GREEN CAMPUS INITIATIVES TAKEN (2024-25)

A number of 'Green Campus' initiatives were taken up in the year 2024-25. These included the following:

- (i) Vermicomposting pit was made functional with addition of the earthworms,
- (ii) Plantation work was carried out, in association with the Alumni, NCC, and NSS wing
- (iii) Solar panels with an installed capacity of 36 KW have started generation of electricity, which is linked with the national grid
- (iv) For lighting purposes, only LED bulbs are used throughout the campus.
- (v) For waste collection, a number of utility dustbins have been placed appropriately throughout the campus
- (vi) For waste disposal, the Urban (Nagarpalika) body's help is sought, on a regular basis
- (vii) A number of departments have taken up initiatives to use steel glasses, or normal glasses, and thus have disposed-off the paper or plastic-based glasses, altogether.
- (viii) The department of B. Ed undertook celebration of Swachh Bharat abhiyan, undertaking not just cleaning of the campus, but also in raising awareness about hygiene and cleanliness within the campus.
- (ix) Both the new buildings- The Girls Hostel and the Yoga Bhawan, have in-built water harvesting structures.

This is to certify that the information provided above is correct to the best of my knowledge & belief.
