

CSAT Classes for Prelims 2021

Batch 2

(50+ hours of Classes + Module-wise Tests + 2 Full-Length Tests)

STARTS | 5th April 2021 | ONLINE & OFFLINE

Why CSAT?

Being just a qualifying paper, we tend to take CSAT for granted and hence allocating very little time for its preparation can sometimes backfire. Over the years now it has been noticed that a good number of students comfortably clearing cut off score in GS are failing because they are unable to achieve qualifying marks in CSAT. Thus, CSAT becomes an important aspect of Civil Services Prelims Examination.

With our eight years of experience in Competitive Examination, we have seen many fall to the problem of **(a) taking a subject for granted**, and **(b) not working on known weak areas**. We believe that **(a) in any competition, taking any area for granted is suicidal** and **(b) CSAT must be actively prepared for, if you have not solved aptitude subjects in a while**. Also, as is the nature of Aptitude Test, while practice is what will help you through, a teacher handholding you hugely reduce the time taken to prepare and secure yourself a place in Mains. This is especially true if you have a known problem with CSAT.
