Message from **Academic Director**

CCS is a progressive learning center having the capacity and enthusiasm for intellectual challenges. We are committed to create welcoming and possibly the best educational environment.

During this phase of vibration, we put in our mind that we do not only provide education for the sake of knowledge but also can teach you the real value of human being. Along with the participatory based classroom activities, CCS offers the students the opportunities for co-curricular participation like music, sports, field visit and many more outdoor activities. Our supportive and friendly professional faculty member can put their effort in individual level from academic achievement through co-curricular participation to enhance for job placement. Hence, students' holistic development is our focus which indicates, we teach our student learn not just study.

CCS equally offers all the opportunities regardless students' status, poverty, differently ability and socially deprived for all the stream from Science, Management, Humanities, Education & Law. So, we can build our students to support the manpower required by the nation and the globe.

Hence, you are cordially invited to become a member of a prestigious college for your bright future to be competent in this competitive world.

Pushpa Raj Bhattarai
Academic Director

Note of the **Campus Chief**

Dear Students, Parents/Guardians and well wishers,

Kathmandu College of Central State is entering into a new phase under the new management team consisting scholars, academician and experienced professionals. Having long history in education, CCS has already emerged as a high quality educational institute.

Moreover, let us reiterate our commitment that we will be putting our utmost effort in carving out a distinct unique position for CCS in educational sector in the nation.

I'm pleased to share with you that we are passionate about grooming not only professionals but also a complete human being inspired by our moto "Knowledge, Wisdom and Humanity". Through student centered pedagogical strategies, our students are well prepared for achieving their goal from excellent life long learning.

Choosing where to continue higher education is a major decision and I believe CCS will be a choice you will not regret if you are ambitious and determined to succeed. Having diverse and friendly learning community, CCS assures that students progress from their starting points and incredibly positive attitude and achieve the success they deserve to create the future they want.

Exciting time is ahead of us and I hope you too choose to be a part of our continue success.

Ramesh Ghimire
Campus Chief

Introduction

College of Central State (CCS) was established in 1988 with a vision of imparting holistic knowledge and contributing in producing able, skilled and professional manpower that the country is in dire need today. In its 30 years' long journey, CCS can boast today in its aspired vision numerous graduates of this academy and college are placed in highly acclaimed positions, within country and abroad.

It has become possible because the CCS has always placed equal emphasis on overall personal nurturing and growth of its students, along with academic development.

Mission/Vision

Life sprouts to be what we plant in the spring. CCS believes in the strength and dynamics of its students who will grow to command the world, if they are properly guided and monitored. By providing needed personal and academic ingredients, CCS believes in producing the globally competent workforce, who will eventually help in making the world a beautiful place to live in for all. Needless to say, it will cater the needed market workforce.

Only the 'Best' and competent can survive and excel in this competitive global market. CCS aims to cater the best and proficient candidate the market seeks. By providing the required environment and care, we believe in materializing our mission of producing the best and competent students.
