# ABOUT THE PROGRAM

## “Prelims is changing, so are we”

Charles Darwin famously said – “**Not the strongest, nor the most the intelligent, but one who adapts to change will survive.**” With the changing pattern of questions asked in Civil Services Prelims, merely reading basic book, solving papers at home may not suffice.

**At least not for those for whom Prelims is new or those who have been unable to crack it.**

### ForumIAS Prelims Preparatory Classes

- The Prelims Preparatory Classes is a Comprehensive Prelims Focused program that ensures complete coverage of Prelims syllabus in about 50 classes.
- In these classes, you will go from the basics to know and learn advanced concepts, which will aid you in developing the knowledge base as well as the acumen to solve multiple choice questions (MCQs) of Civil Services Prelims Exam.
- Keeping in mind the Prelims pattern of past 5 years, including Prelims 2021, the Prelims Preparatory Classes (PPC) will ensure that enrolled candidates have a robust preparation and the much-needed conceptual clarity & competitive edge to clear Prelims 2022.

- A lot of aspirants fail to transition smoothly from mains-oriented study plan to a prelims-oriented study plan.

Because we know that our own students – Minal, Kajal and Aprajita – all IAS officers, became IAS once they were able to clear the Prelims, converting their first mains to a success story.

### Process and Structure of the Program:

The classes will be conducted from Monday to Saturday at **8 PM**

The classes will be conducted in **LIVE** mode only. Recorded lectures will be available in the portal after the completion of LIVE Classes.

#### The program will contain:

- **Content Building:** learning through most relevant topics covered in classes for all subjects for Prelim's examination.
- **Workbook:** Aspirants will be provided with hardcopy of Prelims Workbook on each subject containing 500+ most relevant questions with solutions, hence complementing the classes.
- **PYQ Analysis:** Past year question analysis will be provided for familiarization of Prelims pattern as well as coverage of peripheral topics on these question which UPSC generally tends to ask in later years.

### Why ForumIAS Prelims Preparatory Classes?

Because we know that for some, clearing the prelims is only hurdle

- Most students focus on mains examination throughout the year and devote less time to prelims thereby end up studying little or no prelims focused content.
- With lack of quality prelims-oriented programs aspirants lack clarity on dynamic UPSC relevant depth and breadth of the content.
