Waipá King Country Life Education Newsletter

As Christmas 2022 draws closer we have a further update on the latest happenings for Waipá King Country Life Education

EDUCATOR NEWS

We are delighted to introduce our new educator to you.

Abby Miles started with our trust in Term 3 for training with Nicky, and has 'gone solo' this term. Abby replaces Sarah in our second classroom, and will teach full time to satisfy our growing demand.

Abby has already completed her first school - Waipa Christian School - and is an absolute star! She is a huge believer in the Life Education message and is loving taking that message in to schools. Abby came to us after seven years teaching at Pirongia School. We know the children of Waipa King Country will love her, and we feel so lucky to have convinced her to join us!

Welcome Abby!

FUNDRAISING EVENING WITH SIR RICHARD HADLEE

As mentioned in our July newsletter, after many Covid delays, our fundraising evening was scheduled for the 27th of August 2022. We are thrilled to report that the evening was a resounding success, with over \$20,000 raised for our trust.

Sir Richard Hadlee was a fantastic speaker, and our auctions were a great success thanks to the generosity of so many local businesses.

We were thrilled to see the results of a lot of hard work by the trustees and many other supporters come to fruition. St Peters was a wonderful venue and a good time was had by all!

CLASSROOM TECHNOLOGY

We have recently added smart TVs to our classroom technology suite. The TVs enable the educators to make use of online resources to respond to individual needs.

They can keep their resources fresh, attractive and relevant without the need to print physical copies, Nicky and Abby are very excited about the opportunities this will open up for them, including the ability to instantly share and update resources.

The classroom magic the children experience continues to evolve!

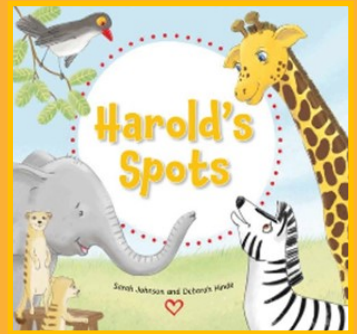

HAROLD'S SPOTS

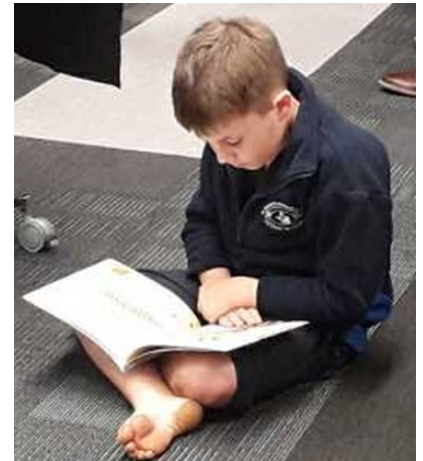

We introduced the launch of our Harold's Spots storybook in our last newsletter.

As Christmas approaches, please keep this in mind for those special little people in your lives. At just \$20 each, or \$25 with a soft Harold toy, they make a fantastic gift! This book is sure to become a favourite among your little ones, and by buying it you are also supporting a very worthwhile cause.

Kay Moir and Donna Davies have collaborated with local author Sarah Johnson, and illustrator Deborah Hinde to produce this beautiful story. The story encapsulates the Life Education message that we are all unique and special, and is suitable for 2 to 10 year olds. Copies are available by calling Kay Moir on 027 453 1093 or emailing booksales@lifeeducation.org.nz

Harold at Te Awamutu Library for school holiday story time.

A young reader at our book launch enjoys Harold's Spots

SCHOOLS WE VISIT THIS TERM:
