Mentorship

Online, Seamless, Hassle-Free

Mentorship – Available Online Seamlessly

In SPS – UPPSC Mains 2021, our exclusive focus will be on providing seamless, hassle free, mentorship to you – without having to wait in a queue at the Offline Centre. Once you have written a Test and your copy has been evaluated, you can reach out to us for a mentorship session on your copy.

Who is a good Mentor for me?

A good mentor is one who understands the demand of the examination. Thus, a candidate who has recently appeared for the exam or cleared the Prelims three time in a row maybe a good mentor for Prelims. Someone who has cleared Mains two times – (one time can be fluke, two times cannot) can give you some good insights on Mains examination.

Similarly, a good mentor is one who is closely associated with the exam, has relevant experience, and keeps himself continuously updated.

But most importantly, the mentor has to be such that he is interested in your success and has your best interest in mind.

Which is why, the best mentor you have is an elder sibling or your parent –This is because they have your best interest in mind – and your success is their success.

ForumIAS Mentors consists of

- People who have a deep understanding of the examination
- People who have relevant Mains & Interview experience
- People who have been selected with good ranks

Every year, ForumIAS requires some of its students who have topped the examination to provide online and offline mentorship to the next year's students. This ensures that you get the best mentorship possible. This is also in synchronisation with our vision of being a platform that spreads knowledge.

ForumIAS does not recruit students as mentors, even though it requires that mentors be continuous learners.

Online Mentorship @ForumIAS

With SPS, whether you are in New Delhi or elsewhere, you will have the same guidance available online, that is available to those at our Offline Centres.

Mentorship is available to students by raising a ticket or email. You get support via tickets / email / telephone call or an online meeting.

Through these years, we have been evolving and revising our strategies every year to ensure two objectives

- That the guidance makes it easy for our students to learn how to write answers.
- That the guidance we provide helps score better marks in the upcoming Mains Examination
