KMC a Glorious History

KMC is the widely known institution for quality education and learning in the valley, across the country and abroad. It has been striving for quality education since its inception in 2000 A.D. Over the last 17 years, it has carved out an enviable niche for itself as one of the leading and top ranking colleges in the country.

The motto of KMC, 'Academic Excellence Through Quality Education', has become a contributing factor for its steady growth and it has been able to attract the studious students.

KMC owes its growing popularity and outstanding performance to its qualified and professionally competent faculty members who possess cutting edge knowledge and skills in their respective disciplines. 100% results in both NEB and TU exams has become possible due to the untiring efforts and the unstinted guidance of competent and experienced teachers

in discharging their duties with full professional integrity and sincerity.

KMC is committed to maintain its top ranking position in educational institutions in the private sector. Its achievements as reflected in various ongoing academic programs starting from Pre-Primary to Masters Level validate our claim. The remarkable success in running School, +2 in Science, Management, Humanities and Law; Bachelor Level in BBA, BA, BBS, BSW, BE in Civil, Computer, Electronics & Communication, BSc CSIT B Arch and Masters Level program in MA (English) and MBS reflects its strength in academic arena. Beyond pure academic program, KMC is also offering CA program and has established research wing named KMRF too.

KMC is proud to have received NEB Excellence Award (Letter of Appreciation) for having achieved outstanding result among over 3600 Higher Secondary Schools in the country. It is because of the emphasis of the college on quality education that a good number of students graduating from KMC have been selected and awarded scholarships for higher studies in medicine, engineering and other technical and professional programs.

Message from the Principal

Dear Students,

Congratulations on your success in the SEE examination! We are here to offer you the world class holistic education by combining up the NEB Syllabus with other supplementary courses in teaching learning pedagogy.

We seek to instill a passion for learning in our students by infusing ethics and values, combined with knowledge and understanding, for a positive contribution to society. We promote high academic standards and expect discipline, decency and devotion from our students too. Equally, we believe in constructive and constant participation from our guardians too.

The teaching faculty comprises highly qualified, well experienced and hard working educators who work ceaselessly to shape the future of students. We conduct regular and

periodic Tests and Examinations to impart competitive skills to the students. We value the individual differences of the students and treat them accordingly.

Choosing the right educational institute is a life changing decision. NATIONAL, with its high quality pedagogy, ensures that students will yield a positive return on their investment.

We have a dream wherein NATIONAL and the products of it are rated as the best in the country for academic brilliance and sense of social responsibility.

You are welcome to NATIONAL to fulfill this dream.

A handwritten signature in black ink, which appears to read 'Surendra Subedi'.

- Surendra Subedi

International Collaboration

Georgia Southwestern State University, USA

Kathmandu Model College (KMC) affiliated to Tribhuvan University, Nepal and Georgia Southwestern State University in the US has recently agreed to promote the cooperation and the advancement of academic and educational exchange programs between the two institutions. An MOU that has been signed to this effect includes-exchange of students, exchange of faculty or staff, special academic program and extend study abroad program. Meritorious students or students with outstanding academic performance will immensely benefit from this program at affordable cost.

Qtec Learning Solutions-UK

In today's world, So skills are important for learners of all age groups in order to better realize their full potential. QTEC Learning Solutions go beyond the prescribed classroom text books. Adhering to QCF Benchmarks, we ensure that learners are provided sufficient and relevant support and resources so that they will be able to attain their growth and development as individuals in multiple ways. QTEC learning solutions strive to offer the highest quality

Stony Brook University, New York, USA

KMC has recently signed an MOU with Stony Brook University, New York, USA to collaborate and promote the research activities, enhance academic services and develop academic excellence by faculty development

Mokpo National University, South Korea

KMC has been tied up with MOKPO NATIONAL UNIVERSITY for the exchange of students and teachers between two nations.

Tongren Polytechnic College, China

KMC has signed up with Tongren Polytechnic College for students exchange, faculty and expert exchange, joint research, mutual assistance and services, exchange of information and developments between two nations.

University of Missouri, USA

KMC has signed up with University of Missouri which will encourage the exchange of faculty for joint teaching and research programs.

Welcome to National

NATIONAL, genuinely academic institution in Kathmandu valley, extends the heartiest congratulations to all SEE graduates on coming through with the flying colors!

With the successful completion of decade

long high school experience, it is now time to make the right choice and decision that will shape your future. Let us help you catch a glimpse of what the post SEE world has to offer and how you can end up with what is best for you at NATIONAL.

An Overview

NATIONAL started its academic venture in 1997 under the name of 'National Campus'.

Rooted in the legacy of unparalleled commitment to excellence in education, it is owned by Kathmandu Model College (KMC) which has an unbroken progress over the last seventeen years in the field of education.

With the proactive presence of KMC management team and its qualified, dedicated faculties, NATIONAL aims at achieving

excellence in the academic arena and reach out to a newer height.

Over the last decades, the corporate world has felt an escalating need of capable and efficient people both at home and abroad. Society cries out for dynamic social entrepreneur to spearhead the cause of burning social issues.

NATIONAL is determined to help answer these calls by giving the right lead and the right foundation.

VISION

To develop itself as the center of academic excellence at par with national and international standards by shaping minds from greatness to goodness.

MISSION

To establish itself as a world class learning center to inculcating positive attitude, skills, ability and value-based knowledge in students to compete successfully in their chosen disciplines.

OBJECTIVES

- >> To prepare fully knowledge-based capable students to enable them in pursuing higher studies
- >> To develop socially responsible and result oriented professionals with scientific approach and outlook.
- >> To provide internationally recognized quality education together with practical knowledge through business skills and technical trainings.
- >> To provide quality education and produce professional of different levels in sectors like business, legal, public, governmental and development organizations.
- >> To increase the level of maturity and power of logical reasoning in our students.

CORE VALUES

- >> To proactively recognize and respond to students' need through one to one attention, small classes, by focusing on each students as an individual
- >> To begin by providing quality learning experiences that lead to success
- >> To focus on career preparation and emphasize the practical application of learning.
- >> To foster interpersonal skills of students, including self-management, leadership, academic integrity and social communication.
- >> To ignite a lifelong love of learning.

Program Offered:

NATIONAL imparts the best available +2 program as per the curriculum and syllabus designed by Curriculum Development Center (CDC) of Ministry of Education in association with National Examination Board (NEB), in Science, Management, Law and Humanities by following a unique methodology that emphasizes periodic assessment as per the requirement.

The +2 program at NATIONAL is divided into four different combinational subject groups. Students can choose from these combinations:

+2 Management
Science
Law
Humanities

MANAGEMENT

Management in +2 level is a course that provides the basic knowledge about the facts & principles of the management, accounting and business. It creates the base for students to pursue their career in management field with managerial responsibilities in all kinds of organizations by empowering them with essential skills to adapt to any situation. Management learning is a continuous, life long process.

Sociology / Mass communication /
Economics,
Psychology / Mathematics / Optional English
(Any Three)

* Students may choose the subjects as per the guidance of Admission Committee

Architecture

NATIONAL takes pride of its own buildings with unique design as the symbol of our commitment to the innovation in the field of education. The squat box-like building and the signature blue framework are elements of pure architectural bliss, that will make you forget the eyesore right outside the walls.

The main academic building stands as an example of unparalleled aesthetic genius. Spreading over 12 ropanis of land, it pleasingly overwhelms you by its futuristic architecture

towering over expanses of tiled courtyards overlaid with geometrical spaces of green grass. After a brief walk through the comfortably wide parking lot, you are greeted in the left by a modern administrative block followed by an academic service building in a brief distance.

Apart from its aesthetic pleasure, the building is designed as High Earthquake-Resistant. Our Classrooms and Labs are wide and spacious, equipped with sufficient modern teaching-learning aids.

Admission Procedure

Admission to NATIONAL is highly competitive. Students need to go through a fair and rigorous selection process for getting admission.

ELIGIBILITY

Candidates must have SLC/SEE or equivalent education with minimum Grade 'B' for Science and 'C+' for Management, law and Humanities. The minimum eligibility will be set as per the decision of NEB.

SCHOLARSHIP PROVISION

NATIONAL provides merit/need based significant number of Scholarships under several titles. Deserving students may obtain details of scholarship scheme from the administration.

ENTRANCE TEST

The Admission Committee conducts Entrance Test in different programs. The Test will be objective form. Students can choose the Handwritten or Computer based model.

Management, Law and Humanities: Test will be taken in Mathematics, English and General Knowledge.

Science: Test will be taken in Mathematics, English, and Science.

(The model questions for entrance test can be downloaded from the website.)

Scholarship

NEB Scholarship

The Government provides 3% scholarship to students who have passed their SEE from government school.

Criteria for 3% scholarship:

Student should be enlisted in merit list in scholarship examination which will be conducted by NEB/Govt and they should not be admitted to school to get the scholarship.

Govt provides 2% scholarship to students who have passed their SEE from private schools.

Criteria for 2% scholarship:

Students should be enlisted in merit list in NATIONAL Entrance Examination. Students should be admitted to the school to get scholarship.

Infrastructure and Services

The increasing competition at present day education calls for better infrastructure and resources. A strong infrastructure is an important factor in creating atmosphere conducive to education. To get our students in the right mood, NATIONAL has made every possible effort, right from the design of the building down to the very last detail.

OUR CLASSROOMS: THE RIGHT AMBIENCE

Spacious, well ventilated, with natural lighting and replete with modern decor, naturally invite and inspire teaching practical learning in our 21 class rooms.

OUR SCIENCE LABORATORIES: BRIGHT & AMPLE

Ample, naturally bright and airy, with plentiful instruments and materials offer the peace and space for research and learning.

COMPUTER LAB, INTERNET SERVICES: SPACE AND SPEED

Well equipped computer labs with the internet library, spacious, naturally lit, ventilated, offers high speed broadband lease line connection.

POWER BACK UP: ALTERNATIVE ENERGY SOURCES

10 KVA generator which provides an uninterrupted supply of electricity to overcome the problems of power shortage in our classroom teaching, particularly in computer lab.

LIBRARY: SPACE FOR FURTHER READING

Updated and rich library to facilitate the teaching learning process having collection of books, references, periodicals, videos and CD-ROMs, e-library.

'AHAARA': OUR CAFETERINA

Awash with sunlight and equipped with modern technology, colorful furnishings and industry trained staff donning the professional white, Ahaara serves fresh, hot and delightful meals!

THE AUDITORIUM: MODERN ELEGANCE

Simply sober auditorium, with French windows breathing sunlight and fresh air and internet hook-up facilities from each of the 80 plush red seats.

Facilities

TRANSPORTATION

NATIONAL owns its own buses to facilitate transportation for students. It provides transportation facility to commute to and fro the school at a very reasonable cost. The available **shuttle-service-route** can be taken from the administration.

HEALTH CARE

NATIONAL makes avail of health care and medical emergencies to its students as and when required.

TUITION AND EXTRA CLASSES

NATIONAL assumes the responsibility to help its students avail of additional academic help and support in the form of extra classes with appropriate tutors.

ACADEMIC COUNSELLING

NATIONAL provides adequate information on how to better up in study while studying here with the help of experienced counselors. Furthermore, we feel our responsibility to provide after study counseling to students who wish to study abroad. Students will also be assisted and trained in the documentation process to manage visa interviews.

BEHAVIOR COUNSELLING

Growing up means change, physically and emotionally! These changes, sometimes subdued and adjusting but very often just turbulent and pressing, need to be handled and handled correctly. How does NATIONAL help? We facilitate counseling with the assistance of experienced and committed counselors!

Learning Process

AT NATIONAL, WE ADOPT A PARTICIPATORY METHOD OF TEACHING AND LEARNING THAT DEMANDS RIGOROUS PARTICIPATION FROM STUDENTS AND TEACHERS. A CAREFUL BLEND OF THE TRADITIONAL CLASSROOM LEARNING WITH MORE CONTEMPORARY TOOLS AND TECHNIQUES OF LEARNING IS A KEY TO INCREASE OVERALL LEARNING EFFICIENCY.

GROUP DISCUSSIONS

According to the subject demand, group discussions among students are organized frequently so that diverse ideas are shared. The whole process of learning thus, becomes fun, stimulating and meaningful.

CLASS PARTICIPATION

Inquisitiveness is highly appreciated at NATIONAL. Students are encouraged to put forward their queries and doubts without hesitation. They are likely to face surprise tests and pop quizzes to test their awareness and focus.

GUEST LECTURES

Leading personalities and authorities from various fields are regularly invited to speak to students on a variety of subjects and share from their storehouse of experience and knowledge. These activities inspire students for professionalism and create desire to take initiatives in life.

AUDIO-VISUAL AIDS

Each classroom has multimedia access. Audio visual and other teaching aids are used to ensure effective learning.

PROJECTS AND PRESENTATION

Students are assigned projects relevant to the course requirement. Project works are always highly demanding as students need to demonstrate their ability to experiment, manage time and practice presentation skills.

FIELD TRIPS AND EXCURSIONS

We know, students need to experience the application of their knowledge in the real world. They get some time off from the similitude of classroom learning. For this purpose, we frequently organize excursions and field trips to enhance practical learning.
