About the program : Current Affairs (Prelims + Mains 2020) is a Weekend classroom program by ForumIAS for comprehensive preparation of Current Affairs for Prelims & Mains 2020. The program will commence from 16th November and will go on till Mains 2020.

Goal of the program : The Program will focus on three things

- (a) **Completeness :** Ensure **complete coverage** of Current Affairs from PIB, Hindu, Indian Express, Times of India, and magazines such as EPW, Frontline. No issues will be left out.
- (b) **Content Differentiation:** Ensure that value addition beyond common sources is done so that there is content differentiation in answers written by our students vis-à-vis other candidates.
- (c) **Consolidation:** Ensure that there is complete consolidation of content on various topics that are important for Prelims and Mains examination. Thus preparation is not scattered.

Design of the program (Handouts | Lectures | Answer Writing)

- Handouts of the topics to be covered will be provided in the classroom.
- 5-8 important issues (and facts for Prelims) will be covered. Thus the classes will have comprehensive coverage for both Prelims and Mains
- Answer Writing Component: Students will be required to solve 3-4 subjective questions in a limited time frame in the classroom.

Additional Classes for Prelims & Mains & Economic Survey | Prelims : Ten or more additional classes will be provided about 30 days before the Prelims as well as the Mains examination to cover and revise all significant topics for the Prelims / Mains examination.
