STARTS | 14th Aug 2021 | Online Only

Prelims 2022 Test Series – the only test series you will need to crack the prelims

Plan - From Basics to Pro

- **Level 1:** The 6 Tests in the level ensures you read through NCERTs holistically once without getting bothered about other reading sources. It helps you build a sound foundation. Also, UPSC tends to ask time and again questions directly from NCERTs.
- **Level 2:** The 19 Tests in this level ensure you have read through at least one recommended textbook for the subject and upgraded the knowledge that you have attained through NCERTs.

Preparatory Tests: The idea for preparatory tests is to deep dive into specified syllabus and cover all the neglected topics of the syllabus. This feature will also encourage you to prepare and revise in a planned and routine manner with smaller achievable targets. Each of these tests will have 25 questions which you will have to attempt in 30 mins. This pattern will also test your speed and agility of mind, preparing you to handle stressful environment of the Prelims. The preparatory tests will be conducted on Tuesdays, Thursdays and Saturdays.

- **Level 3:** The 7 Tests in this level will ensure that you have a timely and a comprehensive revision of all subjects. The questions would be a bit on the tougher side. It will help in developing the problem-solving skill and further develop your aptitude. It will also evaluate your knowledge base that you have built over level 1 and level 2.
- **Level 4:** The SIMULATOR™: The 8 GS Simulator Tests along with 4 CSAT Simulator Tests along with 2 All India Open Mock Tests will make sure that you have undergone different quality/difficulty and pattern for the Prelims paper by simulating the past 5 - 6 years of UPSC papers.

The simulators help to make the Prelims exam predictable for you. They provide for timely assessment gauging the competition. While Knowledge Base can be developed by reading standard books, the other aspect - problem-solving skills, elimination skills and decision making comes with practising previous years' papers and solving high-quality Simulator test papers.

Horizontal Support through different levels:

- Current Affairs to be holistically covered from July 2020 to Feb 2022.
- Each Full Test will have 20 - 25 questions on current affairs including newspaper-based current questions.
- The plan mentions the period of Current Affairs covered in each test.
- Each level will make sure that you are reading at least one or a maximum of two standard books for a subject.
- Each Test in the test plan has given specifics sources/chapters to read content from.
- Current Affairs for a month can be read from ForumIAS Blog <https://blog.forumias.com/current-affairs/> or from the ForumIAS EPIC Magazine (monthly magazine) <https://blog.forumias.com/factly/>.
- CSAT is often neglected by students, therefore the 20 CSAT Tests (Level I: 3 CSAT Tests, Level II: 9 CSAT Tests, Level III: 4 CSAT Tests, Level IV - 4 CSAT Tests) will ensure that your preparation is comprehensive and there are no cracks.
