

Comprehensive Guidance Program (Foundation)

COHORT 1 : 20th February | 8 AM

An 8 – 9 month Classroom, Answer Writing & Test Taking Program designed to take your preparation to the Topper Grade.

What is the ForumIAS Comprehensive Guidance Program (Foundation)?

The ForumIAS Comprehensive Guidance Program is a classroom cum test-based program to prepare a candidate for the Civil Services Prelims & Mains Examination. The subjects will be covered from the basics covering both the Prelims & Mains Syllabus.

What does it include?

The Foundation Program includes over 200+ classroom sessions covering – All 4 GS Mains Papers and the Preliminary Examination Syllabus.

The Foundation Program also includes (a) Essay Classes & Tests, (b) the weekly Benchmark Tests, (c) the Mains Guidance Program [a Mentor based Test Series for Mains], (d) the All India Prelims Simulator Test Series by ForumIAS, and (e) Pre Cum Mains Current Affair Classes will also be conducted.

What is the problem we are trying to solve?

A common trend in the Civil Services Examination coaching is that candidates join conventional coaching classes for about a year where there is focus on only taking classes and notes. There is little or no focus on

(a) **answer writing** – for which candidates are awarded marks in the Mains Examination and

(b) **problem solving** – which is crucial for clearing the Prelims Examination. Conventional coaching often suffers from this lacuna.

On the other extreme is pursuing self-study plans by merely doing a test series. While a numerical minority (who have the benefit of early start, prior guidance, parental and sibling support who are already in service) are able to benefit from this arrangement, a vast majority of candidate end up with a fragmented preparation – where they know things that they are asked in the Test Series but do not build complete concepts with respect to the topic. A right mix of classes supplemented with answer writing and objective tests is what the ForumIAS Comprehensive Guidance Program Offers.

Why chose ForumIAS?

Firstly, small foundation groups. Foundation programs classes are organized in Cohort of 80 candidates so that students can get better faculty attention, interaction and guidance.

Secondly, mentor support and guidance. ForumIAS boasts of the best guidance and mentorship that one can get in New Delhi, which has produced 5 out of Top 10 rank holders every year since we started an offline center.

Thirdly, Early answer writing for Mains ensures that you do not spend one year studying and another year doing answer writing practice. At the end of the foundation program, our students are exam ready.

Fourthly, At ForumIAS you will be part of the most competitive peer group preparing for Civil Services. As the best choose only ForumIAS. No wonder ForumIAS Academy has produced brilliant results with AIR 1, 3, 5, 8, 10, 11, 12 in CSE 2017 and Ranks 1,2,3,4,5 in IFoS 2018.
