Biraj Shrestha (MA, TU, M.Phil. KU)  
 Dept. of Social Work, DMC

Dibyabhum very strictly observes all the syllabi of Bachelor's in Social Work designed by Tribhuvan University so as to meet with the objectives and goals set by the curriculum. Apart from that, the college has given opportunities for the students to excel in multiple subjects like *social entrepreneurship, graphic design, proposal writing, videography, critical writing* and many more. This hidden curriculum of DMC helps the students update themselves with the changing knowledge and ideas, and meet with the demand of job market. I believe the students become competent and confident with multiple experiences after graduating from **Dibyabhum Multiple College**.

Social Work Students visited Alliance Francaise to know about French Culture & Education System of France

Social Work Students participated in tLecture Series on UN SDGs & 2030 Agenda at UNDP in UN House

Hello! It's me Manita Chaulagain, first year student of Social work and Journalism in **Dibyabhum Multiple College**. Being a student of journalism I got an opportunity to do internship in some media houses which have helped me to explore my ideas and creativity. After being a student of journalism and mass Communication, I was inspired to publish my articles in *Nagarik* and *Seto Pati*. It has strengthened my confidence and commitment to establish myself as a freelance writer and columnist. I have been doing my internship in NMEFN under supervision of Dr. Brent Downs and Mr. Christopher Wardle. I would like to thank whole faculty members of Dibyabhum multiple college for their continuous guidance and support. It would not have been possible without their kind support.

Creating Digital and Global Citizens  
 Turning Potential into Excellence !

## Messages From Faculties and Students:

Hello! Namaste everyone !

My name is **Nimlekee Sherpa**, a **BSW** third year student and **President** of Student Council here in **DMC**. Student council is normally formed to address the student's issues and to solve the student problems. We **Dibyabhumians** believe in work, that's why the Students'

Council organizes different pro career programs in order to enhance the professional skills and knowledge. We organize Workshops, conferences, seminars, round table discussions on current and academic issues. The main attraction of our events is that every event has its own theme on which our guest experts share their knowledge and experiences. Regarding my achievement, I have a lot to achieve yet, but as a Dibyabhumian, I have got a lot. I have got a lot of opportunities to volunteer in various organizations working in social sectors.

Apart from this I am working as a **TV journalist** at ABC news television. Recently I have been selected for the member of **US Embassy Youth Council** in Nepal. For all these achievements credit goes to **DMC** as well as all the teachers who have contributed to prepare us in this level.

### Achievements / TU Results:

1. 100% TU exam results secured so far
2. 100% Internship Placement
3. 100% Job Placement Rate

Hello, I am **Rabina**, French language Instructor of DMC. This is the only college of Bachelor in Social Work, which has included United Nations Official Language Classes in Nepal and which teaches French language that we cannot see in any other college of Kathmandu Valley. In my point of view, to know one extra language is vital especially in social work as the students work with people from different linguistic backgrounds. Moreover, since French is an international language and one of the UN official languages, it helps the students a lot in their career.

Welcome in the world of excellence !

Hello! I am **Pranisha Karki** !

Are you looking for a suitable college for your Bachelor's degree? Don't worry. There is **Dibyabhumi**. It guides you to your success point. It has a very pleasant and supportive learning environment where you can learn independently with the support of the dedicated, intelligent and friendly teaching faculty.
