In the heart of Kathmandu is a remarkable destination – KIST. It's a glorious institution which transfigures its students powerfully. Tireless teachers and ever-motivating mentors form an admirable scholastic backdrop. My enthusiasm for learning turned into a passion in a fashion. KIST, with all its inspiration, has become an inevitable part of my life.

Nawadeep Singh Basnet
XI Science – SEE GPA 4

There are some temples of learning, where educators are like parents to us and where progress is striking. This college happens to be one. In my case, I got a mere B+ in SLC, moved up to an A in Grade XII, and finally cracked the BPKIHS entrance examination: Honestly, all because of KIST.

Sahil Niraula
Highest Marks, 3rd Rank, BPKIHS, Dharan

The best thing that students find at KIST is the individualized nature of looking after each one which helps students to develop a positive attitude towards studies and improve their grades substantially. Its cutting-edge infrastructure is most laudable. So, I can confidently say that KIST is the best place to make you into top students.

Keshav Dhami
Scholarship Holder, IOE, Pulchowk

In spite of my great dilemma about which college to choose for further studies post-SEE, I stuck to the motto: At first try all then select the best one. While giving the KIST entrance exam, I was greatly impressed by its locality, facilities, administration, and responsiveness. So, I selected KIST.

Sandesh Gyawali
XI Science Scholarship holder

KIST has a fine study environment with effective teachers who deliver their subject matter clearly and concisely. Importantly, the College promotes close interaction between its extremely supportive teachers and keen students. It provides ample study material, counselling sessions, and inspiring guest lectures which encourages hard work and shapes our future.

Nirav Sapkota
XI Science Topper

Students are more than merely a name or a number here: KIST ensures that every student develops a distinct personality and finds his or her academic or personal or career or life goal. The College has been a safe, fun-filled home during the two most crucial years of my life.

Aryan Rungta
XII Science

KIST has many positive attributes! All you want in a decent, sincere institution is available. Strictness shapes students and builds a sound environment. Knowledgeable, caring teachers ensure we work hard, learn thoroughly, and do our best. Smilingly, I tell others to join KIST because I know success will be theirs!

XI Management

Starting from a splendid building so centrally located yet serene, next to a pond, the College has everything students desire including a graceful study atmosphere. KIST is a golden key that opens the door to our future success: personally, academically, and socially. You'll blossom into a real doer, and topper.

Akchhita Mittal
XII Science

Joining KIST for post-SEE studies was my best decision. It's the best place for those students aspiring to gain quality education, deep knowledge and proper guidance from exceptional professionals. Studying at this college has been an unforgettable experience. I'll never forget their total, ever-present support to me throughout my stay.

Laxmi Sundas
XI Management

Learning and its assimilation are what students expect when they join any academic institution, and KIST creates just the right environment for this to happen by inspiring students and adopting different methods to enhance understanding, learning, and retention. And this effort is what makes KIST a different, and better, college.
