

Academic Excellence Through Quality Education

**KATHMANDU
MODEL COLLEGE**
(Affiliated to Tribhuvan University)

Message from the Director

Dear Guardians and Students,

I'd like to take this opportunity to thank our students, parents, faculties, administrative members and well-wishers for helping KMC to reach this level of academic excellence.

It's our pride that KMC, which was founded in the year 2003 with a vision and mission, has continued to make progress during last fourteen years. Now it has been developed as one of the leading educational networks in Nepal, catering quality education right from the Pre-primary level to Master Level. We still have to go a long way.

It is our firm conviction that KMC will go ahead with determination to achieve its mission of imparting quality education to all the new and aspiring students. In order to stand out in the competitive environment, we are determined to provide the best atmosphere for teaching learning activities incorporating all the physical facilities and extracurricular activities.

We believe that the private sector can contribute in the field of education providing something extra to the students which is not available in other competitive educational institutions. So, we are providing the relevant extra courses along with the course curriculum of Tribhuvan University which certainly helps to step our student be in the front line of market competition. I encourage all the interested students to join KMC and be a part of success story.

Kishor Gautam

Director

Message from the Principal

Dear Students,
Greetings from KMC.

I'd like to welcome you as a member of our community which is built up on the basis of four-pillar foundation; students, teachers, guardians and college-management. The strength of this partnership is reflected through success story of our students.

Over the last decades, the corporate world has felt an escalating need for capable and efficient people both at home and abroad. Society cries out for dynamic social entrepreneur to spearhead the causes of burning social issues. Realizing these facts, KMC from its inception has given equal importance to theoretical and practical aspect of learning by providing real life learning environment.

Besides producing competent human resources for market, the college gives equal emphasis to develop entrepreneurship skill so that our graduates can innovate and contribute in creating job market for others too.

KMC's outstanding performance in diverse streams has been also possible by its qualified and competent teachers, co-operative administrative staffs and the promoting team members of KMC who are academically sound and have proven track-record of educational entrepreneurship in running other sister-organizations under KMC Educational Network too. We are also partnering with different national and international institutions and social/corporate sectors who facilitate in bridging the gap between academia and industry.

Our endeavors are always dedicated to bringing out the best from our students by availing congenial learning environment. On behalf of the management and academic team of the college, I assure you that the college will provide best academic environment in Nepal.

Surendra Subedi
Principal

About

Kathmandu Model College (KMC), established in 2003 AD, has carved out for itself an enviable niche among the best colleges in the country. KMC has been able to earn its place of pride through the vision and dedication of a team of academic professionals who have promoted it. It is also possible because of the skill of its panel of qualified teachers who possess sound knowledge in their fields and, above all, the brilliance of its students whose outstanding performance has been consistent during the last fourteen years. The growing number of students every year, despite our selective approach to their admission into the college, testifies to our popularity and reputation. It's a matter of pride that KMC is growing like a luxuriant tree under the cooperative and responsive management team, which is always devoted towards maintaining academic excellence. Our remarkable success has been reflected not only in university level but also in school and 10+2 level.

KMC owes its growing popularity and outstanding performance to its qualified and professionally competent faculty members who possess cutting edge knowledge and skills in their respective disciplines. 100% results in TU exams has become possible due to the untiring efforts and the unstinted guidance of competent and experienced teachers in discharging their duties with full professional integrity and sincerity.

KMC is committed to maintain its top ranking position in educational institutions in the private sector. Its achievements as reflected in various ongoing academic programs starting from Pre-Primary to Masters Level validate our claim. The remarkable success in running School, Higher Secondary School in Science, Management & Law; Bachelor Level in BBA, BA, BBS, BSW, BE in Civil, Computer, Electronics & Communication, BSc CSIT B Arch and Masters Level program in MA (English) and MBS reflects its strength in academic arena. Beyond pure academic program, KMC is also focusing on research and development by establishing separate wing named Kathmandu Model Research Foundation (KMRF).

Vision

To develop itself as the Center of Academic Excellence.

Mission

To provide quality education in Management, Humanities and Social Sciences encouraging students to compete successfully in the discipline of their choice.

Goals

- To provide sound professional education to students in order to enable them to share values and responsibilities in the learning process.
- To make students responsive to all challenges arising from and relating to academic environment.
- To admit students with competence and motivation in order to enable them to strive for academic and professional excellence.
- To foster all round development of students through both curricular and extra-curricular, programme and activities.

Arpan Upadhyaya
Program Director, BBA

BBA Programme

Overview and Objectives

This program is designed for students who are intending to gain a strong background across the broad scope of the main business and organization functional areas. It provides rigorous and flexible course structure where the graduates learn the skills in analysis, creative thinking and problem solving. Students' focus on a theoretical understanding of management helps in the practical application of knowledge to business functions and ability to lead and communicate with others.

Successful completion of this program will give students the foundation, knowledge and skills to:

- Understand and develop the conceptual frameworks and skills of critical analysis applicable to entrepreneurial operations in a global economy
- Critically evaluate the individual's potential to serve the business needs of local, national and global enterprises
- Develop leadership qualities and the capacity to work cooperatively

- Become familiar with the knowledge of the core disciplines of business
- Recognize the threats and opportunities of global market in local business
- Understand and have a commitment to ethical practice
- Work independently and systematically to apply students' the learning requirements of the workplace

Career Opportunities

BBA will provide you with a fundamental knowledge of banking, finance, and marketing and allow you to keep your options wide open in the area of business. The flexibility of this program leads to a diverse range of career opportunities where students choose to add breadth to their studies, with a wide variety of electives chosen. You will be prepared for roles in businesses that range from small startup enterprises to large firms and for self-employment. On completion of this program, students will be able to work in a range of business settings, particularly where environments are dynamic and complex.

Learning Process

At KMC, we adopt the participatory method of teaching and learning which demands rigorous participation from both the students and teachers. A careful blend of the traditional classroom learning with more contemporary tools and techniques of learning is key to increase overall learning efficiency. KMC has a team of dedicated faculty members with diverse academic research backgrounds to deliberate upon and deal with academic issues. They enable to simplify and generalize the complex matter with the help of proven teaching approaches. The Major methods of learning process being used at KMC are the following:

Group Discussion

According to the subject demand, group discussions among students are organized frequently so that diverse ideas are shared. This makes the whole process of learning fun, stimulating and meaningful.

Class Participation

Inquisitiveness is highly appreciated at KMC. While students are encouraged to put forward their queries and doubts without hesitation, they are likely to face surprise tests and pop quizzes to test their awareness and focus.

Guest Lectures

Leading personalities and authorities and experts from various fields are regularly invited to speak to students on a variety of subjects and share from their storehouse of experience and knowledge. These activities inspire students towards professionalism and enabled them to take initiatives in life.

Audio-Video Aids

Each classroom has multimedia access. Audio visual and other teaching aids are used where required to ensure effective learning.

Project and Presentation

Students are assigned projects relevant to the course requirement. Project works are always highly demanding as students need to demonstrate their ability to experiment, manage time and practice presentation skills.

Field Trips and Excursions

As we all know, students need to experience the application of their knowledge in the real world and also get some time off from the monotony of classroom learning. Therefore, we at KMC frequently organize field trips to enhance practical learning.

Support Services

Center for Industry Interaction (CII)

One of the major challenges of today's education is the need to constantly innovate and adapt to the changing requirements of industry. The center for Industry Interaction provides an interface between academics and the industry through interactive sessions. Leading practitioners from diverse industry backgrounds share their insights at these interactive sessions with students.

Scholarship

Scholarships are available in limited numbers for deserving candidates whose performance during previous year/semester meets the eligibility criteria. Scholarship will be granted on the basis of a student's result and his/her economic status and overall evaluation.

Computer Lab

KMC is well-equipped with the state of art technology. It has a well-managed computer lab and also equipped with multimedia facilities with two power point projectors and two laptops for class room teaching. We have been using the facility of multimedia in our classroom teaching. 24 hour-internet facility is available for students and faculties.

Canteen

The college canteen serves healthy and hygienic food and beverage at reasonable price throughout the day.

Counseling

Counseling service is offered by KMC to students to select academic programmes and for career planning.

Library

KMC has a very sound library facility. The text book section of the library is quite rich to serve the demand of the ever increasing number of students. Reference section of the library is equally strong with the availability of widely referred books in the field of management and social sciences. The availability of selected journals, study reports, audio video CDs and other reference materials has added value in our library and documentation centre.

Sports

KMC arranges various games including Table Tennis, Badminton, Basketball, Chess, Football, and Cricket to reenergize the teaching-learning activities.

Student Service

Knowledge Assimilation Group

KAG is formal discussion group where students bring up their ideas, and solve various problems on current issues. The KAG members conduct this discussion programme every Monday from 10 AM to 11 AM under KMC premises. The ideal theme of this discussion panel is to inspire and nurture the students to grow the skills of public speaking, presentation and be updated with current events happening all over the world. This sort of discussion has been the great deal of learning for every students of KMC.

Corporate Interface Team

In this 21st century only having good grades in hand is not enough: We have to learn, develop some skills and experience. To fulfill those gaps Corporate Interface Team (CIT) was formed with a mission to train some professionalism attitude and Event Management Techniques to the student. CIT Member deals with guest speaker and provides them good hospitality. CIT members take part and represent various seminars, events outside the college. CIT helps to develop a network chain with students and teachers which help to cooperate each of them.

Student Welfare Committee

The primary objective of the SWC is to address and effectively solve various student related matters. This committee act as the bridge between students and authorities. The committee has to maintain a balance between student's demands/problems and feasibility of solution provided by authorities. SWC involves the students of KMC in activities that are related to social awareness and personal development and also to project the institute as a socially responsible one. These events and drives not only prove to be rewarding experiences to students but also makes humble as human beings.

Cultural Committee

This committee organizes various events during the academic year including Teacher's Day celebration, Farewell Program, Saraswati Puja celebration and different cultural competitions. There are bunch of motivated students who believe that a college should have its equal share of fun along with academic studies. Cultural committee is an attempt to offer platform to showcase student as musicians, dancers, writers and many more. It requires a lot of effort and planning to make sure that every event last in the memory for a life time.

Sports Committee

The Sports Committee organizes a grand array of events during the course of the every academic year. Every events are conducted successfully with the aim of bringing out the best in people, inculcating a sense of team-spirit and building bonds that last beyond the field.

The Committee conducts the events that not only fostered a strong relationship between the juniors and the seniors but also bring to everyone's notice the sheer talent that the budding managers of KMC possess. The team organizes events as well as represents KMC, at events organized by other institutions.

Activities

at KMC

Achievements

- Achieved outstanding results in all streams of Management, Humanities and Social Sciences (up to 100%)
- Recognized as an institution with a difference in maintaining discipline and academic standard for the last seventeen years.
- Succeeded in gaining recognition at national and international levels.
