ABOUT THE PROGRAM

About Geography - ATS

ForumIAS Geography ATS is designed keeping in mind the current UPSC Mains trend for Geography optional. The prime objective of this programme is to make students **develop their analytical thinking** by way of writing answers that are geographically relevant, for both conventional as well as current affairs-based questions.

Writing good geography answers require candidates to be able to **synthesize different ideas**, prioritize them, and present them in a coherent manner using **diagrams/maps/schematics to illustrate multiple interlinkages**. This will be an important focus of Geography ATS. Candidates will also learn how to write good geography answers for questions that seem too general. Further, Geography ATS will also help candidates develop an **aptitude for on-the-spot thinking** without compromising on the desired pace needed for mains optional examination.

What are the deliverables under Geography ATS – for Mains 2022?

1. The program's focus is on maximizing your score in geography optional through a series of tests and value addition classes (in the form of Test Discussion Classes).
2. **The program includes:**
 - a) **Sectional tests:** Students will be able to read and evaluate the complete syllabus of both geography Paper I and Paper II through **6 sectional tests**.
 - b) **Full Length Test:** Evaluating your overall preparation and making final corrections and offering crucial suggestions for the exam through **2 FLT's (Full Length Tests)**.
3. Answers/Synopsis of each Question will be provided after the test.
4. Detailed Test discussion for every test in the form of Value Addition Classes. These discussion classes will provide student strategically apt value-added content through incorporation of geographical insights on relevant current affairs and well-researched credible resources for both the papers. These classes will be in the form of crash course covering important concept of Paper I and Paper 2.
5. **Mentorship:** Discuss your paper with the mentor to get insights on requisite presentation and content improvement. Tailor-made strategic grooming of each candidate.
6. Synchronic Completion of Syllabus.
7. Printed study material will be provided in PDF format, or can be picked up from the Center.

***Test Discussion will be conducted in the online mode. The link for the same will be provided to the student.**
