wall painting
in **Nepal** at Saipal’s wall...”

A LEVEL
UNIVERSITY of CAMBRIDGE
International Examinations

Life is Beautiful

I lost the day when I was very happy my dear;
It's never too late to embrace the reality.
Hypocrisy, idiocy and handicaps surround year by year,
Trying to face the challenge keeping humanitarian modality;
But, still brave enough to say life is beautiful.

World does take a chance to get into a bad,
Who else don't follow the rule of survival is the fittest;
But, am I wrong to pretend as a good person or brought-up as a mad,
Playing hard, fighting, and breaking the shackle thinking I am the luckiest?

I'm human following every phases of life,
Childhood, adulthood, man and an old man to play my part,
Catalyst doesn't guarantee the even and offers every time an odd knife;
I also countered the phases and can't drop the bitter reality apart,
But, still I speak loud and spell life is beautiful flying high like a kite.

Mukesh Kumar Kalwar

Message from the Chairman

Dear all,

Greetings from the Chair

Rooted on our stated mission and vision, we, the Saipal family, have an exemplary history of producing distinguished graduates in every academic discipline. The frontiers of Cambridge A Levels, NEB Science, and Management have been very influential in fulfilling that mission by establishing and maintaining a rich tradition of producing the genuine graduates who have gone on to make contributions in every field of human endeavor.

We believe, vices and virtues are always within the self. Our objective is to establish virtues over vices. Hence, our educational aim is to raise students to become a good human being, and we are happy to accept this challenge. Please know that we believe in what we do. We are dedicated to preparing all of our students to be major contributors to society. If you would like to find out more about us, or join our family, please do not hesitate to contact us.

Sincerely,

Mukesh Kumar Kalwar

Chairperson, Saipal Academy

January 1, 2018

Suman Nagarkoti

Message from the Principal

Baa, baa, black sheep,
Have you any wool?
Yes, sir, yes, sir, Three bags full...

- A nursery rhyme.

It still smells good to me.
In the pool of hypocrisy, hegemony, and delusion, I again want to be a child and feel the innocence that brings the very smile in the face of teachers and parent... Yes! We want the same innocence and sweet smile again to nurture the academic environment of Saipal Academy. A child hardly lies and betrays ones' family and friends, so do we. We believe in hard working, dedication and sincerity, and we expect same from our students. Moreover, we not only care our students with huge potentials but with great dedication. As we know every child is so special and unique, hence we are committed to care what students deserve. Yes! The three bags full for me are; the idea of triangular relationship between parents, management and students; the motive of dedication to enhance the academic foundation; and the outstanding platform for the personal development. It means, we believe in paternalistic style of leadership, how harsh the situation is we will be always together. At Saipal, students will always get the flavor of home where they will not be alone. At last, I will welcome all the parents and potential students to join the alliance and feel the world of difference...

Introduction

Saipal Academy is a time-tested Nepal's Premier learning institution which was established in 2000 A.D. Its commitment to excellence ensures the quality education for life long. Saipal is known for its student-centered brand of learning with the motif of producing a good human inside.

At Saipal every individual explores and experiences multi-dimensions of living (Innocence, respect, morality, dedication, goal, failure, striking back, achievement, and ,more). Each student is equipped with self-respect and dynamism and is ultimately prepared for real-life challenges by focusing on the overall development of individual that results on the prosperity of the nation itself.

Award winning faculties, excellent academic front, super-learning methodologies and state-of-the-art facilities prove Saipal as a leading educational foundation in Nepal.

Situated in an idyllic and spacious location, Saipal offers most coveted GCE A Levels, HSEB Plus Two, Pre- School and Secondary Level School (Grade I to X).

Our Vision & Mission

Saipal Academy has circled out its vision and mission when it was established. The vision of this institution is to prove itself as a Model Academic Foundation Globally by foregrounding its slogan "Learning is for Life". It is enhancing its mission by promoting learning attitude among individuals and encouraging to explore one's best potential within; and by creating an environment to think out of the box to stand intact for tomorrow's challenges. Saipal Academy believes that education is the strongest weapon among all, and it finds meaningful what the Nepalese Poet Laureate Laxmi Prasad argues, "An illiterate person is like moonshine that fades..." It means, education enlighten people, help them come out of the tutelage, and help them to shine like the sun. Saipal Academy tries to justify the same motto.

Why Cambridge A Level?

The recognition of the qualification/degree that is accepted and valued by every educational institutions and employers worldwide is of major importance.

Cambridge syllabus are world class, flexible and are focused on the minute details of the study, hence, we believe, it is highly relevant qualification in the present context. Examination are conducted and moderated by UCLES (University of Cambridge Local Examination Syndicate), held in every six months that makes students easy to prepare if they are intending to appear in partial examinations. Wide variety of subjects and syllabus are available as per the needs of students in the global perspectives.

Our Guiding Principles

- ▶ We believe in the constructive competition among individual and organizations;
- ▶ We believe in dedication and honesty at work;
- ▶ We believe on the beauty of dreams;
- ▶ We believe that every individual has unique potentiality;
- ▶ We believe that mysteries must be unveiled;
- ▶ We believe on the continuous efforts;
- ▶ We believe on team-work;
- ▶ We believe on never-ending learning process;
- ▶ We believe that there can have failures, however, ultimately a victory...

Saipal *Achiever*

Ujjwal Ghimire scored the highest marks in Economics in November 2015 Cambridge International Examination.

Recognition of A level in Nepal

The GCE Advanced level courses are recognized by the most of the academic institutions worldwide including Tribhubhan University, Kathmandu University and other universities of Nepal. According to TU handbook, A level is equivalent to grade 12 (XII)

Saipal A Level

Saipal, in its 14 years' history has produced outstanding results. One of our students Risav Karna, achieved the World Top result in General Papers and twelve others have achieved Nepal Top awards in various subjects in different international examinations. Saipal is registered at the ministry of education for conducting Cambridge A level courses. Saipal, with its Center Number NP715 is validated by University of Cambridge, UK. The students studying A level courses are assured about the validity of their studies at Saipal Academy where the team of teaching faculty is striving for students' desirable results in their endeavors.

Subjects Offered at Saipal

Advanced Level courses provide a firm foundation to students entering into the university or college for their further studies. Wide range of subjects available at A level allows the students an opportunity to make a subject combination of their own field of interests, potentials and objectivity. Saipal offers all the major subjects required for the entry into various fields like medical science, Engineering, Business Management and Humanities.

Subjects offered at Saipal A Level are as follows:

- **General Paper** ► **Biology** ► **Economics**
- **Environment Management** ► **Mathematics**
- **Accounting** ► **Business Studies**
- **Physics** ► **Chemistry** ► **Computer Science**
- **Sociology** ► **Art & Design** ► **Nepal Studies**

*Students must take a minimum of 4 subjects including General Paper. General Paper is obligatory one.

Objective of Saipal A level

The objective of Saipal A Level is to create an environment that would facilitate extensive learning opportunity and enable each individual to compete at home and abroad.

Admission Procedure

Prospective students at Saipal A level are required to sit for an entrance examination and interview. Candidates will be offered an admission, based on the admission committee's assessment taking into consideration of past academic performance, performance in the entrance examination, and the level of intelligence.

Program Details

Cambridge A level courses can comfortably be completed within two years, and there is no time or age limitation for the completion of A level degree.

The courses are divided into two equal halves – first year is called AS (Advanced Subsidiary) and second year is called A2. Students can sit for year wise examination for AS and A2 or directly appear finally for A level which consists of complete two years' curriculum.

Eligibility for Enrollment

Students who is to pursue A levels at Saipal Academy must have passed SLC or hold an equivalent degree (O level, CBSE, and so on) to be eligible for admission.

Enrollment procedure

Admission are announced immediately after the completion of SLC examination each other. Prospective students are required to collect admission forms and sit for an entrance test. All applicants must submit the following with the application form:

1. Duly completed application form attached with two color passport sized photographs
2. Certified copies of relevant academic/ professional qualification and transcripts
3. Application processing fee Nrs. 1000 /- (gets one Saipal T-shirt)

Esprit De Corps

CAREER GUIDANCE AND COUNSELING

In today's competitive world, career guidance and counseling is very important. At Saipal we counsel our students for their future prospects. We believe that career related tests, guidance, and other necessary counseling are important for students hence, we provide our expertise to pave the way for student's career in multi-disciplinary areas.

ADVISORY COUNCIL

We have eminent personalities from different walks of life in our advisory board who regularly provide expert suggestions on academic matters. We also invite experts from different professions to interact and share their experiences among students.

Saipal Facilities & Extras

LIBRARY

Filled with updated version of books and a system in place which can be occupied whenever necessary which is accessible to monitor all the time. Saipal Library is just ready enough to provide the best A level and Plus Two books, reference materials, articles, journals, newspapers and magazines.

CLASSROOMS WITH ACs

Spacious well-furnished classrooms with AC's are in place to ensure that the learning process goes smooth and sound.

CAFETERIA

A hygienic, clean and refreshing canteen is in place to ensure right delivery of foods and beverages to the students. There is a special provision for vegetarians.

TRANSPORTATION

Students in need of transportation can jump in the college vehicle from the major corners of city.

UNLIMITED WI-FI ZONE

Students can make the best use of free access to internet to make the learning easier and techno friendly.

POWER SUPPLY

To counter the problem and hassle of loadshedding, Saipal has in place 24 hour power supply through alternative back-ups.

RECREATION CENTERS

For the mental and physical fitness, the college organizes different recreational activities (excursion, hiking, marathon, industrial visits, mountaineering, art and exhibition, and such) within its academic routine.

To get rid-off from monotony and to revitalize oneself, various sports and extracurricular activities are organized. The academy has its own basketball court, table tennis court, badminton court and a music hall.

Facilities of an institution are what portray an image of it. The facilities not only facilitates learning environment, but also strengthens the mind and the body.

COMPUTER CENTRE

Regularly updated software backed up computers are in just place to get the students familiar with the IT world. Each student can freely benefitted oneself from the computer system as per ones necessity.

EXAM HALL

The college has its own exam hall equipped with the necessities facilities.

CLUBS AND ACTIVITIES

Saipal stresses on various co-curricular and extra-curricular activities to instill character traits like honesty, cooperation, and diligence to promote leadership and enhance self-confidence in students. Saipal Academy has different clubs to run different programs (debates, quiz contest, painting/ drawing, music session, dances, usual excursions, camping, and more). Student clubs are focused on exploring the potentiality within, and to run programs which are directly linked with social welfare (Cleanliness campaign, reforestation, Charities, and such..).

EDUCATIONAL EXCURSION

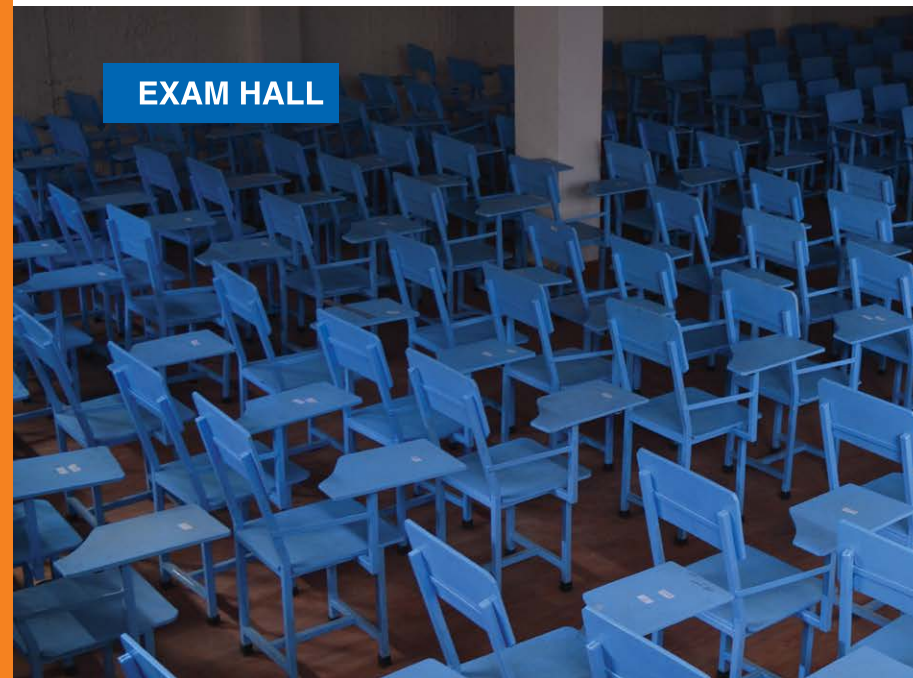

Saipal organizes regular educational tours to experience the diversity within and outside the nation; to feel the social responsibilities and to enhance leadership among students.

LABORATORIES

Saipal supports students with high-tech equipped lab for physics, chemistry, and biological research and experiments. Each student is facilitated with necessary equipment to strengthen theoretical concept in a tangible way. For the Hotel Management Students, there is a spacious lab with necessary equipment in open display.

PARKING

The college has its own secured and spacious parking ground at the side of the college building.

“The biggest need in term of **FACILITIES** is clearly a Grade School.”

- Grey Willett
