*This is a small list of students who enrolled in ForumIAS Academy premium, paid courses. They may or may not be members of the FREE ForumIAS Community Platform or followers of free blog initiatives. The list is not arranged in a hierarchy of service, rank, state, seniority or on any other parameter. The list is created to showcase the diversity of ForumIAS Students, and not the numbers – which is a little too big to accommodate in a single page.

Toppers Testimonial | Consistent Result Since 2016

I wrote 8 FLT's of ForumIAS MGP 2019. The questions were good, the evaluation and the marking pattern were also very good. I found the model answers very useful and apart from the FLT's, I also referred to the model answers of sectional tests on some selective areas like Geography, History and Ethics.

- Neha Bhonsle, IAS Rank 15, CSE 2019

This was my first attempt and I would like to thank ForumIAS team who played a major role in my success. I had enrolled for MGP+ test series and I sincerely recommend it to all aspirants. The professionalism, speed and quality of the feedback I received helped me immensely and improved the quality of my answers.

- Pratyush Pandey, IAS Rank 21, CSE 2019

I am very thankful to the mentors at ForumIAS for sitting with me for hours to help me improve my answer writing strategies. We discussed at length strategies which has been followed by various aspirants and it has been of immense help in achieving the success which I have got today.

- Varun Reddy, IAS Rank 7, CSE 2018

I had enrolled in Mains Guidance Programme + of ForumIAS Academy for my GS and Essay test series. The feedback from ForumIAS mentors was very useful in making me realize my mistakes in answer writing so that I could rectify them. I also found post exam discussion incredibly helpful. Because of such feedback. I could greatly improve my writing speed, presentation and answer content.

I am grateful to the entire ForumIAS Academy.

- Anudeep Durishetty, IAS Rank 1, CSE 2017

I had joined this test series and it turned out to be a gem. What I really liked about the evaluation was an objective assessment and a human contact. I know both these are contradictory. Evaluation is a human endeavour. There are strong biases common in every evaluator. An access to the evaluator gives an idea about these biases. An evaluator looks for certain things when he gives marks. Things like coherence, lucidity, presentation etc. catch the evaluator's eye. I experimented a lot with my papers in the course of these 8 tests. During the sessions in which I used to interact with my mentors, they were able to point out broad areas of improvement and possible shortcomings.

- Prajit Nair, IAS Rank 87, CSE 2016

• MGP SOLUTIONS

MGP solutions are created keeping in mind, the following aspects:

1. That the solution provided is a **good reference point** to write a good answer that can score well in mains examination.
2. The **relevance/reason** for asking the question is provided in the solution.
3. Before the solution of every question, **the demand of the question i.e. introduction, body and conclusion** are briefly explained in one line each.
4. The solutions of tests can act as a **good source to revise relevant themes** for each syllabus keyword.

• MGP TEST DISCUSSIONS

MGP test discussions have been conducted keeping in mind the following aspects:

1. All test discussions will be **conducted by a subject expert or respective subject faculty** of ForumIAS.
2. Discussions will **cover all aspects of the question in detail**, discussing the possibilities in answering the same.
3. Test discussions are **regularly conducted** so that students appearing for tests can make the best use of the same.
4. Test discussion video will be **uploaded after 24 hours** of the test completion time.

Note: All the discussions will be available in Online mode only. Any decision on Offline discussion will be taken post institutes are allowed to function.

● MGP PAPER EVALUATION

MGP paper evaluation are known for the following unique aspects:

1. The evaluation is based on **codified objective criteria**, yet an element of **subjectivity is maintained** to match UPSC evaluation standards as far as possible.
2. All MGP papers are **evaluated on uniform standards** to ensure that you are able to track your progress and assess your relative performance tests after tests.
3. Evaluators are **carefully selected based on a predefined eligibility criteria and trained extensively** to assess your papers in a professional manner.

● MENTORSHIP SUPPORT

Personalised Mentorship support is a unique aspect of MGP which includes the following:

1. Experienced Mentors provide **timely input on how to improve** answer writing.
2. Suggestions will be provided **on all aspects of answer writing** including content, structure, presentation, question interpretation etc.
3. Inputs will be both **personalised and practical** in nature for maximum improvement in the course of tests.
4. Mentorship access is available in both **online and offline** mode subject to Covid regulations of local authorities. Student have to **raise a ticket** for Mentor Meet/Mentor Calls, expect a call within **48-72 working hours** after raising ticket.

How to make the most of MGP?

The success of the program depends on:

1. **Writing tests in a timely manner.**
2. **Implementing and incorporating inputs** provided by the Mentor either telephonically or in person is known to have achieved visible impact on marks.
3. **Implementing suggestions provided through evaluation and mentorship in the subsequent tests.**
As Albert Einstein said: "Insanity is doing the same thing over and over again and expecting different results."
4. **Avoiding submitting 3-4 tests at one go**, as it defeats the purpose of a test series in achieving incremental improvement. Proactively solicit mentor feedback after every 2-3 tests.
5. **Do not submit 10 papers one month before the exam.** It becomes impossible to recommend changes 2-3 weeks before the exam as students do not have the time to implement feedbacks.

Mentorship

Online, Seamless, Hassle-Free

Mentorship – Available Online Seamlessly

What is common to the majority of our students who have secured Ranks in Top 100 including Rank 1?

- (1) They have written at least 80% of the Tests on time.
- (2) They (seek and implement) mentor guidance improving answer writing.

In MGP, our exclusive focus will be on providing seamless, hassle free, mentorship to you – without having to wait in a queue at the Offline Centre. Once you have written a test and your copy has been evaluated, you can reach out to us for a mentorship session on your copy.

Who is a good Mentor for me?

A good mentor is one who understands the demand of the examination. Thus, a candidate who has recently appeared for the exam or cleared the Prelims three time in a row maybe a good mentor for Prelims. Someone who has cleared Mains two times – (one time can be fluke, two times cannot) can give you some good insights on Mains examination.

Similarly, a good mentor is one who is closely associated with the exam, has relevant experience, and keeps himself continuously updated.

But most importantly, the mentor has to be such that he is interested in your success and has your best interest in mind.

At ForumIAS, we are invested in your success, because in your success lies our success.

ForumIAS Mentors consists of

- People who have a deep understanding of the examination
- People who have relevant Mains & Interview experience
- People who have been selected with good ranks.

Every year, ForumIAS requires some of its students who have topped the examination to provide online and offline mentorship to the next year's students. This ensures that you get the best mentorship possible. This is also in synchronisation with our vision of being a platform that spreads knowledge.

ForumIAS does not recruit students as mentors, even though it requires that mentors be continuous learners.

Online Mentorship @ForumIAS

With MGP, whether you are in New Delhi or elsewhere, you will have the same guidance available online, that is available to those at our Offline Centres.

Mentorship is available to students by raising a ticket or email. You get support via tickets / email / telephone call or an online meeting.

Through these years, we have been evolving and revising our strategies every year to ensure two objectives:

- That the guidance makes it easy for our students to learn how to write answers.
- That the guidance we provide helps score better marks in the upcoming Mains Examination

Fee & Enrollment

MGP is available in two variants:

- **MGP 2021 Cohort 7** – Fee: **Rs. 16,000** + Applicable Taxes (18% GST)
- **MGP+ 2021 Cohort 7** – Fee: **Rs. 20,000** + Applicable Taxes (18% GST)
