Henry Harvin®'s Training Methodology

Live Projects	Live Projects are carried out during the training tenure to develop experiential learning for the participants. This helps in better understanding of the concepts and gain in-depth practical insight.
Unique Pedagogy	Uses a mix of techniques aligned to our unique G.C.A.O. pedagogy. This enables participants to derive focused-action-oriented outcomes from the training
End-to-End Engagement	Participants will be engaged throughout the training through reverse presentations, group activities, brainstorming sessions, and hands-on experience over both statistical and non-statistical tools. Idea is to focus on value creation

★★★★★ I took Lean Six sigma Black belt Program by KPMG. It was quite good. The trainer was very knowledgeable. Over all it was a great experience. But I believe 4 day class room training is bit less should inc. the duration of class as per the content. I would like to thanks Chandrika for her assistance & co-ordination for the program.

★★★★★ This is Ashok P, participated in lean six sigma Green Belt, the program had been well structured to accommodate all the domain irrespective particular to pharma/IT. I had gained thorough knowledge and co-participants are co-operate enough to know more about course and it was very interesting point is PR. Venkatesh (Trainer) does a good coordination in conducting the session all the days in best manner. Looking forward to attend the Business management class by KPMG in near future.

★★★★★ I've taken up the Certified Digital Content Writer online course with Henry Harvin under trainer Neha Singla, and it has been a wonderful experience learning it. They are really good at explaining the contents of writing and additionally provide support offline too. To sum up anyone looking for online content writing course should apply for it.

★★★★★ Had a great experience during my Lean Six Sigma Green Belt certification with Henry Harvin - KPMG. Absolutely recommended for anyone who wants to pursue LSS Green Belt. Training sessions conducted by Pradeep Sir were very well planned and insightful. Learning six sigma concepts from a very well experienced and knowledgeable professional was an honor. I also want to thank Ms. Chandrika Rao who was the SPOC for this program, she has been very helpful and humble while attending my queries and requests. The overall experience was excellent!
