STUDENTS' VOICE

I'm highly indebted to EA and felt that I've repaid only a portion of it by securing MBBS scholarship from MOE.

Dr. Ram Bishtwas Ray Danuwar

MBBS, MOE (Only candidate from indigenous Danuwar Community, SLC District Topper 85% - Sarlahi)

It is the homely, unique, outstanding and inspiring Management of EA that took me to the international arena.

Sweta Rana

BBA, International Business, Finland.

What I'm now wouldn't be possible if I wasn't groomed and supported in the conducive and effective system of EA.

Ashok Ghimire

Punjab Technical University (MBA)

"Seeing is believing." But believing comes before seeing, which I did, rejoiced and fully satisfied being an Einsteinian.

Sudan Bhandari

SLC 91%, Batch 2065, BDS (ARTS), MBA, DAV College

I am fortunate to be here in EA, where I got every opportunity for my future career development and personal growth. All the staff members are very much concerned in holistic development of students, which makes EA distinct from other Colleges.

Anjali Rai

EA Topper - 79%, 2071, BBS

Stepping in EA is a precious moment in my life. I'm afraid; if I hadn't been here, I would have been missing so many things. This shrine of knowledge has motivated me to envision the shining horizon of my career by unfolding the mystery of life and the Universe.

Sanjaya Shrestha

SLC - 91% - 2067

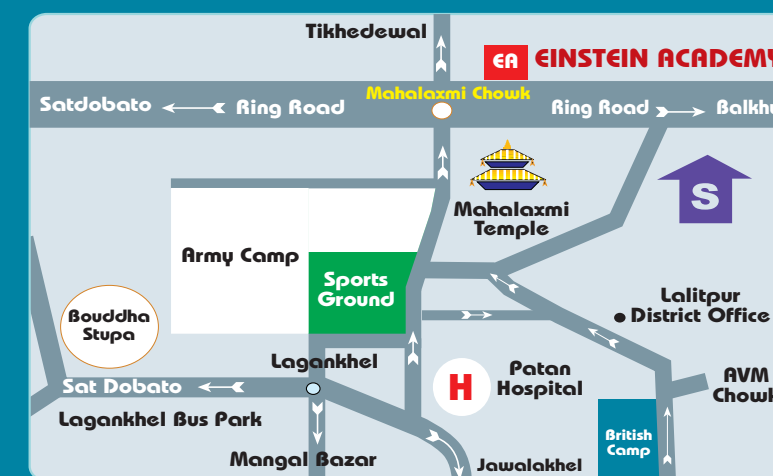

Achievements of our ex-students in higher studies within Nepal and abroad are the true yardsticks of our success.

Top Ten +2, honoured by HSEB, Nepal.

A Step In Einstein, A Great Leap Forward In The Future.

INTRODUCTION

Einstein Academy was established in 2001, as a modern and dynamic educational institution imparting quality education in an affordable and conducive environment. The Academy is founded by Professional Academicians, with many years of working experience in Nepal and abroad, who felt the global standard education within the country. The students are groomed by well-qualified, dynamic and dedicated faculty. A high level integrated modern instructional approach, state of art facilities, high technical standard, academic support service and ample extra co-curricular activities with **unique system** are central to achieve the motto '**EXCELLENCE IS THE GOAL**'. It is affiliated to the **National Examinations Board (NEB)** and **Tribhuvan University (TU)**, Kathmandu, Nepal.

AIMS AND OBJECTIVES

In the new millennium, high quality education is paramount. Einstein Academy has been founded and structured to meet these challenges by moulding the students to the utmost at all levels. So, EA aims:

- ➔ To impart **global standard education** so that students become competent in the global market.
- ➔ To inculcate a sense of **belonging, self-discipline**, and to focus on **holistic development**.
- ➔ To groom into **responsible** and **accountable citizens** of the country, capable of coping with changes in the new millennium.

METHOD OF TEACHING AND EVALUATION SYSTEM

Professional integrated modern approach is applied. **TEACHING WITHOUT TESTING IS NON - PRODUCTIVE**. Orientation classes for teachers and students are held on a regular basis. A continuous year-round cyclic sequence of **Teaching → Evaluation → Feedback → Reinforcement → Teaching** is the loop in our methodology. This helps to achieve **academic excellence** and **professional competence** through the development of **psychomotor** and **cognitive skills**.

Staff Orientation

GUEST / VISITING FACULTY

The College arranges special lectures from distinguished personalities from different walks of life to inspire and assist the students on credit and non-credit courses.
