HUMANITIES

Introduction

KMC is a widely known institution for higher education and learning not only in the Kathmandu valley but also across the country and abroad. It has been striving for quality education since its inception in 2000 A.D., and during the last 18 years, it has carved out an enviable niche for itself as one of the leading or top ranking colleges in the country. In other words, the materialization of the motto, 'Academic Excellence Through Quality Education' has been a contributing factor for its steady growth and has been able to attract the studious students seeking for admission to the college.

KMC owes its growing popularity and outstanding performance to its qualified and professionally competent academics and faculty members who possess cutting edge knowledge and skills in their respective disciplines. 100% results in both NEB and TU exams has become possible due to the untiring efforts and the unstinted guidance of dedicated, experienced and sincere teachers representing all faculties in the college. KMC remains committed to pursue its goal of 'Academic Excellence Through Quality Education'.

In fact, the total number of students enrolled in KMC plus two in the Academic Year 2017/2018 was 3300 which is a testimony to the faith of parents/guardians in the quality education of the college. The aim of KMC is to provide quality education at affordable cost, enabling the students to build and improve their career prospects through well designed academic programs and to develop a healthy outlook on life by fostering an atmosphere of intellectual vigour and moral rectitude.

International Relation

Georgia Southwestern State University, USA

Kathmandu Model College (KMC) affiliated to Tribhuvan University, Nepal and Georgia Southwestern State University in the US has recently agreed to promote the cooperation and the advancement of academic and educational exchange programs between the two institutions. An MOU that has been signed to this effect includes- exchange of students, exchange of faculty or staff, special academic program and extend study abroad program. Meritorious students or students with outstanding academic performance will immensely benefit from this program at affordable cost.

Qtec Learning Solutions-UK

In today's world, So skills are important for learners of all age groups in order to better

realize their full potential. QTEC Learning Solutions go beyond the prescribed classroom text books. Adhering to QCF Benchmarks, we ensure that learners are provided sufficient and relevant support and resources so that they will be able to attain their growth and development as individuals in multiple ways. QTEC learning solutions strive to offer the highest quality Soft Skills Qualifications by:

- Developing programmes that are practical and relevant
- Ensuring integrity in maintaining international quality standards
- Supporting teachers to facilitate the growth and development of learners
- Empowering learners in multiple ways so that they are able to maximise personal benefits out of our So Skills programmes
- Assessing learners using methods that will

enable them to express their practical and transferable skills

Mokpo National University, South Korea

KMC has been tied up with MOKPO NATIONAL UNIVERSITY for the exchange of students and teachers between two nations.

Tongren Polytechnic College, China

KMC has signed up with Tongren Polytechnic College for students exchange, faculty and expert exchange, joint research, mutual assistance and services, exchange of information and developments between two nations.

University of Missouri, USA

KMC has signed up with University of Missouri which will encourage the exchange of faculty for joint teaching and research programs.

Message from the Chairman

Being a part of KMSS (Kathmandu Model Secondary School) formerly known as KMC, as a matter of pride and satisfaction, that was established with its motto 'Academic Excellence Through Quality Education' has made dynamic progress in the academic arena during the last 18 years. KMC persists to be a top ranking college all over Nepal in the respective sector and its excellent achievements in various ongoing academic programs especially in +2 Science, Management and Humanities Stream are remarkable.

Due to its exceptional academic achievements, it is proud to receive NEB Excellence Award (Letter of Appreciation) and MOE Educational Award 2074 among the private secondary schools across the country. It receives this award owing to its continuous emphasis on team work, discipline, dedication and devotion to duty as well as the academic par excellence. Because of these positive aspects, the students graduated from KMC have been awarded scholarships for higher education in medicine, engineering and many other academic fields.

I deem it a great privilege to invite all prospective fresh SEE graduates to be a part of KMC family under KMC Educational Network. Our state- of- the-art infrastructure and highly accomplished faculty with rich industry experience ensure that you embark on a global career leaving a blazing trail of success. I assure you that KMC provides you a plethora of unparalleled opportunities to experience the joy of learning, the wonders of new knowledge and help unearth your limitless potential and capabilities.

KMC focuses on the participation of the newcomers in its academic programs to feel comfortable and adjust with the college environment and get the best possible education. Have a visit to KMC and feel good to get good education. Be the yardstick of quality, soak in the spirit of learning that KMC imbibes and take your career dreams to the next level.

Mr. Bishnu Prasad Sharma
Chairman

Proud Moment

KMC is honoured by prestigious Educational Award 2074 by the Ministry of Education, Nepal for its outstanding results in Grade XII among private schools of Nepal.

Goals & Achievements

GOALS

- ▮ To impart sound professional training and knowledge to students and to inculcate in them time-tested values and responsibilities as good citizens of the country.
- ▮ To strengthen students' capacity to cope with all kinds of challenging situations.
- ▮ To foster all round development of students through curricular and extra-curricular programs.
- ▮ To motivate students to become self-reliant and promote harmonious relations through unity and interaction among multi-cultural, multi-religious, multi-lingual, and multi ethnic groups.
- ▮ To motivate students to strive for and attain academic and professional excellence.

Achievements

- ▮ KMC has been honoured by Educational Award 2074 by Ministry of Education for its outstanding results.
- ▮ An institution with a difference in maintaining discipline and academic standards for the last eighteen years.
- ▮ Nationwide outstanding results at +2 level in Science Management and Humanities (up to 100%)
- ▮ A visionary plan to get converted into a university (an institution running classes from Play Group to Master's Degree).
- ▮ Producing such students who not only Secure their place at IOM, IOE, MOE, CA and other reputed institutions with scholarship but also easily get accepted at prestigious universities in such countries as USA, UK, Australia and Japan.

Academic Programs

NEB Program

SCIENCE

The +2 science program at KMC is distinct in many aspects. The program is equipped with modern practical labs, renowned and experienced faculties, efficient administration and excellent results in the past.

MANAGEMENT

The +2 program in management is equally sound in terms of its physical resources, human resources and academic results. This program facilitated by highly professional teachers, encourages plenty of extra curricular activities with regular evaluation system and a high degree of discipline.

HUMANITIES & LAW

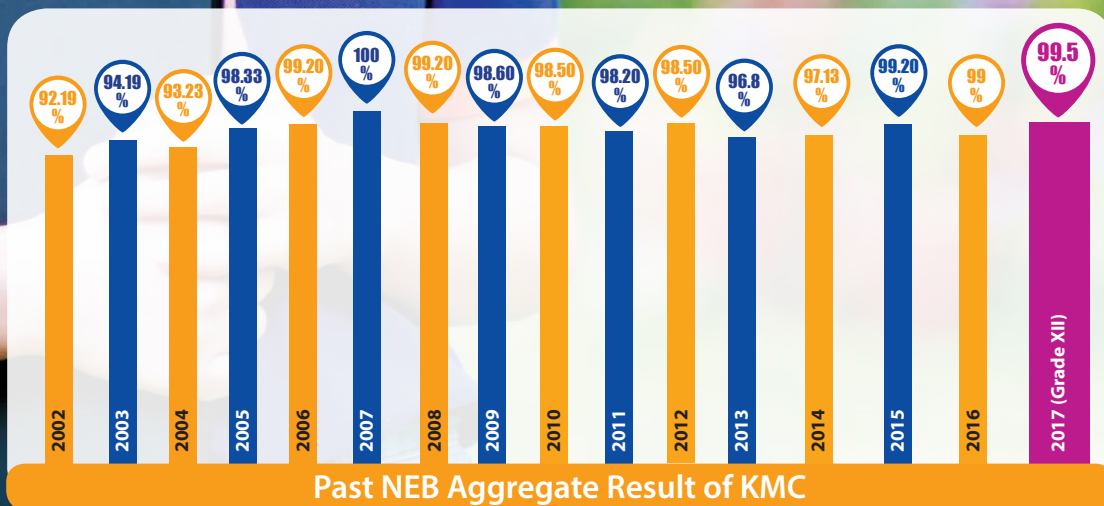

KMC also offers you +2 courses in the Faculty of Humanities. This program is facilitated by highly professional teachers. Faculty of Law has been running in KMC National Secondary School, Lalitpur.

STREAM	CLASS	COMPULSORY SUBJECT	OPTIONAL SUBJECT (Any One)	TIME

Humanities	XI	English, Nepali, Major English, Mass Communication, Sociology		Morning (6:20 AM -11:00 AM)
Humanities	XII	English, Rural Economics, Major English, Mass Communication, Sociology		

Results

KMC has been striving for quality education since its inception in 2000 AD. During the last eighteen years, it has carved out an enviable niche for itself as one of the leading and top ranking school in the country. The school is awarded with a letter of appreciation as one of the best schools by NEB. KMC not only achieves higher percentage in NEB results but also produces quality students who are selected for MBBS, BE, CA and other disciplines. In the academic year 2017, KMC students got full scholarships under different programs as given below:

MBBS	16
BE	36
CA FOUNDATION	7
B.SC. AG AND VET.	25
BDS	2

Excellent Management @ KMC

The Faculty of Management at KMC has made us feel proud through their outstanding result in NEB examinations every year. It is all due to its excellent learning environment, proper care, well experienced faculty and their team work that have really facilitated to give an outlet to true caliber of the students.

The faculty incorporates modern teaching methodologies in teaching by understanding the Management students' need. Rather than imposing the lofty ideas through lectures, the students are encouraged in group work, pair work and researches so that they could learn by doing.

Besides academic excellence, KMC conducts a number of ECA programmes so as to explore and promote the students' hidden talents. In order to make the teaching-learning process more practical and effective, KMC organizes frequent industrial and field visits and excursions as well. Similarly, the college encourages the students to take part in researches and presentations so that they could express themselves.

A great number of pass out KMCians at various reputed universities in and out of the country mirror the paradigm of its "Academic Excellence through Quality Education".

Success is what one desires in his life but it is a daunting task to reach on the zenith of success. One has to face numerous obstacles, challenges and competitions to scale the pinnacle of it. KMC has given me numerous opportunities that I know I would not have been able to get otherwise. It has given me confidence and taught me to never stop yearning for knowledge. What I have achieved today is not accomplished all by myself. It is KMC that has pushed me to realize my full potential. The best aspect about KMC is the excellent and above all passionate students and experienced faculty members who provide you with good and proper academic knowledge and guidance. The administration and management are also fully cooperative and supportive here. I got all the support I needed at KMC. It gives me immense pleasure to say with pride that I have completed my +2 from KMC. So, choosing KMC to pursue your higher secondary education will definitely be your right decision.

- >> **AAMA DIL KUMARI AWARD** of Rs. 5,001/- cash along with a Trophy, established by Mr. Lank Bahadur K.C., Founder, will be awarded to one of the girl students of KMC, scoring the highest marks in NEB Exam of XI.
- >> **AAMA MAYADEVI AWARD** of Rs. 5,001/- cash along with a Trophy, established by Mr. Dhruba Bhattarai, Founder Director of KMC, will be awarded to the girl's topper student of Management in NEB Exam of grade XI.

Research and Presentation

Research helps students to identify real solutions of problems. It also helps them to come up with innovative ideas and conclusions. Presentation helps to communicate those findings of the research. It boosts public speaking experience and deepens one's own understanding. It boosts confidence and provides valuable feedback for exploration of own's own strength.

Students of Management should present their research in individual or in group. KMC provides well equipped seminar hall and well experienced human resource to boost presentation skills to our students. Students of Science present their curricular topics in regular interval.

Counseling Programs

Philosophy

KMC views counseling as an essential service. Our philosophy is based on the belief that each student is a unique individual with specific needs. We also recognize the importance of supporting the positive growth of each individual in the academic field, social/emotional issues, and future career planning. We have found that a guidance program like ours plays a key role in meeting these needs and personal development.

Curriculum

Both classroom and individual counselling sessions are available at each grade level. The curriculum incorporates self-awareness, guidance, decision-making and problem-solving strategies, presentations on academic course selections and planning, registration information, college and career planning guidance.

Support Services

This includes counselling and guidance presentations/activities to meet the needs and concerns of the students, parents, faculty, and staff members. Individual or group counseling ranges from problem solving issues to crisis counseling which could include mental health services.

Individual Motivation and Planning

This assists students with academic and career planning. The Life Skills class is supportive in preparing students for transition issues and independent living.

System Support

Throughout the school year there are activities, presentations, and services for students aimed at giving support to the Guidance and Counseling Program goals. Peer tutoring, orientations, staff development, parent conferences, special services, and student activities are all examples of such planned student outreach.

Facilities

HOSTELS

KMC provides separate hostel facilities for girls and boys, including hygienic food, intensive care, study support, sports and entertainment.

CAFETERIA

The college cafeteria serves healthy meals and snacks to students and staff members at reasonable prices.

SPORTS AND CO CURRICULAR

Sports at KMC break the students' monotony from regular classes. The college avails basket ball, table tennis, chess and badminton to students during the break time. KMC conducts extracurricular and co-curricular activities so that the hidden potential of students could be harnessed

LABORATORIES

KMC has sophisticated and well outfitted modern laboratories to retain practical know-how to the students and strengthen their understanding horizon. It has separate physics, chemistry, zoology and botany labs.

Similarly, the computer labs at KMC are well organized and well equipped with cutting edge computers with latest software and technologies having unlimited internet access. The teachers take utmost care to provide every student with firsthand knowledge of Computer Science.

SECURITY

Safeguarding the well being of all students and staff is a prime concern of the plus two colleges these days. KMC employs twenty four hour security system by professional, well trained and alert security personnel who are dedicated to provide a safe, peaceful campus for students' enjoyment and an environment conducive to academic endeavors. In addition, there are security cameras to help maintain safety and to discourage bully and misbehavior of students in the school premises.

HEALTH CARE

KMC provides health care and medical emergencies to the students as and when considered necessary. The Medical Room is well equipped to provide First Aid to the injured and ill students. The school also has a full time nurse to cater to the needs of the sick. There are separate sickrooms for girls and boys. KMC also conduct regular health camps.

LIBRARY

The school provides updated and rich library to facilitate the teaching-learning process. It has a wide collection of books, periodicals, videos and CD-ROMs, e-library. It also provides updated medical and engineering entrance preparation books and other materials.

SEMINAR HALL

The college has two well equipped seminar halls with the capacity of 200 seats for different kinds of interaction programmes, presentation to boost up confidence level of student, trainings and workshop.

EXTRA CURRICULAR ACTIVITIES

No doubt, classroom teaching is of utmost important, yet for aesthetic development, character enrichment, spiritual and physical growth, co-curricular and extracurricular activities are equally pertinent. Sometimes, learning-teaching become monotonous; this can be changed into pleasant atmosphere by participating in extra-curricular activities. Co-curricular Activity plays vital role in shaping the life of students. Through co-scholastic activities, the students not only learn life skills but also take up social and community responsibilities enthusiastically. Throughout the academic year, KMC conducts following extracurricular and co-curricular activities

- Social awareness
- Debate and quiz competition
- Cultural programs
- National writing and Debate Competition
- Organize industrial visits, Hiking and excursion
- Sports
- Art competition
- Mr. & Miss KMC
- Singing & Dance competition
- Presentation competition
- Chess and Poem competition
- Writing and Publishing

KMC @ Lalitpur

Balkumari, Lalitpur, Tel: **5201331, 5201334**

PROGRAM

+2 SCIENCE MANAGEMENT HUMANITIES LAW

KMC also has its plus two unit at Balkumari Lalitpur in the name of NATIONAL HSS. NATIONAL is owned by Kathmandu Model College in the year 2013. With the proactive presence and support of KMC and its qualified, dedicated management team and faculties NATIONAL HSS aims at achieving excellence in the academic arena. NATIONAL is integrated part of KMC, so the same academic calendar is implemented.

NATIONAL feels proud of its own buildings having unique design of its main premises that has remained as a symbol of our commitment to the innovation in the field of education. The squat box-like building and the signature blue framework are elements of pure architectural bliss, making you forget the eyesore right outside the walls. Apart from its aesthetic pleasure the building is designed as High Earthquake-Resistant. Our Classrooms and labs are wide and spacious, equipped with sufficient modern teaching-learning aids.

KMC Educational

Kathmandu Model College (KMC), established in 2000, has its own educational network which consists of the Secondary School and Bachelor Level Programs such as +2, BBA, BSW, BBS, BHM and BA. The network also runs many other academic programs such as MA (English), MBS and KMC School that runs classes from playgroup to class X. Since May 2007, Himalaya College of Engineering, affiliated to TU, has come under the umbrella of KMC network, and New Summit College has also come under its network. In a few years of time, KMC has become a top ranking college in the nation. Besides KMSS Bagbazar, there are 11 different academic institutions.

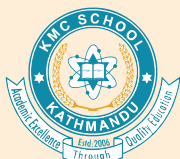

Kathmandu Model College

(Affiliated to TU)
Balkumari, Kathmandu

Kathmandu Model College (KMC), established in 2000 in Bagbazar/Balkumari, has carved out for itself an enviable niche at the summit of the best colleges in the country. KMC, in course of its decade long academic odyssey, has earned its place of pride through the vision and dedication of a team of academics and professionals.

KMC reaffirms its determination to build on the achievement of recent excellent performance in the form of 100% success in Humanities, Science and Management. The growing number of students every year reveals our popularity and reputation. Our Bachelor's Level programs such as BBA, BBS and BA and Master's Degree (MA) in English and MBS have inspired us to work for better quality education to meet the challenges of the twenty first century.

KMC School

Buddhanagar, Kathmandu

KMC School established in 2006 is a junior wing of Kathmandu Model College. Within twelve years of establishment, it has proved its academic excellence. The SLC result is up to 100% distinction.

The school located at Buddhanagar, New Baneshwor, occupies open space about 15 ropanies of land and greeneries around it. It lies at a peaceful location away from the population, which helps the children to broaden the mental horizon in open and fresh surroundings. About 1250 students have been studying from play group to Class X.

KMC School is committed to academic excellence. The school is dedicated to maintain the academic environment with the help of outstanding faculty.

Himalaya College of Engineering

(Affiliated to Tribhuvan University)
Chyasal, Lalitpur

Himalaya College of Engineering (HCOE) is affiliated to Tribhuvan University (TU), Nepal. Established in June 2000 AD, it is producing qualified engineers who are the backbone of development of the nation. The aim of the College is to provide quality engineering education and produce competent engineering graduates. The bachelor of engineering of the Institute of Engineering (IOE), TU being implemented in the College are in Computer, Electronics and Communication, and Civil and Bachelor of architecture, and B Sc in Computer Science and Information Technology (BSc CSIT) of Institute of Science and Technology. The college has been managed by a strong team of professionals and academicians who possess enough experience in educational networks for a long time. The College has been associated with KMC Educational Network since May 2007. The College is located at Chyasal, Lalitpur which is an easy access from all direction.

Kathmandu Model Research Foundation (KMRF)

Bagbazar, Kathmandu

Kathmandu Model Research Foundation (KMRF) is a not-for-profit distribution research institution promoted by KMC Educational Network and Nepalese research scholars in 2008 aiming to promote research culture in educational institutions in particular, and in other institutions, in general.

It focuses on faculty development, promotion of student-centric teaching-learning process, knowledge creation, knowledge advocacy, community development and information dissemination through publication and training.

New Summit College

(Affiliated to TU)

Shantinagar, Kathmandu

New Summit College is a well-established educational institution in the prime location of Kathmandu city. It is run as an associate of KMC Educational Network, with a team of young and dynamic educators, consisting of scholars, educationalists and professionals. NSC was established in 1998 with higher secondary programs in Science, Management and Humanities. The College has successfully marked its glorious academic history of 18 years. Currently the college has four different academic programs in operation. It runs Bachelor's Level programs such as BSc, CSIT and BBS (affiliated to Tribhuvan University).

New Summit Secondary School

Maitidevi, Kathmandu

New Summit School was established in 1997 as a full-time, special purpose, co-educational school offering classes for students in Kindergarten to 12th grade in Science and Management. Although New Summit School (NSS) is designed similarly to traditional schools, emphasis is placed on keeping instructional groups small and teaching to the individual student in a positive and stimulating environment. NSS is committed to an educational philosophy that considers the diverse needs of today's students and families. Our goal is to promote academic achievement and social growth within an environment enriched by economic and ethnic diversity.

Network

Butwal Model College

*(Affiliated to Pokhara University)
Padsari, Rupandehi*

Butwal Model College was established in the year 2009 with affiliation from Pokhara University. It is the first affiliated college, for MPGD course. This program was launched under tripartite agreement between UNFPA, Government of Nepal and Pokhara University to produce development professionals with a sound knowledge about cross cutting issues of population, gender and development. The college launched BBA and BHM program under the same affiliation to produce the management professionals in the country.

UNIVERSAL College *(Affiliated to Tribhuvan University)*

Universal College

Shantinagar, Kathmandu

Universal College was established in the year 1997 AD. It conducts BBA, BBS, BA and MA (English) affiliated to Tribhuvan University. Universal college comes under the management of KMC Educational Network in 2017.

It provides a solid foundation to help students build and promote their careers in their respective disciplines, the college team has tried hard to encourage students to explore and develop their potential by giving emphasis on critical thinking, communicative skills, collaborations, creativity and use of technology. Special focus is given on learning by doing through seminars, workshops, presentations, group discussions, project works, educational tours etc. Every year UC admits a limited number of students in Science, Management and Humanities.

National Secondary School

Balkumari, Lalitpur

National SS started its academic venture in 1997 under the name of 'National Campus'.

NATIONAL is owned by Kathmandu Model College in the year 2013. With the proactive presence and support of KMC and its qualified, dedicated management team and faculties NATIONAL SS aims at achieving excellence in the academic arena. National runs plus two program in Science, Management and Humanities following the same academic calendar of Kathmandu Model Secondary School.

Marvellous School

Maitidavi, Kathmandu

It is a junior wing of Universal College. It conducts classes from play group to class 10.

Managed by a highly skillful, well experienced and smart Coordinator, with carefully selected teaching apparatus, plenty of playing materials and space, swimming pool facility, inspiring classrooms, trained teacher shall help our children learn systematically, logically and creatively.

It emphasizes on independence, freedom within limits, and respects for a child's natural, psychological, physical, and social development. Everything is designed to enhance each child's natural inquisitiveness and desire to learn. The curriculum is designed to nurture cognitive, emotional and social skills during their highly impressionable years. Montessori educational practices help children develop creativity, problem solving and critical thinking skills and prepare them to contribute to the society and to become fulfilled persons right from the beginning.

It comes under the management of KMC Educational Network in 2017.

Apollo International College

*(Affiliated to Pokhara University)
New Baneshwor, Kathmandu*

Apollo International College (AIC) established in 2010 AD right in the heart of the capital city-New Baneshwor has its Bachelor of business Administration BBA program affiliated to Pokhara University. AIC is designed to produce professional managers with sound conceptual foundation and practical skills in various areas of business. It has been managed by a strong team of professionals and academics who possess valuable experience in educational networks.

AIC has been starting its BBA and BHM program in affiliation with PU since 2010 A.D. The college is committed to giving a student-focused quality education so that our students can meet the global demands

Academic Excellence through Quality Education
