

Appointment System for Availing Mentorship at ForumIAS

Dear Students,

At ForumIAS we are continuously striving to make your experience seamless and save your time so that you focus more on your preparation.

In recent times, we had suggestions from students regarding the issue around waiting time for mentorship.

Pursuant to that, we are **launching an appointment system for mentorship**. How to use the same for both online as well as offline interactions has been enumerated in the videos attached with the mail.

Online Interaction <https://go.forumias.com/online1>

Offline Interaction <https://go.forumias.com/offline1>

Each interaction has been **priced at 300 Mentor Interaction Credits (MIC)**. Being a **student of ForumIAS** Mentor Interaction Credits enough for your interactions have been already added. In case you exhaust your MIC, it can be immediately added by writing a mail to mentorship@flaviant.com.

With this, we hope your mentorship appointments get predictable and hassle-free for you and help you focus more on your preparation.

In case you face an issue with the system you can immediately write to us at mentorship@flaviant.com, and cc the same mail to shantanu@flaviant.com. We will work to provide you a resolution in 12 working hours.

-

Wishing you Success,
Always,
ForumIAS Academy
