

Date: 21 June, 2022

**Clarification - Current Affairs Students of CA 2022 - All
Batches - offline attending of Classes**

Based on the concerns raised by students, the below is being clarified:

1. Students who are enrolled in the CA Program for Pre-cum-Mains / Mains 2022, can attend the classes in both online and offline mode.

2. This is applicable to all batches of CA 2022 irrespective of online or offline enrolment. This means there is no distinction between online and offline students.
