

Focused Foundation Program by ForumIAS Starts 15th May 2019

A Year Long Classroom, Answer Writing & Test Taking Program designed to take your preparation to the Topper Grade.

What is the ForumIAS Focused Foundation Program?

The ForumIAS Focused Foundation Program is a classroom program to prepare a candidate for the Prelims & Mains Examination. The subjects will be covered from the basics covering both the Prelims & Mains Syllabus.

What does it include?

The Foundation Program includes over 200+ classroom sessions covering the General Studies – All 4 Papers and the Preliminary Examination Syllabus.

The Foundation Program also includes Essay Classes & Tests, the Mains Guidance Program (a Mentor based Test Series for Mains) the Prelims Test Series by ForumIAS. Additional Sessions for Current Affairs before the Prelims & Mains Examination will also be conducted

What is the problem we are trying to solve?

A common trend in the Civil Services Examination coaching is that candidates join conventional coaching classes for about a year where there is focus on only taking classes and notes. There is little or no focus on (a) answer writing – for which candidates are awarded marks in the Mains Examination and (b) problem solving – which is crucial for clearing the Prelims Examination. Conventional coaching often suffers from this lacuna.

On the other extreme is pursuing self-study plans by merely doing a test series. While a numerical minority (who have the benefit of early start, prior guidance, parental and sibling support who are already in service) are able to benefit from this arrangement, a vast majority of candidate end up with a fragmented preparation – where they know things that they are asked in the Test Series but do not build complete concepts with respect to the topic. A right mix of classes supplemented with answer writing and objective tests is what the ForumIAS Focused Foundation Program Offers.

Why chose ForumIAS?

Firstly, small focused foundation groups. Foundation programs classes are organized in Batches of 100-120 candidates so that students can get better faculty attention, interaction and guidance.

Thirdly, Early answer writing for Mains ensures that you do not spend one year studying and another year doing answer writing practice. At the end of the foundation program, our students are exam ready.

Fourthly, At ForumIAS you will be part of the most competitive peer group preparing for Civil Services. As the best choose only ForumIAS. No wonder ForumIAS Academy has produced brilliant results with AIR 1, 3, 5, 8, 10, 11, 12 in CSE 2017 and Ranks 1,2,3,4,5 in IFoS 2018.
