INTRODUCING

MGP++

We know self-study can be *challenging*. Through our MGP, we provide you a detailed and disciplined test series based comprehensive preparation plan for Civil Services Examination. MGP+ includes the essay test series as well – a crucial marks fetching paper.

With the MGP++ (read as MGP Plus Plus) 2022, we plan to have 100s of Concept Classes (CC) on micro topics of the syllabus. The classes could be of duration ranging from 5 minutes to 30 minutes, explaining a concept in as less duration as possible.

The objective of the CCs will be to prepare you on the most expected topics / themes and ideas from which questions can be asked. These concept classes will help you build content for your upcoming tests, and will cover the syllabus from high focus areas, which an aspirant must know. The CCs will focus on What's and Why's of key issues. They will ensure that you develop knowledge of the dimensions to a particular issue. Each concept class will take care of a small or micro issue and cover high impact areas.

Concept classes are not a replacement for foundation classes. Concept classes require candidates to have some basic understanding of the syllabus/ basic books/ text. Concept classes will not take through the syllabus like a foundation class. However, what they will do is – give you content and understanding of issues from which you can expect questions in MGP and the Civil Services Examination.

How can ForumIAS MGP aid in my preparation?

#1 The program has been designed to ensure:

- a) Timely completion of syllabus.
- b) Early completion of syllabus.

Having guided students since 2012, we are aware that early preparation for Mains is the key to clearing the Civil Services Examination.

#2 A lot of students end up doing unguided self-study, with no clear deadlines and objectives in mind. Thus, they end up not covering the syllabus even after doing self-study for a year. MGP helps provide a **discipline and time bound routine, anchored to the syllabus.**

#3 It helps students with **regular evaluation of their preparation through writing timely tests and provides necessary reorientation** as and when required.

#4 One of the major pain points in the real examination is to **recollect what you have read and present it in a precise and time-bound manner.** Writing regular tests at MGP helps you learn the skill from DAY 1. You learn to apply what you have read.

#5 When doing self-study, there are many topics which **do not have comprehensive resources.** Then, there are topics which require **value addition in terms of current affairs.** MGP through its test, solutions and discussions also aids as a source of value addition and revision.

#6 The **concept classes (available with MGP++)** are being provided with an aim to help students **achieve conceptual clarity** as well as **value addition on topics lacking comprehensive resources.**

#7 A hassle free and constant support from Mentors ensures you are on **an optimal and guided path** throughout your preparation.

#8 Timely evaluation helps you **understand your mistakes and implement those feedback** before you attempt the next paper.

#9 At ForumIAS, we believe in continuous change and adaptation on the basis of the dynamic pattern of UPSC and are quick to implement the same to reflect in our all deliverables. With ForumIAS you will always be ahead of the curve.

What are the deliverables under ForumIAS MGP?

#0 Mentorship	<p>Mentorship is readily available in both ONLINE as well as OFFLINE mode at ForumIAS. Once you write a paper, you can always reach out to a mentor to discuss your paper seeking suggestions on improving your answer writing.</p> <p>The ONLINE mentorship will have a solution provided to students within 12 – 14 hours. Offline Mentorship can be available by visiting the office center.</p>
#1 Concept Classes#	<p>We are coming up with the concept classes from MGP 2022 onwards.</p> <p>The concept classes will be of 5 – 30 minutes duration with below objective</p> <ol style="list-style-type: none"> To Provide conceptual clarity on terms and keyword of syllabus. For example: separation of powers or Sevottam model or doctrine of severability etc. To Provide value addition on topics that lack comprehensive sources. For example: Role of SHG in development or FCRA and NGO funding etc. To help Filer content. For example: What should I focus on French Revolution? Or What should I read under comparative constitution?
#2 GS Test Question Paper	<p>The GS Test Question paper is curated with idea of taking a student from basics to advanced. With that purpose the tests have been divided as Half Length Tests and Full-Length Tests. Also, you will be able to grow from writing tests starting 1.5 hours to 3 hours eventually if you follow the plan.</p> <p>Half-length tests will be sectional tests and will have question from basic to moderate level.</p> <p>Full length tests will replicate the pattern and difficulty level of UPSC.</p>
#3 GS Test Solution	<p>The solution to GS Tests is curated with a philosophy to serve the purpose of revision material.</p> <p>They are created with an idea to replicate a model answer as much as possible with value added content being provided under Knowledge Base separate from the answer, as and when required.</p>
#4 GS Test Video Discussions	<p>The video discussion of MGP tests ensures that student is exposed to different ways of answer writing which generally includes different means of presentation, addition of diagrams and flowcharts.</p> <p>The discussion also seeks to add more value addition to the content which is readily available with the student or the one he has received through solutions.</p>
#5 Essay Thematic Classes*	<p>For essay, rather than providing simple post discussion after essay tests, we instead provide thematic classes. Thematic classes have a broader viewpoint on issues. Thus, we can use and reorganize the same content for various topics of essay within the same theme.</p> <p>They intend to provide you with fodder point to ensure that the content you are building has a reusable value. Handouts provided with the ET classes with provide with relevant</p>

	fodder material and quotes to aid in essay writing.
#6 Essay Test Question Paper*	<p>Essay Test replicates the pattern of UPSC.</p> <p>Before prelims tests have 2 sections with 2 choices.</p> <p>Keeping in mind actual essay papers being asked in examination, the second section is mandatorily based on philosophical essay to ensure that students learn how to write them from very starting.</p>
#7 Good Copies	Peer to Peer Learning is at the heart of FourmIAS's philosophy. The Academy shall be providing good copies of the tests – GS and Essay so that you can learn from your peers.
#8 Evaluation (GS and Essay)	The parameters of evaluation at ForumIAS continuously evolves to adapt to the changing demand of the examination, in consultation with our students who have cracked the exam year after year. - They can also do the exact same things online – by downloading the QCA Booklet, printing it, attempting tests on it, using CamScanner to convert it into PDF, uploading it, getting it evaluated, and reach to a mentor online by email, phone call, skype call, or messaging apps.
- Mentorship is completely available online, and the same mentors who provide offline mentorship also provide online mentorship. You can meet them at a designated time and date at the Offline Centre in New Delhi*.
