**5.4.1- There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services**

The college has duly registered Alumni, registered as a society in the name of 'Samanwaya Puratan Chhatra Samiti'. Apart from the posts of President, Vice-president, Secretary, and treasurer, the governing body is also aided by an undersecretary and two advisors. The prime aims of the Alumni body are the following:

1. Establishment of library and reading halls
2. Extending financial help to bright SC and ST students
3. Raising awareness programs against social evils as well as raising concerns about pollution, waste disposal, biodiversity conservation, and organizing plantation or afforestation drives
4. Organizing periodic literacy campaigns
5. Extending help to the needy during epidemics or pandemics, drought, floods, or environmental-related disasters.

Additionally, the alumni committee constituted at the level of college, itself, is responsible for calling upon the Alumni, at least twice annually, towards enlisting their financial, and other support. In the academic year 2024-25, Alumni organised a health camps, a blood donation camp, as well as carried out plantation in the campus. Also, in the year 2024-25, a number of alumni, both residing within and outside the country were enlisted through online registration. We surely hope that these alumni will render their help in the overall growth of the institute.

This is to certify that the information provided above is correct to the best of my knowledge & belief.
