

Dear Friends,

Thank you for appearing for the Simulator Test 0 - Part of the **ForumIAS Simulator Test Series 2019**. ForumIAS Simulator Test Series simulates the examination paper of past 8-10 years of UPSC Prelims Paper, such that a candidate who is able to secure a consistent performance across the Simulator Tests - does not find the UPSC Prelims Paper surprising.

The Simulator Test Series begins from **31st March, 2019** and will be conducted every Sunday at designated time slots of (9:30-12:30 | 2PM – 4PM | 5PM – 7PM) They are available in both Online and Offline. However, if you are located in New Delhi, we recommend that you write the Tests in Offline Mode.

Offline Test Takers (Exam Mode) : Offline Test Takers have two choices. One, they can write the Test at designated dates in exam environment. Candidates who write the Test on the designated Days, will get a separate offline Ranklist and Marks on by 11:59PM of the same day as writing the examination. This will be published on the ForumIAS website and Noticeboard. Discussion Classes for the Test will be held every Wednesday / Thursday at 5PM in the Classroom.

Offline Test Takers (Flexi Mode) Candidates can write the test on any other day (between 10PM-7PM), post the release of the paper Candidates who write the test in Offline Mode on other days, will get the result in their dashboard within 48 hours of submitting their OMR or after Test Discussion Classes - whichever is later. Please note that in case you decide to write the Tests on the Test Date , you will have to write it at the designated time slots only. On other days, however, you can walk anytime between 10AM – 7PM

When will the Detailed Solutions & key be released after every Test?

The Candidates will get the detailed solution (hard copy), key and analytics after the discussion classes (offline) have taken place. This will usually be by 9PM of Wednesday. You will be able to see the detailed solution and key by logging into the academy portal. You can also visit the Offline Center next day and get the hard copy.

Online Test Takers : Candidates who subscribe to the Test Series Online will be able to write the Test in Online Mode after 5PM of the designated Day. Their consolidated and final results will be declared on Wednesday after 9PM after a significant number of student have written the Test in Online Mode. The Online Tests are released later than the offline one to avoid malpractices and use of unfair means and to ensure that sincere candidates who write Tests on time get a realistic picture of their performance. If a candidate writes the test after this window, he will get the results, answer key and detailed solution and ranklist immediately after the Test.

Candidates can subscribe to the Simulator Test Series by visiting <http://academy.forumias.com> or by visiting the Offline Center.

Download your OMR Sheet(Experimental) : With our experience, we are aware that at least 10% of good candidates who fail in the Prelims , fail because they do not join any test series, have no practice of filling up OMR sheets, and do not even realise the problem. For this reason, for candidates who write the Simulator Test in Offline Mode on the same day in exam mode, a copy of the OMR will be available for them to download. You can visit

<https://academy.forumias.com/opentest/> to download your OMR sheet. Please note that we use two software to evaluate your OMR sheets – based on proprietary as well as Open Source Technology. If your OMR does not match with your score, you may need to work upon your OMR marking habits. We hope that in the consecutive tests, you will be able to make improvements in the way you mark OMRs. We also hope that the Commission also brings in these reforms in transparency and provide students with a scanned copy of their OMR

Withheld Results : The result of candidates with following roll numbers has been withheld due to erroneous filling up of OMR sheet.

1910041336 1910041589 1910041592 1910025633 1910026804 1910027793 1910041896
1910041265 1910041694 1910044931 1910041305 1910041593 1910008436 1910006865
1910028915 1910044935 1910042146 1910042066 1910015845

These candidates are required to email helpdesk@forumias.academy with the below details :

Subject : Withheld Result Roll Number <10 Digit Roll Number>

Details : Name, Email, Mobile, **Paper Set (A/B/C/D)** . We will not be able to provide telephonic support, so kindly use email only.

Fee Concession : We intend to provide a fee concession of Rs. 500 to Top 200 Students in the list. This concession can be used to subscribe for the Simulator Test Series of ForumIAS by visiting the Offline Center. In case the candidate has already subscribed to Simulator Test Series by paying full fees, he can use this concession for Current Affairs (Prelims) Classes or Mains Guidance Program (MGP) at a later date by visiting the offline Center. No Refunds, shall however be made under any circumstance for fees once paid.

INFORMATIONAL

What does it take to get a Rank 3 or Rank 5 in All India Services?

Clearing the Prelims *first*.

Ask Pratham Kaushik (AIR 5, 501 Marks in GS) or Jivani Kartik Nagjibhai (AIR 3, IFoS) who were offline classroom students of ForumIAS Current Affairs Classes. (In fact one third of our students selected in CSE 2017 and IFoS 2018 are our Classroom Students.)

When asked as to how the Current Affairs Classes worked for them - they both said unequivocally - *the Current Affairs Classes at ForumIAS filter out a lot of garbage that is irrelevant for the exam, but is covered in Current Affairs Magazines in the quest for maximum coverage.*

What is the problem that we are trying to solve?

The problem of *plenty*. The problem of **UNLIMITED**.

If you glance through popular magazines , online videos and courses, and if you have ever cleared Prelims before, you would *know* that nearly half the content in common magazines is not relevant for

UPSC Prelims and can be totally avoided. But the Prelims fear makes us waste a lot of time doing things that are NOT important.

Current Affairs for Prelims 2019 - Online + Offline | 25th March @ 5PM

Firstly, The Prelims Current Affairs Revision Classes ensures that an experienced mind is applied to the existing body of Current Affairs and reducing it to make it meaningful and at the same time ensuring 110% coverage.

Secondly, covering news items with at least 2-3 years perspective - given that the Commission has been of late asking older news items too.

Thirdly, time is a zero sum game, and the more time you waste on the wrong topic / subject the less time you have for the more relevant subject / topics. The Current Affairs Revision Classes by ForumIAS will ensure that you have more time for studying static subjects, practising test papers and previous years papers, analyzing your mistakes and making continuous improvements on a daily basis.

Every tenth student in our Current Affairs Classes is a selected candidate - because with limited preparation time due to training, and maximum output for time invested, Current Affairs classes offer a solid preparation framework for Prelims.

Visit <http://academy.forumias.com> to know more or walk into our Offline Center to consolidate your Current Affairs Preparation with ForumIAS.
