# *“Prelims is changing, so are we.”*

Charles Darwin famously said – *“Not the strongest, nor the most the intelligent, but one who adapts to change will survive.”*

With the changing pattern of questions asked in Civil Services Prelims, merely reading basic book, solving papers at home may not suffice.

*At least not for those for whom Prelims is new for those who have been unable to crack it.*

## **Prelims Preparatory Classes (PPC) - 2020**

The Prelims Preparatory Classes is a Comprehensive Prelims Focused classroom that ensures maximum coverage of Prelims syllabus in about 50 classes – so that you are ahead of competition. In these classes, you will go beyond the basics, to know and learn advanced concepts, that will aid you in developing the knowledge base as well as the acumen to solve multiple choice questions (MCQs) of Civil Services Exam standard. Keeping in mind the Prelims pattern of past 3 years the Prelims Preparatory Classes (PPC) will ensure that enrolled candidates have a robust preparation and the much needed conceptual clarity & competitive edge to clear Prelims 2020.

## **Why ForumIAS Prelims Preparatory Classes?**

- Because we know that for some, clearing the Prelims is the only hurdle.
- Because people who are good at mains answer writing are generally poor at solving MCQs.
- Because we know that our own students – Minal, Kajal and Aparajita – all IAS Officers, became IAS once they were able to clear the Prelims, converting their first Mains into a success story.

## Why ForumIAS?

At ForumIAS, we have continuously innovated to close the gap between aspirants and a good preparation. We started the Mains Guidance Program in 2016, where 74 out of 86 students secured their first interview call. In 2017, we started the Current Affairs and CGP Classroom program that produced Ranks 5, 7, 10, 13, 27, 35 in the very first year. In 2018, we started the select Focus Group for Prelims helped hundreds of students write their first Mains.
