## Toppers Testimonial

Hello Forum!

I wrote 8 FLT's of Forum IAS MGP 2019 (two tests of each GS paper).

The questions were good, the evaluation and the marking pattern were also very good. I found the Model Answers very useful, and apart from the FLT's, I also referred to the Model Answers of sectional tests on some selective areas like Geography, History and Ethics.

My Best Wishes to the entire Forum IAS community!

I'm Anshu Pandey, Rank 21 in CSE-2019. This was my first attempt, and I'd like to thank the ForumIAS team who played a major role in my success. I had enrolled for MGP+ Test series (Mains+ Essay) and I sincerely recommend it to all aspirants. The professionalism, speed and quality of the feedback I received helped me immensely, and improved the quality of my answers.

My association with forum IAS began right after my prelims. I took the MGP and Essay test series. Both of these enabled me to crack the examination because the checking was remarkable, not a single mistake went unnoticed. The feed at which the papers got collected and uploaded was also quite fast. Therefore, I would definitely recommend the test series at FORUM IAS to anyone who wishes to crack this exam.

## How can ForumIAS MGP aid in my preparation?

**#1** The program has been designed to ensure:

- a) Timely completion of syllabus.
- b) Early completion of syllabus.

Having guided students since 2012, we are aware that early preparation for Mains is the key to clearing the Civil Services Examination.

**#2** A lot of students end up doing unguided self-study, with no clear deadlines and objectives in mind. Thus, they end up not covering the syllabus even after doing self-study for a year. MGP helps provide a **discipline and time bound routine, anchored to the syllabus**.

**#3** It helps students with **regular evaluation of their preparation through writing timely tests and provides necessary reorientation** as and when required.

**#4** One of the major pain points in the real examination is to **recollect what you have read and present it in a precise and time-bound manner**. Writing regular tests at MGP helps you learn the skill from DAY 1. You learn to apply what you have read.

**#5** When doing self-study, there are many topics which **do not have comprehensive resources**. Then, there are topics which require **value addition in terms of current affairs**. MGP through its test, solutions and discussions also aids as a source of value addition and revision.

**#6** A hassle free and constant support from Mentors ensures you are on **an optimal and guided path** throughout your preparation.

**#7** Timely evaluation helps you **understand your mistakes and implement those feedback** before you attempt the next paper.

**#8** At ForumIAS, we believe in continuous change and adaptation on the basis of the dynamic pattern of UPSC and are quick to implement the same to reflect in our all deliverables. With ForumIAS you will always be ahead of the curve.

<b>#1 GS Test Question Paper</b>	The GS Test Question papers are designed with idea of taking a student from basics to advanced.  With that purpose, the tests have been divided into sectional tests and Full-Length Tests. Sectional tests will focus on coverage of different topics of syllabus while full length test will closely emulate UPSC GS papers in terms of difficulty level.
<b>#2 GS Test Solution</b>	The solution to GS Tests is curated with a philosophy to serve the purpose of revision material.  They are created with an idea to replicate a model answer as much as possible with value added content being provided under Knowledge Base separate from the answer, as and when required.
<b>#3 GS Test Video Discussions</b>	The video discussion of MGP tests ensures that student is exposed to different ways of answer writing which generally includes different means of presentation, addition of diagrams and flowcharts.

	The discussion also seeks to add more value addition to the content which is readily available with the student or the one he has received through solutions.
<b>#4 Essay Thematic Classes*</b>	<p>For essay, rather than providing simple post discussion after essay tests, we instead provide thematic classes. Thematic classes have a broader viewpoint on issues. Thus, we can use and reorganize the same content for various topics of essay within the same theme.</p> <p>They intend to provide you with fodder point to ensure that the content you are building has a reusable value. Handouts provided with the ET classes with provide with relevant fodder material and quotes to aid in essay writing.</p>
<b>#5 Essay Test Question Paper*</b>	<p>Essay Test replicates the pattern of UPSC.</p> <p>Before prelims tests have 2 sections with 2 choices.</p> <p>Keeping in mind actual essay papers being asked in examination, the second section is mandatorily based on philosophical essay to ensure that students learn how to write them from very starting.</p>
<b>#6 Good Copies</b>	Peer to Peer Learning is at the heart of FourmIAS's philosophy. The Academy shall be providing good copies of the tests – GS and Essay so that you can learn from your peers.
