Bachelor of Arts in Social Work and Rural Development

JOURNALISM, MASS COMMUNICATION AND SOCIOLOGY

With the increase in the number of media outlets, the demand for trained journalists is ever increasing. Moreover, you'll find them practicing strategic communication as they work in advertising, public relations and marketing along with areas such as development, health care, politics and entertainment.

BACHELOR OF ARTS JOURNALISM, MASS COMMUNICATION AND SOCIOLOGY

Thames BA in Journalism, Mass Communication and Sociology is a 3-year (6 semester) program. The program is offered by School of Social Sciences in association with Faculty of Humanities and Social Sciences, Tribhuvan University. GET INTO THAMES

Thames International College seeks bright, capable and motivated students, who are ready to take advantage of the best education that we offer.

As a highly selective institution, we strive to develop the complete picture of all applicants and what they bring to our college. While the applicant's academic performance is the fact considered heavily in the admission process, application, interview, group discussions and entrance tests are also conducted to judge the applicant better.

MINIMUM ENTRANCE REQUIREMENTS

- Applicant should have completed at least 12 years of schooling.
- Applicant should have achieved an average minimum of Second Division in the Intermediate level. Check with our admission team if your grades meet the minimum requirement.
