7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Over the last three years, the college has performed consistently very well in the Inter-collegiate sports tournament held under the aegis of the parent university, i.e., Kumaun University, Nainital. As a result, the college has been awarded the most coveted University Vice Chancellor's Trophy, for the year 2022-23, 2023-24 and 2024-25, for its all-round performance. The performance of the college in the Inter-collegiate tournament for the year 2024-25 is the following:

Winners: Table tennis (women), Volley ball (women), Taekwondo (Men), Football (Men), Handball (women), Athletics (women), Yoga (Men), Boxing (men), Boxing (women), Trekking & Fitness (women), cricket (men).

Runners-up: Kho-Kho (women), Kabaddi (women), Athletics (men), Yoga (women), Trekking & Fitness (Men), Drop RO Ball (women).

This is all, notwithstanding the fact, that the college, unfortunately, lacks in the overall infrastructural support base for sports- principally for outdoor sports, such as football, cricket, and likewise. Hence, resources are generated through support from the local district sports department. The sports officer/faculty takes upon a prior trial of the students through organising inter-departmental sports event (such as cricket), towards selecting the final teams for the college, who are then given intensive training for the actual inter-collegiate sports event. This mechanism is followed for all the sports, the success of which gets reflected in the number of inter-collegiate trophies won by the college.

Proud winner of University Vice Chancellor's Trophy, successive for 3 years.
