There is something to charm every visitor, be it a history-lover, nature-enthusiast, sun-seeker or an avid shopper. Perlis

Known as the Northern Gem, Perlis is the northern gateway to Malaysia. Despite its small size, Perlis has an abundance of attractions that make it a great destination, be it for adventure-lovers, shopping enthusiasts or holidaymakers in search of a relaxing vacation. Perlis is flanked by Kedah in the south and Thailand (Malaysia's northern neighbor) in the north. The state is characterised by sprawling paddy plains and picturesque views of the countryside, interspersed with rustic villages, limestone outcrops and serene lakes. Its capital city, Kangar, is a great destination with delightful orchards and verdant recreational parks.

GETTING THERE

Perlis is the country's northern gateway. The state shares a border with Thailand, Malaysia's northern neighbour. There is no airport in Perlis, but the North-South Expressway provides easy access from other parts of the country. Visitors can also arrive in Perlis from Thailand. Both the Malaysian and Thai rail companies serve two stations in Perlis; Arau and Padang Besar. For visitors arriving by sea, Kuala Perlis is the main jumping-off point. The ferry services here connect Perlis to the island of Langkawi in Kedah. From places like Kuala Lumpur or Penang, you can hop on the ETS train, enjoying a smooth ride as you make your way towards the serene landscapes of Perlis.

GETTING AROUND

The small size of the state makes getting around in Perlis fairly easy and convenient. The Kangar Bus Station in Jalan Bukit Lagi offers regular shuttle services to towns like Padang Besar, Arau, Kuala Perlis, Pauh, Jitra and Kaki Bukit. Taxis are another convenient way to get around the state.

SHOPPING

Perlis is a paradise for bargain-hunters and shopaholics with its duty-free complexes and night markets. Popular shopping spots include Padang Besar Arcade and Padang Warehouse. Here, visitors can find an endless array of things from toys, cookware to clothing. Load your shopping carts with everything from souvenirs to household items!

DINING

Visitors should not miss out on the local favourites when dining out in Perlis. There is a good selection of restaurants and fast food outlets in Kangar. Seafood is very popular especially in Kuala Perlis where the proximity to the sea means that excellent Ikan Bakar or grilled fish can be found easily. Visitors can also try out the Laksa Kuala Perlis. It's made of fish gravy and topped with boiled eggs, cucumber, onion and herbs. Let your sense of adventure rule while you savour the delights of Perlis!
