Preserving Heritage : Tenun Gringsing Reimagined in Ceramic Artistry

The Tenun Gringsing motif, a distinctive Balinese textile rich in philosophical meaning and centuries of history, faces the threat of extinction due to a limited regeneration of artisans. Through a groundbreaking collaboration, every intricate line and pattern of Tenun Gringsing is now permanently enshrined on high-quality ceramic tiles.

Sun Power Ceramics' cutting-edge printing technology ensures precise, wear-resistant results, making these tiles suitable for wall applications and even as facade elements for both interior and exterior designs. In an endeavor to seamlessly blend cultural heritage with modern innovation, Sun Power Ceramics proudly announces an exclusive collaboration with **Ibu Ni Luh Putu Novie Christanti Adriani, S.Sn., HDII.**

This partnership introduces a premium tile collection featuring two distinct Tenun Gringsing motif variations, each available in a versatile range of ceramic sizes. All products are eco-friendly certified and boast exceptional resistance to extreme weather conditions. This makes the collection an ideal choice for diverse architectural projects, from residential and hospitality to public spaces.

BAKAU - BAKAU I

by : I Made Sukanadi

Karya ini terinspirasi atas kerinduan terhadap kelestarian tanaman hutan bakau, karena hutan bakau mempunyai fungsi yang sangat penting dalam menjaga kelestarian ekosistem lingkungan di pesisir pantai, menahan abrasi pantai, menahan peresapan air laut ke daratan dan mengurangi pencemaran udara dengan menurunkan karbondioksida (CO2).

Karya ini sebagai bentuk kepedulian dan ajakan kepada kita agar semakin peduli dengan dampak negatif dari pemanasan global. Hal sederhana yang bisa dilakukan adalah melestarikan alam sesuai dengan kapasitas kita masing-masing.

Printed on the glossy polished tile to create the shine effect of this painting, enhance the glass feeling.

IBU DAN ANAK

by : I Made Sukanadi

Ikatan emosional seorang Ibu dengan anaknya tak akan pernah putus, dan akan terus mengalir sepanjang ayat masih di kandung badan. Begitu dalam dan tulusnya kasih sayang seorang ibu kepada anaknya.

Karya ini sebagai spontanitas perasaan pelukis yang hidup di perantauan ketika mengingat akan sosok seorang ibu yang telah melahirkan, membesarkan dan merestui pelukis pada saat akan pergi merantau ke tanah Jawa. Restu Ibu adalah sebuah doa dan motivasi yang kuat agar pelukis bisa beradaptasi di lingkungan baru dan akhirnya bisa bertahan dalam kondisi apapun.

LINDUNGI AKU

by : I Made Sukanadi

Karya ini terinspirasi dari kehidupan di dalam hutan belantara. Hukum rimba merupakan satu-satunya pilihan hidup yang tidak akan terelakkan. Setiap koloni mempertahankan kelompoknya masing-masing, tidak jarang akan terjadi pertikaian yang saling menghancurkan, bahkan sesama kelompok pun bisa bertikai karena kelaparan.

Kemudian yang menjadi pertanyaan adalah bagaimana yang lemah dan yang kecil? Akankah mereka harus musnah tanpa makna? Mari kita renungkan.
