(2024-25)

**6.5.1- Internal Quality Assurance Cell (IQAC) has contributed significantly to institutionalizing the quality assurance strategies and processes**

The salient aspects of the tasks carried out by the IQAC in the year 2024-25, are the following:

i. *Infrastructure*- A number of departments underwent renovation work (which again remains a continuous process), upgradation of the classrooms. Girls' hostel has finally been completed. The administration awaits the approval of the government -appointed agency to give its go-ahead for the occupancy. Also, the building to house the English, Yoga and Psychology departments, too have been completed, and similarly awaits the go-ahead for actual use, by the government. The department of chemistry, principally the UG and PG laboratories were completely renovated, out of the grant-in aid received under 'Model College' grant-in aid.

ii. *Green campus initiatives*- NCC, NSS, and Alumni were mobilised to undertake plantation within the campus; the 36 KW solar panels were finally operationalized, i.e., started producing electricity, linked to National grid; Water harvesting structures in two buildings.

iii. *Seminars & Conferences*- A number of workshops, seminars, and conferences were organised by the institution

iv. *Celebration of national, International & Commemorative Days*- National and international commemorative days, were held, both at the level of individual departments, as well by the institute.

v. *Purchases of books and reference texts*- Implementation of NEP 2020, and NEP 2.0 made it obligatory to purchase books and reference texts catering to the new prescribed syllabi, viz., apart from the Discipline specific course, books pertaining to Ability enhancement course, Skill enhancement course, and value-added courses, too needed to be purchased, which though remains a continuous. As of now, the college central library is in possession of 1,57, 586 books and reference text.

vi. PTA meets, IPR workshops, have become more routine, and annual events.

vii. *Subscription of Online journals & registration to ONOS*- To augment the facilities for the near 400 research scholars enrolled in the college, access to online journals, DelNet, and One Nation One Subscription (ONOS) has been carried out, with research scholars encouraged to register themselves to these facilities.

ix. *Student redressal Cells*- Students Grievances Redressal Cell (SGRC), anti-ragging Cell, Sexual harassment (Prevention, prohibition, and redressal) Cells, as also the CM Helpline portal, too has been mobilised for speedy, and effective redressal.

x. *Entrepreneurship development workshop*- Initiatives towards self-employment or Start-Ups, workshops were conducted by the local cell of Entrepreneurship Development Programme, as mandated by the State Devbhoomi Udhyaamita Yojana. Towards strengthening the ED Cell 3 more faculties undertook the workshop in Entrepreneurship Development Institute of India (EDII), Ahmedabad.

xi. A number of MoUs were signed with different academic as well as research institutes. The total number of MoUs signed at present is 10. Some of the MoUs, such as Maitreyi College, Delhi University, Ewing Christian college, Prayagraj, Sterlite EdIndia Foundation, and DNA Labs- Centre for Research and Innovative Studies, Dehradun, have already started contributing their expertise towards the overall growth of the students, by organising workshops.

MoU being signed with the DNA Labs- Centre for Research and Innovative Studies, Dehradun
