ABOUT THE PROGRAM

ForumIAS will be commencing Current Affairs (GS 2 & 3) for Mains 2022 – covering all major issues important for the Civil Services Mains 2021.

If there is just one classroom program, you would like to take for your Civil Services preparation – it is this.

The MGP + Current Affairs Combination has been the winning combination for almost all our successful students – be it first timers, or those seeking rank and service improvement.

Goal of the Program

The Program will focus on three things:

- **Completeness:** Ensure complete coverage of Current Affairs from PIB, Hindu, Indian Express, Times of India, and magazines such as EPW, Frontline. No issues will be left out.
- **Content Differentiation:** Ensure that value addition beyond common sources is done so that there is content differentiation in answers written by our students vis-à-vis other candidates.
- **Consolidation:** Ensure that there is complete consolidation of content on various topics that are important for Prelims and Mains examination. Thus, preparation is not scattered.

Phases of the Current Affairs Program

It is often believed that Current Affairs Classes are for those students who are weak and cannot even read the newspaper. Moreover, Current Affairs Classes are a mere repetition of the daily newspaper and add no value beyond what can be achieved by reading the newspaper.

At ForumIAS, we know this. Since, our courses are chosen by candidates for rank improvement as well as those in higher attempts with both Mains and Interview experience – apart from first timers. Due to this, we at ForumIAS ensure that **(1) We add value to the knowledge base of candidates who choose us (2) We provide content differentiation in the class, since the key to secure high marks in the Mains examination is content differentiation** – so that our students answers are both more qualitative and substantially superior to what is written by the average candidate. Classroom Students of ForumIAS Current Affairs Class have secured highest marks in GS for last 5 years consecutively. They have secured **Rank 9, 10 & 29** in CSE 2020, **Rank 10 and 30** in CSE 2019 **Rank 5 & 10** in CSE 2017 and **Rank 7** - Varun, **Rank 13** - Varnit Negi, **Rank 27** - Saloni Khemka, **Rank 35** - Minal Karanwal in CSE 2018 apart from popular ForumIAS Members like IWRA and Yo_Yo_Choti_Singh, who have given us favourable feedback after the class - so you can bank on us.

What you get?

Handouts along with important editorials and articles will be given for the candidates to consolidate their preparation. The material will be sufficient to cover Current Affairs completely, and any additional sources or newspaper reading will NOT be required. Apart from that candidates may be required to write answers in the classroom for practice

Course Schedule:

Regular classes will be held 2-3 days in a week starting from **18th June**, at 5 PM. Each class will be of 2 to 2.5 hours duration. Due to COVID update, there will be classes held earlier which will be important for Mains point of view and these classes will be provided along with regular Current Affairs classes. The lecture videos will be available in your student portal till Mains 2022 examination.

Note: The Current Affairs Program of ForumIAS is NOT a Newspaper class. It does not follow monthly newspaper updates but focuses on issue-based preparation. The Objective is to have 1-2- page crisp notes on every Mains topic so that it is easy to revise before the exam.

Design of the Program

(Handouts | Lectures | Answer Writing)

- Handouts of the topics to be covered will be provided in the soft copy and will be uploaded before the class. Refer to Annexure I for Sample Handout
- In every class important issues will be covered comprehensively. Thus, the classes will have coverage for Mains with respect to topic discussed in the class.
- Answer Writing Component: Students will be required to solve some subjective questions as assignments.
