Message of the College Chief

Samir Singh
College Chief

With the sense of strong unity we have established this college. We will give a favourable environment for the students to flourish their overall skill and talent.

The college has run BA/BSW and 4 years BBS programs to meet today's demand. We encourage students to build up a new vision.

As a college chief, I would like to express my commitment to the students, guardians and all well-wishers that the college will bring out the best outcome in upcoming academic sessions with joint effort.

Education with discipline and dignity is meaningful for better future. I believe that we will be able to prove the slogan "YOUR FUTURE STARTS HERE" in Adharshheela. Congratulations for your success in NEB Board Exam and welcome to Adharshheela College.

About Adharshheela College

Adharshheela College is promoted by a team of successful academicians, researchers, planners, professionals and social workers aims to provide an adequate environment for students to build up their academic foundations and emotional strength which guarantees prosperous career in Management and Humanities and Social Science.

This college was established in 2014 AD and has been running BBS and BA/BSW programs affiliated to Tribhuvan University. Adharshheela is to bring out the best qualities of heart and mind through exposure. Every student is counted to be socially responsible, aware and ready to do something new. So, Adharshheela focuses on building capable human resources with overall confidence.

Academic Programmes

BACHELOR OF BUSINESS STUDIES (BBS)

Adharshheela is running Bachelor of Business Studies (BBS) programme affiliated to Tribhuvan University. The main objective of BBS programme is to produce highly qualified managers, bankers, entrepreneurs, auditors and different levels of competent manpower in the field of business world. Our teaching learning methodology is based on field visit, seminars, workshops, research, using modern technology like audio visual aids, overhead projectors, multimedia, power point etc.

Choosing Adharshheela College for your graduate studies can be both a life defining and career defining decision. The program provides knowledge about the need and importance of team work, communication skills, co-operating education and project work.

BA (BACHELOR IN ARTS)

Adharshheela College has launched multidisciplinary subjects in BA program. In this program, we have different subjects like English, Economics, Mass Communication and Sociology.

BSW (BACHELOR IN SOCIAL WORK)

Adharshheela has launched a multidisciplinary "Social Work" course since 2074. It draws theoretical concepts from different social science keeping work values and principles at the core. Thus, social work education focuses on holistic and integrated methods of practice rather than reductionist approach.

Social work education is an attempt towards the building up of knowledge based necessary for the practice (through theory as well as practical classes). For better development of professionalism in social work, we have made best combination of two co-related subjects viz. psychology and social work, which help students to study clients' psychology and provide service in accordance. Considering the value of the subject, Adharshheela requests students to judge the subject and take the market opportunities.

Goal of Social Work:

- To enhance problem solving, coping, and developmental capacities.
- To link people with resources, services, and opportunities.
- To promote effective and humane service systems.
- To develop and improve social policies.

For Practical :

College will place the students in different Human Service Organizations, NGOs & INGOs for practical exposure. Students must participate, at least ten hours of field work per week. BSW is a unique programme because it has 60% theoretical marks and 40% practical marks in exam.

Salient Features

- Diverse, innovative and committed faculty members.
- Well equipped classrooms.
- Multimedia and internet exchange tutorial classes.
- Spacious and recreational environment.
