## BCA

The Times International College has recently come up with a new program under the faculty of Humanities and Social Science. The program is termed as Bachelor of Computer Application (BCA). This program has been run under the affiliation of Tribhuvan University from the new academic year of 2075/76 BS. It is a 4 years (8 semesters) degree. This 4 years program in Computer Application has been started with an objective to produce qualified computer software developers having wide range of knowledge in the technical field. Students learn to solve computer based problems of different types of business and industries.

### Objective

The course insights:

- To produce professionals in the field of computer application as programmer and software developers.
- To provide knowledge about various tools and techniques used in software development.
- To provide students with both practical and theoretical aspect of studies related to computer applications.
- To enhance the skill of students to create solutions of technical problems that arises in industrial, commercial as well as in government companies.
- To provide students a fine base to continue their studies further in MIT, MBA, MCA, etc.

## BBM

Bachelor of Business Management (BBM) is a newly launched 4 years, (8 semesters) course of Tribhuvan University faculty of management. Each semester constitutes of 16 weeks of intensive study. The program covers 120 credit hours.

Students who want to enroll for BBM Program must pass the CMAT examination. The Times Int'l College offers BBM Program in affiliation to Tribhuvan University.

The BBM program of Faculty of Management, Tribhuvan University is designed for aspiring business leaders and managers of the future. The BBM graduates are equipped with the necessary knowledge, skills and self-confidence to assist in effective and successful management, within constantly changing and highly competitive national and global business environment. This course has been designed with the objective of producing middle-level managerial manpower in the sectoral areas.

### Objective

BBM program is designed with the following objectives:

- To develop students' skills in creative thinking, decision making, leadership, communication, and gain understanding of operations and change.
- To develop students' understanding of entrepreneurship and innovation, and effective management of business operations in a dynamic business environment.
- To prepare students for professional life to work as business manager and entrepreneur.

## Why study MBS/BBS at The Times ?

- We inculcate true business spirit and management values in students.
- Latest technology is an integral part of our pedagogical approach. We motivate and train our students to think digital and go digital.
- We strive to cultivate high degree of entrepreneurship, sound work ethos and ethics in our students.
- Our focus on research, publication and innovation makes our students the vibrant members of global scholarly community. They become knowledge creators and can contribute to the world of knowledge.
- Our professional agreement with many commercial institutions has facilitated the career journey of our deserving students.
- We have managed placement and job opportunities of our fresh graduates.
- We frequently organize project visits, industry visits, talk programs motivational programs, computer based accounting packages, statistical packages etc. with a view to develop the managerial caliber of our students.
- We organize regular case studies, ethnographic studies, focus group discussions, action researches, various seminars and symposiums, presentation trainings, proposal development and report writing trainings etc to develop our students into true 21<sup>st</sup> century professionals.
- We have made an agreement with a couple of most popular job placement agencies for professional training and recruitment of our students.
- Our programs are designed to boost social interaction skills, leadership, self confidence and self discipline of our students.
- This commercialized world demands a wide array of finance, account and management professionals with high degree of expertise. Our MBS/BBS programs aim to fulfill this demand.
- Students join the Times to be unparalleled achievers and invincible fighters in the field of business and management.

## Why study BA/BSW at The Times ?

- It is a combination of literature and development
- It generates opportunities in I/NGOs and also in different government agencies and projects.
- The course enables the students to be competent for different posts of public service commission examinations.
- It nurtures the interest for social service.
- This multidisciplinary course opens wide range of possibilities for students' academic and professional development.
- Students can explore their potential in the world of creativity developing themselves as professional writers.
- Students can be highly potential candidates for higher education in world class universities of different countries.
- Our placement team support in the internship placement.
- Students can develop their own social work and developmental projects. By using their innovative skills they can be job creators rather than job seekers.
- Students are trained with various skills so as to make them capable of evolving into highly demanded professionals.
