Merryland College Biratnagar is the first college to offer UK university degree in Eastern Nepal. It is best known for its excellence in teaching and career prospects. This is a perfect place for you to begin your higher education and career.

Message from The CEO

Welcome to Merryland College Biratnagar, the first UK University College in Eastern Nepal offering globally renowned and internationally recognised Business Degree Programme. We deliver BA (Hons) in International Business Management in partnership with the University of Wolverhampton, UK, and iAcademy, New Zealand, to produce global business leaders. Merryland College Biratnagar was established with an objective to provide an affordable international education in Biratnagar whilst maintaining high academic excellence and student satisfaction.

At Merryland, we not only encourage a high-level learning but also actively involve students in cutting-edge research activities, expose them to new challenges and produce individuals capable of facing and resolving tough challenges in the real world. In a span of four years, the college has been able to successfully instil innovation and entrepreneurship among students through our education. We are proud to share that our students have started their own businesses - Prashiksha Enterprises, Jay Shree Trade Suppliers, Paradise Sweets and Snacks, Happily Baked, Jutta Bazaar, etc to name a few.

Our students graduate as professionals. We embed employability and entrepreneurship into our curriculum, through practice-based learning, links with industry and internship opportunities. This enables you to create your own network and gain career experience while you complete your course.

The Merryland experience is more than just a degree. It is a journey towards becoming an independent professional and entrepreneurial global citizen, fully prepared to meet your future with confidence.

iAcademy is a social education entrepreneurship which brings internationally recognized tertiary education to developing countries in Asia. Led by two Cambridge Graduates – Dr. Benson Soong (PhD in Education) and Mr. Kelvin Ng (MBA) who passionately believe that education is the best social leveler, they carry out their mission by working closely with selected local educational partners and internationally-recognized universities, and this tripartite relationship often brings about real and impactful educational change in the communities they operate in. Additionally, iAcademy gives back to the communities in which they operate in. For example, iAcademy is a corporate sponsorship and patron of Kathmandu-based Aayam Nepal Children's Home, a government social-welfare registered orphanage.

We will help you reach your academic potential and gain the knowledge and skills you need for a successful career in direct partnership with University of Wolverhampton, UK.

Teaching That Takes You Forward

Merryland College Biratnagar adopts a unique learning approach, L-T-W (Lecture, Tutorial and Workshop).

Lectures are formal sessions and a starting point where a student gets detailed information on a specific topic.

Tutorials are small classes where students discuss and perform various tutorial activities on topics covered in lectures.

Workshop provides a space for students to practically implement their theoretical knowledge through presentations, market research activities, report writing and research works.

At Merryland College Biratnagar, we combine knowledge with practical skills for a wholesome education where you will be learning by doing. The classroom discussions, projects and assessments actively engage our students in posing questions, solving problems, being creative, constructing meanings, taking initiative, making decisions, being accountable for results and subsequently becoming leaders.

“

We make sure you get the support and guidance that you need to succeed and develop both skills and confidence.

Merryland College Biratnagar provides great opportunities for new experiences and build your career.
