Namaste! Welcome to the world, where the most important requisites for your dreams—education, humility, and motivation—are catered.

Welcome to the world where cooperation with excellence is possible. Welcome to Bluebird Secondary School.

I am a proud student of this institution, and I heartily call all of you here to see what we have.

Meaningful learning matters

Bluebird
Secondary School

Bluebird is a home—a home where every individual feels like an inseparable member.
It is a home, where each person senses a fine degree of recognition. And here is what the heads of the home say about the school.

Chairperson's Chapter

Dear Students

I heartily congratulate you on your outstanding results and welcome you to Bluebird Secondary School! We welcome you to a dreamland which has stood in the crowd as an emblem of excellence of academic conduct. Educating the learners and furnishing them for their successful career is the fundamental objective of our institution. Moreover, what I want to share, with much pride, is that the faculty in this institution consists of the authors of different textbooks and reference books as well as visiting professors from renowned academic institutions. The faculties are willing to go that extra mile to ensure that all the students are offered an opportunity to fulfill their potentials in and beyond the classrooms.

Our academy is run by the best team of professionals. I must claim the management is student-friendly, prompt, and earnest to the problems and situations of the learners. So far as quality education and shaping the career of students are concerned, we never compromise. The ethos of Bluebird is upheld by achieving better results and by justifying the reputation of being among the best academic institutions throughout the country vis-à-vis the academic record of National Examinations Board.

Our increasingly knowledge-driven world demands people having education and skills to thrive in a competitive marketplace, and to understand the increasingly complex world in which they live. Therefore, be a member of this academy, utilize best the resources here and ensure a shining tomorrow. The quality education available here will endow and equip you with the most essential academic virtues indispensable to your successful career.

Hari KC
9851134304

Principal's Principles

Dear Potential Students

May I, first of all, congratulate you on the success of your SEE examinations? Your hard work has paid off and now you are about to embark on a new journey of further shaping your life in a well-designed manner. I believe that such a journey can be initiated with Bluebird Secondary School, for it is a blend of able managers and expert faculty.

Bluebird Secondary School embraces technology and hands-on learning so that our students can meet the challenges of the journey to their success. Bluebird believes that education has to do with imparting relevant knowledge, useful skills and appropriate attitudes to the students so that they can lead a meaningful life as global citizens of the 21st century. It is in this framework that the faculty members are trained and the students are shaped.

Once enrolled at Bluebird, students get an inclusive and nurturing environment where they are given chisels of skills to mould their future; colours of positive attitude to paint their world; and words of knowledge to express their concerns. Having said that, we take it upon ourselves to change our students from amateurs to the ones who dare to boundlessly extend themselves. Your choice to pursue your higher education at Bluebird is your choice to reshape yourself. Come and join us.

Welcome to Bluebird!

Bir Singh Chhetri
9851082816, 9841521373

Vice Principal's Voice

Dear Students

It is with great pleasure that I welcome you all to our esteemed educational home. It is a home, for the nurturance and care that we provide here is tantamount to what you receive at home. At Bluebird, we work along with students to make them believe that education is a sweet fruit when it is tended by the water of our combined hard work and the fertilizers of our integrity.

Here, the academic quality is blended with a variety of extra-curricular activities and outings so that students can achieve their overall development. The value-based education, along with strictly followed syllabuses, is discussed by a team of well-qualified faculties, whom the students can

trust not only as just teachers but also as senior relatives.

We believe in generating career-oriented human resources who have both academic excellence and a fine awareness of responsibilities towards others. In this way, students become not only leaders in their respective fields, but better human beings.

Join and grow together with us.

Deepak Raj Joshi
9851059444

Program Directors' Dreams

Dear Parents/Guardians and Students

By creating a good academic milieu, Bluebird Secondary School is determined to provide high quality education to prepare students who are fit in any universities and employment spheres in the world. It is high time to create a cultural mix and an ambience conducive to the development of a global mindset, one that can have a feeling of respect and regard for all cultures. In the global context, a global mindset is as essential as the knowledge itself. Bluebird will become a platform to transform this necessity into reality.

At Bluebird, we believe in developing overall personality of our students and grooming them as successful human resources in future. Beyond classrooms, we provide a conducive platform and encourage our students to participate, to the fullest possible extent, in the intellectual, social, cultural and other extracurricular activities so that they can be developed as disciplined and responsible citizens of the nation to create positive impact in the society.

Finally, I also wish to request concerned parents/guardians to maintain close contact with the college authority so that we can jointly put our efforts for the betterment of the students, the school, and the society.

Jeetendra Shrestha
Morning Shift

Dear Students

The essence of education is to bring consciousness by both exploring the potential creative faculties and enlightening the learners. The major responsibility of an academy is to sincerely facilitate every learner in the process of actualizing the soul of education. Our institution is committed to setting up such an environment where the optimum exploration of their creative potential is made viable.

Motivating and encouraging the learners to acquire or sharpen competency, proficiency and aptitudes to deal with the challenges of the 21st century is the motto of Bluebird. It is a platform for the students to explore themselves. So, we do not force the students to imbibe the established truth; rather, we encourage them to challenge it through the scientific approach. We do not encourage the students to depend on the teachers; rather we groom them to be able to learn without the teachers.

Join Bluebird and be an independent learner!!

Students with at least D+ in English, Nepali and Social Studies in the SEE and with 40% marks in the entrance test for Major English, Sociology and Journalism

Students with at least D+ in English in the SEE and with 40% marks in the entrance test for Dance, Music, Painting and Sculpture

Entrance Test

Prior to getting enrolled at Bluebird, the eligible students have to sit for the entrance test. The tests will be conducted on the following subjects:

Science:	English: 20% Science: 40%	Mathematics: 30% G.K/IQ: 10%
Management:	English: 40% Accountancy/Computer Science : 20%	Mathematics: 20% G.K /IQ: 20%
Humanities:	English: 50% G.K /IQ: 20%	Social Studies:30%

Enrollment Procedure

The eligible students have to fill up the admission form and sit for the entrance test. As they get through the test, they, along with their parents, have to sit for an interview. Then, they have to enroll themselves within 3 days submitting the following documents:

- 🔥 A copy of Character/ Transfer Certificate
- 🔥 A copy of SEE Grade Sheet
- 🔥 Two pp size photos

NB: The management will not accept the students' admission after all the seats are occupied even though they have met the eligibility criteria.

So you might have noticed that Bluebird is a strong network of expert faculties. However, those are not the only strengths of the school. The other strong aspects of our school are:

1. Academic Excellence

Bluebird is a blend of best teachers, experienced managers and expert visitor faculties. All of them work together to bring the beauty of excellence in academics.

2. Comprehensiveness

Bluebird believes in development of overall personality of students. Thus, it focuses on physical (through extracurricular activities), mental (through ideas), and behavioural (through value-oriented classes) growth of students.

3. Access to Resources

Realizing that the one who has resources is the one who can gain power, Bluebird ensures sound access to important resources (library, laboratory, computer, for example).

4. Leadership

Students act as leaders here; they learn to be independent and are aware of perks and responsibilities of leading a group.

5. Renewal

One of the distinguishing features of Bluebird is lack of monotony. It regularly rejuvenates the students' spirits with tours, picnics, camps, extracurricular activities, etc.

Scholarship Scheme

Bluebird provides scholarships to academically sound, deserving as well as needy students who meet the criteria prescribed. The scholarships will be provided on the following bases:

1. SEE GPA
2. Entrance examination performance
3. Physically challenged/ marginalized/ underprivileged/ ethnic/ indigenous background (Local government recommendations required)

4. National/ International recognition in any field
5. Special recommendations made by local community, school, DEO, MOE, and other related authorities

However, in order to retain the scholarship privilege the students have to pass the exams of each term. The students will forfeit the privilege for the term, should he or she fail any subject. If the student passes the entire subjects in the following term, she or he shall regain the scholarship.

NB: Scholarship awards will be provided on the "First Come, First Served" basis.

Clubs

The clubs at Bluebird have been run with two major purposes: to hone the talents of the students and to empower them to lead. The clubs are, therefore, run by the Student Council. The students can join the clubs in order to make use of their free time and refine their skills. The Student Council at Bluebird has been running the following clubs and adding more at the request of the students:

- Cricket Club
- Basketball Club
- Table Tennis Club
- Music Club
- Literary Club
- Social Service Club
- Swimming Club
- Football Club
- Badminton Club
- Chess Club
- Dance Club
- Public Speaking Club
- Quiz Club

Clubs & Counseling

Counseling

Counseling is the bedrock of the Bluebird experience. Counseling, as a matter of fact, channelizes the Bluebirdians to expected behavior, new approaches and wider academic horizons. Hence, with the help of experts and specialists in different fields, we provide counseling and accurate guidance to the students in the following areas:

- Personal
- Academic
- Career
- Abroad Study

Bluebird believes in the student centered learning environment. Student engagement is, hence, a part of the Bluebird culture in and outside the classrooms. In order to empower them, help them take initiative and make them responsible, Bluebird forms the Student Council in a democratic spirit. The following were the office bearers of Student Council 2017-2018:

Bluebird Education Network believes in disseminating knowledge at various levels.
So, besides this school it has other sister institutions.

Bluebird Secondary School (Junior Wing)

Located centrally, Bluebird Secondary School is a lively, vibrant, happy and safe learning community, which ensures excellent academic achievements and offers a wide range of opportunities to those students who are pursuing their better future. It is a learning community that fosters diversity, collaboration and innovation in every field in order to meet the needs of the 21st century learners, who initiate change. It also offers the students two important aspects: a favorable environment to learn and the faculty who quenches the thirst of the students. At Bluebird, we have an uncompromising commitment to what is best for the students and the guardians. The institution has been committed to raising the standards of the students by imparting analytical and practical knowledge. The institution aims at providing all the students with relevant knowledge, useful skills and appropriate attitudes in a way that nurtures a love of learning, instills values, and motivates students to take up challenges and aim for excellence.

Chuda Bahadur Shrestha
School Head and
Vice Principal
9851224348

Sister Concerns Of Bluebird (+2)

Why Bluebird?

- It provides an innovative curriculum that caters to all interests and abilities.
- It aims at giving students a broader, deeper and richer educational experience by recognizing each student's strongest talents.
- The institution provides project based learning and collaborative learning.
- The school has a hostel that provides an amiable and pollution-free environment, conducive to the mental, physical and spiritual development of the students.
- The children, yours and ours, are cared for and loved by trained, experienced and alert residential staff at all times.
- Bluebird creates the Center for Leadership (CFL) to help all students develop their own unique ability to lead and make a difference.

Sister Concerns Of Bluebird (+2)

Pragya English Secondary School

Located at Koteshwor, Kathmandu, Pragya English Secondary School is a community not only with the quality instruction and the pristine surroundings, but also with the teachers' team that is highly caring and nurturing. Established to make children well-rounded and self-dependent individuals, the school has been constructed with splendid infrastructural facilities in a tranquil and pollution-free environment. It has been ranked as one of the best schools in the valley. We believe that our students are physically fit, mentally alert, and morally strong and spiritually sound because these are the necessary preconditions for any child's all rounded growth. At Pragya, we provide a learning environment that inspires and motivates children, and encourages them to explore limitless possibilities in their quest for knowledge. Since its inception, our overarching goal has been to make Pragya a happy school, where teaching is a pleasure and learning is a joy; where learning and excelling is a passion, and cultures and values have a pre-eminent place.

Thir Prasad Ghimire
Principal
9851119770

Why Pragya?

- The institution accepts and respects all students without any bias or prejudice and it creates an inclusive learning community.
- The institution helps the learners dig out their potentials to the fullest and help them improve and grow, both academically and personally.
- The institution provides a dynamic and broad learning environment that will foster critical thinking skills in students and help them become life-long learners. And it offers the teachers who are dedicated to the improvement of the quality of students.
- The institution creates awareness among the learners and equips them with skills to adapt to the changing needs of a global environment.

Bluebird College

Located Centrally at Kumaripati, Lalitpur, the educational hub of the nation, Bluebird College runs a 4 year BBS program and a semester - based 2 year MBS program. The institution has been committed to raising the standards of education by imparting analytical and practical knowledge via the current Team Bluebird. The institution aims at not only producing career oriented human resource with high academic excellence and competence but also producing a new breed of responsible, productive and upright citizens with superior spiritual and moral values in order to face the present conditions of the nation and the world alike. The College also bridges the gap between classroom learning and practical experience, thereby providing ample opportunities for internships, field work, surveys, project work and workshops.

Usha Shahu
Program Director
9851008690

Sister Concerns Of Bluebird (+2)

Some Salient Features of Bluebird College

- Highly qualified and experienced faculties
- Hands-on approach to teaching and learning
- Technology enhanced teaching methodology
- Project work, presentation, seminars, webinars and survey
- Accounting training course
- Renowned visiting faculties from Nepal and abroad
- Explorative and research oriented classes
- Communication skills training
- Personality development and leadership seminars
- Different skill oriented trainings

So, you must have already felt that Bluebird is a haven where the ships of knowledge are anchored.
Come, then, join us; and sail into the seas of immense possibilities of growth. Come!!

Best regards,
A true Bluebirdian
