A substantial number of students have proved their metal by qualifying different state/national level examination, primarily as concerns UGC-NET, UGC-NET JRF, GATE, SLET, as well as securing gold medal in the annual University Examinations. A greater number of students are pursuing research as part of their PhD thesis. This year, the number of students getting job has substantially shown a marked upward trend (80), thanks to better upkeeping of the records of the enrolled as well pass out students maintained by each department.
