OUR VISION

Our vision is to aid nation and globe for sustainable development through inclusive education.

MISSION STATEMENT

Our mission is to get students to take ownership and responsibility for their present and future learning by developing their academic via interpersonal, intrapersonal and technological skills. We encourage each child to compete self for his/her personal progress through self-paced learning. We respect the individual need of children; foster a caring and creative environment; and emphasize the social, emotional, physical and cognitive development of each child. We help student to foster their career through project-based learning, integrating local and social values having global awareness.

OBJECTIVES

- To produce skilled, independent, knowledge able and so cialized human resource
- To ensure a positive and productive, physical and cultural environment in education sector
- To advance excellence in teaching and learning
- To raise student achievement to become a 'A' grade school
- Provide and enhance opportunities of all students using student centered learning
- Help students to discover their talents and grow with their own dreams
- Identify and enhance opportunities for the consistent use of the collaborative process involving parents and community members

MESSAGE FROM PRINCIPAL

Namaste to all my valuable readers!

Nepal Vidhyapith is the institute with vision of strengthening sustainable development through education. Educational system has become unsustainable excluding many students from right to education. We discuss about the progressive learning at present context, but are we really progressive? Here we focus on self-paced learning to attain Excellency reducing unnecessary burden of system. We believe this is sustainable and inclusive learning process. We ensure diverse, safe, project-based, need-based and individually cared learning environment. Learning is a life-long process. It can't be confined by boundaries or time limits. So, we want to create a hub where students are target oriented and moving on with their pace. Therefore, I request you all to join us for a cause. Thank you!

Binod Timalisina

MESSAGE FROM ADVISOR

Dear students, teachers and parents! Nepal Vidhyapith is established with the motto of "inclusive education for the sustainable development". Here we want to include every factors required for educating the present generation to meet the goals of sustainable development. The world has entered into the new era of science and technology. The need has changed now. The way of teaching, use of technology, cultural practices and many other factors need to be updated. So, to nurture those changing needs and requirements of present generation, Nepal Vidhyapith has taken a step forward. Therefore, I request you all to join hands with us and head towards the sustainable practices

*Prof. Dr. Pawan Kumar Ojha
Senior Academic Advisor
Former Judge Of Supreme Court*

अध्यक्षको कलमबाट

नेपालको शिक्षा प्रणालिमा नयाँ विचार, सम्भावनालाई गतिशील बनाउनको लागि हामी नयाँ व्यवस्थापनका साथ यस विद्यालयमा प्रवेश गरेका छौ । नेपालको मुटु काठमाडौं, काठमाडौंको मुटु वानेश्वरमा आजसम्म पनि गुणस्तरिय, वैज्ञानिक, व्यवहारीक, नैतिक शिक्षाको आवश्यकता परेको छ । त्यसलाई पूर्ति गर्दै यस विद्यालयलाई अब्बल शिक्षा प्रदान गर्ने संस्थाको रूपमा विकास गर्नु हाम्रो उद्देश्य हो ।

कृष्णहरि मैनाली, वानेश्वर-१०

MESSAGE FROM ACADEMIC COORDINATOR

This is the institute where we are always ready to provide quality education with overall aspects to provide a stepping stone in realizing and achieving student's goal. At school learning takes place in and beyond the classroom. We encourage them to think and create out of the box through extracurricular activities for e.g. Fine art, music, dance, handwriting, drama, etc

Anita Bhattarai

Introduction

Nepal Vidyapith, located at Sahabagita marga, Baneshwor, Kathmandu was established by a team of renowned dignitaries of different sectors, aiming to provide quality education to meet the national & global need of the qualitative Man power. It incorporates student centered teaching learning methods by encouraging learners to get practical education that is applicable to society for its positive change. The learners are facilitated by the expert faculty members to be competent in their respective subject matters & to change their general behaviours to be responsible citizens for the nation. The graduates of Nepal Vidyapith are competent in their respective areas & responsible for their societies as well. They are the role models to be followed by the other aspiring youths in their areas.

Objectives

- To enable each child to reach full potential by fostering self achievement
- To produce skilled, independent, knowledgeable and socialized human resource
- To ensure a positive and productive, physical and cultural environment
- To advance excellence in teaching and learning
- Provide and enhance opportunities of all students using student centred learning and extra curricular & co-curricular activities.
- Identify and enhance opportunities for the consistent use of the collaborative process involving parents and community members
- To raise student achievement to become a 'A' grade school.

Our Vision

Our vision is to aid nation and globe for sustainable development through inclusive education.

Mission Statement

Nepal Vidyapith prepares students to understand, contribute to, and succeed in a rapidly changing society, thus making the world a better place. We will ensure that our students develop both the skills that sound education provides and the competencies essential for success and leadership in the emerging world through self-paced learning. We will also lead in generating practical and theoretical knowledge that enables people to better understand and improve conditions for local and global communities.
