ABOUT THE PROGRAM

What to Expect in Each Level

- **Level I: GS Mini Tests** in this level ensures you read through NCERTs holistically once without getting bothered about other reading sources. It helps you build a sound foundation. Also, UPSC tends to ask time and again questions directly from NCERTs.

CSAT is often neglected by students, therefore the 18 CSAT Tests (**Level I: 6 CSAT Tests, Level II: 9 CSAT Tests, Level III: 3 CSAT Tests, Level IV: 4 CSAT Tests**) will ensure that your preparation is comprehensive and there are no cracks.

- **Level 2: GS Sectional Tests** in this level ensure you have read through at least one recommended textbook for the subject and upgraded the knowledge that you have attained through NCERTs.

Preparatory tests is to dive deeply into specified syllabus and cover all the neglected topics. This feature will also encourage you to prepare and revise in a planned and routine manner with smaller achievable targets. This pattern will also test your speed and agility of mind, preparing you to handle stressful environment of the Prelims. The preparatory tests will be conducted on Tuesdays and Fridays.

- **Level 3: GS Questions** will ensure that you have a timely and a comprehensive revision of all subjects. The questions would be a bit on the tougher side. It will help in developing the problem-solving skill and further develop your aptitude. It will also evaluate your knowledge base that you have built over level I and level 2.

- **Level 4: The 10 GS Simulator Tests** along with **9 CSAT Simulator Tests** along with 2 All India Open Mock Tests will make sure that you have undergone different quality/difficulty and pattern for the Prelims paper by simulating the past 5 - 6 years of UPSC papers.

The **simulators** help to make the Prelims exam predictable for you. They provide for timely assessment gauging the competition. While Knowledge Base can be developed by reading standard books, the other aspect - problem-solving skills, elimination skills and decision making comes with practicing previous years' papers and solving high-quality Simulator test papers.

Horizontal Support Through Different Levels

- Current Affairs will be holistically covered from January 2022 to February 2023.
- Each Full Test will have 20 - 25 questions on current affairs.
