From Chairperson's Desk

Dear Parents/Students,

With immense pleasure, I take this opportunity to share that Triton Int'l College is now part of DV Group of Companies. Founded in 1981, the group has ventures in different sectors ranging from Manufacturing, Hospitality, Recruitment, FMCG Trading, Media and now in Education.

With productive and progressive views and better infrastructure, Triton is well set to provide quality education under the new management. As education is the shrine of life, we are fully dedicated to provide our students with quality education through academic excellence in congenial atmosphere so that they meet the demand of time in the country and abroad. As our country has entered into new era of economic development, our team meticulously works to maintain unique environment so that it directly reflects on every student who feel comfort while learning to become a capable hand for development of himself / herself and the country. At the same time, we would like to inform you that we stress more on personal attention, vocational training, better library, laboratory, extra-curricular activities and sportsmanship among others over the general and traditional methodologies of teaching.

Therefore; we cordially invite you to visit our college and observe the environment of the institution before you make your decision about pursuing your studies.

Lastly, I would like to assure you that the student enrolled here would achieve the best so that they can stand boldly against emerging challenges of global village.

**Thanking You,
Mr. Vishwanath Pd. Shah
Chairperson**

Dear Students, Parents/Guardians,

TRITON INTERNATIONAL COLLEGE is one of the few reputed educational institutes of Nepal targeted towards academic excellence. Welcome to Triton International College family. This college is dedicated to contribute for the professional pursuits in business, industry, public enterprises, financial institutions, government as well as in private sector. The mission of different level program of this college is to develop socially responsive, creative and competent, research and result-oriented professionals' and academicians' to fill up different level positions in the rapidly growing financial and business as well as other organized sectors in Nepal and abroad. We use modern technology/methods of teaching besides Classroom Lectures, Guest Lectures, Presentation and Seminar, Project Works, Field Study, Industry Visits like practical exposures offer a distinctive combination of academic excellence and extra-curricular activities. Involvement of DV group of Companies has made value additions to Triton's education system and also in job placement facility to needy and competent students.

Our well qualified, experienced and dedicated team of teacher's, commitment of management team, Plus two Science, Management and Humanities, Bachelor level (BBS/BSW), BBM(Proposed), BCA(proposed) and Master level (MBS/MA Journalism) courses all are solely at your service. We also have plans to further extend our academic programs and upgrade the educational facilities in the days to come.

We want to share our knowledge and experience with you. As stated earlier to achieve our goal we impart a high value based holistic academic programs by adopting the most dynamic curriculum of Tribhuvan University (for Bachelor and Master Level) and Nepal Education Board (for Plus 2 level courses). Triton International College will be your right choice to achieve your objectives.

Lastly, I feel pleasure to assure you that the students enrolled here will achieve the best to stand boldly against the emerging issues and challenges of the modern world.

Thanking you,
Prof. Dr. Bihari Binod Pokharel
Principal

From Principal's Desk

Directors' View

Dr. Shambhu Kumar Das
MSc, USA, PhD, USA
Executive Director

Triton is now established as one of the renowned college in Kathmandu. It has made remarkable progress on its way to the vision and mission of Triton as Academic Centre of Excellence. Accordingly we are giving our full efforts to students for pursuing outstanding knowledge. As mind is not a vessel to be filled but fuel to be ignited. We educate students with proper guidance and enable them to benefit from the boundless opportunities of the modern world.

Destiny is no matter of chance but it is the matter of choice so choose Triton We Transform You.

Dr. Anup Basnet Chetry
PhD, Japan
Director

It is my great pleasure to say that Triton International SS/College, are committed to groom students with sufficient modern facilities and high quality education to meet global needs. With the involvement and coordination with renowned and devoted teachers of the nation and abroad, Triton maximize individual learning ability. We have adopted a combination of innovative pedagogical techniques that attempt to trigger one or more of the multiple intelligences that human beings possess.

I would like to assure you that the students enrolled here will achieve the best to stand boldly against the emerging challenges.

Mr. Tarun Pratap Shah
MBA (ENTREPRENEURSHIP),
BARCELONA, SPAIN
Director

It gives me immense pleasure to be associated with Triton International College, our corporate group's first venture into the education sector. We have immediate and long term plans for a major transformation to this institution. Our mission is to introduce a whole new quality of teaching and educational practices and we are studying various international methods which would be implemented in our very own Triton!

We ask for our students', their parents' and our teachers; unhindered support and co-operation in realisation of our goals.

Vice-Principal's Message

Mr. Shreekrishna Bista
Vice-Principal

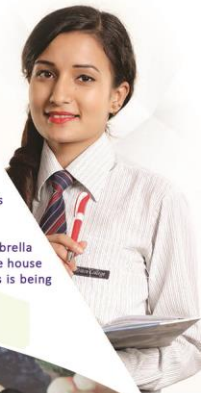

Triton Int'l College, implements dynamic and practical academic environment, which are needed to empower the youth to meet the academic need of 21st century. The experienced academic team at Triton nurtures the individual potential of students by counseling and encouraging to be equally talent. As teacher is a guardian initiator and facilitator too helping students mentally agile academically talent and morally upright. Since its very inception we are fully committed and dedicated to builds milestone for developing the best and wholistic formation in students.

We sincerely expect your great support and co-operation in our endeavor to give the best.

About Triton

TRITON INTERNATIONAL SEC. SCHOOL / COLLEGE was established by a group of teaching experts, academicians and professionals who have obtained a wide range of knowledge and experience in education nationally and internationally. Triton International College is located in the heart of the city, Kathmandu, Subidhanagar, Tinkune. Plus two (Science, Management and Humanities (NEB)), and various TU affiliated bachelors and masters are the major academic programs of the institution. Triton is an institution dedicated to develop career of the students as self-dependent so that they can establish themselves as Science and Management professionals like administrators, researchers, skillful managers, scientists, engineers, doctors, C.A., journalists etc. in the market of service and manufacturing industries. Triton is dedicated unconditionally to provide quality education to the 21st century generation in keeping pace with our traditional culture and values. Triton provides common responsibility to pay major role as pathfinder for elders, colleagues as well as parents.

Triton International Sec. School / College has been brought under the Triton International Foundation umbrella and it is run by a team of renowned academicians and promoted by a successful and prestigious corporate house of the nation. A true dedication to quality education and imparting practical knowledge to the Tritonians is being accelerated in real sense by this new resourceful, experienced and visionary team.

Vision & Mission

Our vision is to make Triton as the ultimate benchmark in Science, Management and Humanities.

Triton grooms students to be concerned about community as well as individual development. It emphasizes cooperative action, seeking to serve and thinking critically.

Our mission is to provide quality education, trainings, research and consultancy for continuous improvement in relevance and eminence of Science, Management and Humanities.

Study **Smarter**
Not
HARDER
as each **student**
is differently **able**.

To enable students to become a professional with self-direction, sense of social responsibilities, obedience and conformity

- To imbue, the necessity of appreciation of our traditional culture and the social ethical obligations.
- To create academic excellence and innovative thinking.
- To produce competent citizens for the 21st century, by providing career counseling by national experts.
- To develop students' competent to work in different academic, research and corporate environments.
- To make the students capable to identify and solve the problems of contemporary society.

Mr. Keshav Wagle
Discipline In-charge

Discipline

Triton has the basic principles of reasonability and rationality of reward and punishment. It maintains a high standard of discipline and never compromises in any breach of it. That's why, every student should strictly follow the code of conduct that Triton maintains.

Science Program

Mr. Navin Kumar Lal Karn
+2 Science Coordinator

Triton Science stream is founded by scientists, professors, readers, long experienced lecturers in outstanding learning environment. Triton is fully devoted for advanced, quality education as well as aims to produce global competent leaders in the field of Science and Technology. For the further better career of students, pre-engineering and medical courses are also provided in college premises. We have separate well equipped laboratories for Physics, Chemistry, Biology and Computer Science. As our students grow in age, we grow in our experience with them and transform them in Homely Environment.

"It is only in the
MICROSCOPE that
our **LIFE** looks so **BIG**"

- Arthur Schopenhauer

Management and Humanities Programs

Mr. Kaman Singh RC
+2 Management Coordinator

A sense of expertise and professionalism cannot be guaranteed only getting academic course study line in the faculty of management. It requires an extra watch for them, Triton International College has brought banking training, entrepreneurship development programs, industrial visit along with report writing. In addition to these managerial skills, Triton Int'l College has attempted in bringing the real world of management into the college premises.

Triton also helps in developing students' personality through public speaking practices and presentation time and again. These flavors really make Triton Int'l College very much distinct amongst other colleges in Kathmandu.

Students' Voice

"Selecting a best academic institution after crossing the 'Iron Gate' is really a difficult task. I was in dilemma as which college should I select to achieve my goal. After I came to Kathmandu, I visited a lot of colleges and got so many chances to be their part due to my merit. Luckily I found Triton devoted and dedicated management, Well experienced and Qualified lecturers, Modern infrastructures, student learning environment etc. are some salient features of this college. This college has provided me the platform to show my talent. I really feel proud to be the member of this college."

Shivang Dutta
Science / 2073
SLC GPA 3.75

I'm proud to be a part of Triton College. Perfect academic environment, friendly teachers, and all necessary facilities and support from management. If you want that you deserve, Triton is the best pathway to walk.

Pratik Lamsal
BBS / 2072

"Just a year back, lots of confusions played in my mind, but those confusions were vanished when I first entered in Triton International College. No, words are sufficient enough to reflect the quality of educational environment of this college. You can be part of it, to realize this fact. I feel proud to be Tritonian."

Netra Rawat
Science / 2073
SLC GPA 3.95

Sarvena Bista
Management / 2072
SLC 80%

Triton is dynamic, vibrant institution which delivers creative and standard education. It comprises of good teaching, learning environment with qualified and amiable teachers. I am more pleased to have been a part of this fabulous institution. Triton sets the bridge between me and my juniors not to be in dilemma in joining the college because Triton wants keep any stone unturned in shaping your career.

Geeta Rajbansi
BSW / 2073

Parents' Voice

Asso. Prof. Dr. Vijay Kumar
Dutta, Janakpur
Associate Professor, English
Nepal Sanskrit University and

I have got the National Position in the Right based Organization, Academic institutions, media & party's organization, I could have different opportunities and facilities for my son but I selected this institution due to its fine lighting scenario. My son has also gracious position which would be capable to get the glamorous institution but finally it is finalized to get the settlement in the academic atmosphere. As it has the fully academic Environment that has been searching, I became impressed with my son Shivang Dutta. Now He is very satisfied for the academic activities as well as the extra-curricular activities.

Mrs. Rita Karki,
Udayapur

There are numerous colleges in Kathmandu but the Triton College is my choice for my child's education. I have chosen this college as it is well established, homely academic environment and proper care as well as counseling for the betterment of our children's career here.

Mr. Prithiman Tamang,
Kavre

In search of better college Kathmandu, I arrived in Triton College with my son/daughter. Here I found advanced academic environment with new energetic and dynamic environment. Education from laborious and long experienced lectures and professor and outstanding results of the past years. So many students are doctor, engineer and officers from this college therefore I am convinced that my son's /daughter's academic career is safe and secured here. This college has educated smartly not hardly so each student can make his/her better career from here.

Mr. Gaurab Prasad Malla,
Bhaktapur

My daughter is studying in science stream in Triton College, I am satisfied with the progress of my daughter. My child has been cared well in education and extracurricular activities equally. Therefore I find this is the place where our children can flourish academically in decent discipline.

Sports Ambassador

Sharad Veswakar
National Cricket Player
Team Nepal

I take the great pride to be involved with the tritonian youths of our nation. Sport is the ultimate form of overall self development. Cricket teaches us the team work; it teaches us the discipline that will be essential for the path of success. Moreover, Cricket is the most promising career of Nepal sports, given our latest achievement in the international level. Now, I have a platform to connect with Cricket talents at this very Triton, whose team I've played for in the past, and to pass on my ethics and insights of the professional sport and I take this as my pleasure.
