Shashank Gupta

Faculty & Programme Head,
StepUp Mentorship Programme

Richa Sharma

Faculty & Programme Head,
StepUp Mentorship Programme

mentor: Graurav Mittal sir

The regular follow-ups have helped me stay accountable and follow my schedule more consistently. They have also helped me become more disciplined and ensure that I am progressing according to the demands of the syllabus instead of studying randomly.

I am genuinely grateful for the consistent guidance and support that have helped me make steady progress in my preparation.

Ullas S Gonda

Experience with my mentor has been really good and continuous interactions helped me to recognize grey areas of my preparation and boost confidence. Overall experience is positive and existing providing clear direction and structured approach to my preparation helping me to recognize my strengths and weakness and stay consistent!

Priyanka Vermana

I enrolled in Vejitam & Ravi's "Step UP Mentorship Programme" under the guidance of Richa Ma'am and my mentor, Gaurav Mittal Sir. This programme helped me qualify Prelims - 2026 and understand the actual demand of CSE Mains questions and how to structure answers effectively.

Even after prelims, Vajiram's Free Mains Camp has been extremely helpful for value addition through maps, flowcharts, data, examples etc. and understanding Core and Non-Core demands of questions.

Thank You, Vajiram & Ravi!

Ramlakhan Meena

for

Ultimately, it has made me more consistent and confident to be Exam ready.

Thanks You
Dharm Sharna

Being a part of Vajinam and Ravi Stepup Mentorship Programme has truly transformed my UPSC preparation. Before joining, I struggled with consistency but program forced me to follow a disciplined daily schedule and write my prelims and mains tests on time. The current affairs module is easily the best part, giving me a massive edge in tracking issues and directly helping me increase my scores to my previous attempt.

The mentorship support is immensely helpful as my mentor is always available to help me whenever I get stuck. Having someone to guide me through new phases and answer my queries anytime took a huge burden off my shoulders. A special mention goes to Ayush Sin whose constant availability and timely guidance kept me on track throughout.

Ritik Pratap Singh
Admission No : 29300377

• The Stepup Mentorship program has proved highly beneficial for me. Now I can keep a track of my preparation and also put a check on my progress with the help of my Mentor.

• Since, I joined this program in December 2015, my mentor at that time was Taufiq Sir and now my mentor is Ankur Raje Sir, for me both are like Guru Dronacharya and directing me in right direction.

- I personally feel that I have missed so much about the way of preparation and about the smart approach of preparation by not joining the step up program earlier.

• Now I feel more confident as I know that the mentor Sir is like Captain of my ship and will reach the land of success very soon in the guidance and direction of mentor Sir.

Student Name:- Rahul Kumar
Hostel Name:- Ankur Raja Sin.

Sincerely,
Shaina

[Shaina Bedi]

Throughout my learning experience Gaurav sir has been knowledgeable, patient, supportive and dedicated. Sir's explanations has really helped me think critically. Sir has always been friendly, approachable and showed willingness to help me with my doubts during preparation.

I am truly grateful for their guidance and valuable contribution. It has positively impacted my growth and development.

Mirudhula.L (Ad No:29300664)

Deirafula. 1

My experience with K&P up mentorship has been really helpful so far. My mentor (Ganesh Mittal sir) has guided me with proper syllabus alignment and a structured approach to preparations. Regular follow-ups and tracking have helped me stay consistent and accountable. The additional study materials and timely doubt-solving have also made my preparation more focused and effective. Overall, the mentorship has given me better clarity and direction in my UPSC preparation.

Ankit Saha

Dear Stepup Team,

Though my association with
Pearlina Ma'm has been a shorter one,
but the learnings gonna stay longer.

Her calm, composed & forward working behaviour helped me maintain optimism during my main journey.

Step up mentorship as a whole provided me microthemes, structured tests and value addition notes that enhanced my prep.

Before joining this program, I was struggling with indecisiveness regarding study schedule, and answer writing. The micro-target timeline given by my experienced mentor kept me from over analyzing the topics. And, instead of getting generic remarks weeks later, the timely detailed critiques on my answers showed me exactly where I was lacking. Getting regular feedback and doing constant course correction improved my answer writing skills and timely completion of study targets.

My Experience with Vajiram & Ravi

I joined the Vajiram & Ravi StepUp Mentorship Program under the guidance of Ankur Sharma Sir, and my experience has been excellent so far. The mentorship has provided me with much-needed structure, clarity and consistency in my UPSC preparation. Sir's approach is very practical and focused on understanding the requirements of the examination rather than simply completing the syllabus. His guidance has made my preparation more organised and exam oriented, hence I would definitely recommend this program to all the aspirants, who are looking for consistent support throughout their UPSC journey.

Pronjal Soni

To:
Vajiram StepUp Mentorship Programme.

I would like to share my experience journey through UPSC preparation this year which became much more structured & focused because of my mentor M. Jyothirmai Ma'am. Her constant guidance, regular mentoring, honest feedback and encouragement throughout the year. She helped me to increase my preparation strategy made me accountable and motivated during the difficult phase.

I am genuinely thankful to have such a supportive mentor throughout my journey.

Thankyou.
Deepika Pandey

The StepUp Mentorship, 2026 programme was a great help in my UPSC CSE preparation. The regular tests and the course material provided were all of great help in the journey. One of the most important things that my mentor, Ms. Jyothirmai, helped me with was overcoming my fear of answering 'bouncer' Mains questions. She meticulously evaluated all my test papers and gave extremely useful feedback. All of this helped me build the much-needed confidence to face the UPSC CSE. I am grateful to the entire StepUp Mentorship team for their continued support.

Vaishal Mistry

Hello everyone,

Myself Sayma Pathan, I have enrolled in Vajiram & Ravi StepUp mentorship programme. It has guided my preparation in a systematic and focused manner. It has helped me to work on my weak areas and polish my notes making and answer writing practice. Special thanks to Amit Agarwalla Sir, my mentor for always guiding & motivating to strive for best. And the Smart current Affair sessions has been a great help to me to cover important topics in a structured manner. Lastly I am really glad that I joined the programme.

Thanks & Regard.

Shardul

My Experience with the StepUp Mentorship Program

I am really thankful to the StepUp Mentorship Program for helping me in my preparation.

Before joining this program, I was sometimes confused about how to prepare and what things I should focus on. The mentorship sessions helped me understand my preparation in a better way. I got proper guidance, motivation and a clear direction. Whenever I had doubts or faced difficulties, the guidance from the mentors helped me move forward with more confidence.

One of the things I liked the most is that the mentors are supportive and encourage us to keep improving. This program has helped me become more disciplined and confident in my preparation.

I am grateful to all the mentors and the StepUp team for their continuous support and guidance. I will definitely carry the lessons and motivation I received from this program throughout my preparation.

Thank you, StepUp Mentorship Program!

Name: Hitesh

UPSC CSE 2027

Intensive Mentorship & Performance Programme

From Preparation to Performance

Daily discipline. Weekly strategy. Measurable progress.

A structured, high-accountability programme designed to turn your preparation into measurable performance. It combines daily Prelims practice, CSAT training, Mains revision and weekly strategic course correction.

Daily discipline. Weekly strategy. Measurable progress.

- ✓ **Daily PYQs:** Prelims subject-wise practice
- ✓ **Daily CSAT:** 10 targeted questions
- ✓ **Mains Revision:** Syllabus-linked daily tasks
- ✓ **Weekly Strategy:** Review, refine, recalibrate

What is Prodigy Super 100?

You will not simply be told what to study. Every day you get a defined task. You practise through questions, revise the syllabus systematically, and use your own performance data to find and close your gaps. The programme is about structure, accountability, revision completion and performance tracking, not just more content.

What the Programme Includes

The **Step Up Mentorship (Prodigy 100)** Programme is designed, ensuring that every aspirant receives both strategic guidance and experiential insights.

Mentorship by StepUp Programme Heads — **Mr. Shashank Gupta** and **Richa Sharma**

1. Daily Prelims PYQ Practice

15 Questions Every Day | 1,380 Questions in 92 Days

Practise UPSC Prelims questions systematically through two approaches:

- ▶ **Subject-Wise Plan:** Study previous year questions from one subject at a time to understand how UPSC has tested concepts over the years.
- ▶ **Year-Wise Plan:** Solve previous year papers in reverse chronological order, beginning with recent papers to understand the evolving examination pattern.

Subjects Covered

- | | |
|-------------------------|---|
| ▶ Polity & Governance | ▶ Ancient & Medieval History, Art & Culture |
| ▶ Economy | ▶ Science & Technology |
| ▶ Environment & Ecology | ▶ Current Affairs, International Relations & Miscellaneous Topics |
| ▶ Geography | ▶ Mixed Revision |
| ▶ Modern History | |

Daily Practice Framework

Solve → Analyse → Record

Attempt questions under timed conditions, analyse incorrect answers and lucky guesses, and maintain a wrong-question notebook to identify recurring mistakes.

Dates	Days	Subject	Qs	Focus
1–14 Nov	14	Polity & Governance	210	Constitution, rights/DPS, Parliament, judiciary, constitutional bodies
15–28 Nov	14	Economy	210	Banking and monetary, fiscal, inflation, external sector, agriculture, schemes
29 Nov – 12 Dec	14	Environment & Ecology	210	Ecology concepts, biodiversity, protected areas and species, climate, conventions
13–24 Dec	12	Geography	180	Physical, Indian, world and maps
25 Dec–1 Jan	8	Modern History	120	1757–1947, freedom movement, reform movements
2–9 Jan	8	Ancient, Medieval & Art/Culture	120	About 3 days ancient, 2 medieval, 3 art and culture
10–17 Jan	8	Science & Technology	120	Space, biotech, defence, IT/AI, health
18–23 Jan	6	Current Affairs, IR & Misc	90	Reports and indices, international organisations, schemes
24–31 Jan	8	Mixed Revision	120	Random PYQs, weighted toward your weakest subjects

Question counts per subject are approximate and depend on how borderline questions are classified.

Daily routine

- ✓ **Solve (about 18 minutes):** UPSC's pace is roughly 1.2 minutes a question. Do all 15 in one sitting without looking anything up.
- ✓ **Analyse (30–40 minutes):** For every wrong answer and every lucky guess, note the concept behind it, not just the answer.
- ✓ **Wrong-question notebook:** One line per mistake, with the concept and the trap.

2. Daily CSAT Practice - 10 Questions Per Day

Build consistency in CSAT through a weekly practice schedule covering:

- ▶ Reading Comprehension
- ▶ Percentages, Ratios & Averages
- ▶ Profit & Loss, Interest & Mixtures
- ▶ Time & Work, Speed & Distance
- ▶ Number Systems, Algebra, Geometry & Mensuration
- ▶ Logical & Analytical Reasoning
- ▶ Data Interpretation & Mixed Practice

The focus is on regular practice, identifying recurring errors and building confidence in CSAT well before Prelims Camp.

Day	CSAT Focus	Practice Mix
Monday	Reading comprehension	10 passages/questions, focusing on inference and assumptions
Tuesday	Percentages, ratio, averages	10 arithmetic questions
Wednesday	Profit-loss, interest, mixtures	10 applied arithmetic questions
Thursday	Time-work, speed-distance	10 quantitative aptitude questions
Friday	Number systems, algebra, geometry and mensuration	10 questions from a rotating subtopic
Saturday	Logical and analytical reasoning	10 questions on arrangements, sequences, relations and deductions
Sunday	Data interpretation and mixed practice	10 timed questions, followed by an error review

3. Daily Mains Revision

Complete the First Consolidated Revision by 31st January 2027

Daily tasks connect syllabus revision with answer-writing application.

Each revision task includes:

- **Syllabus Mapping:** Break syllabus topics into manageable subtopics.
- **Active Recall:** Revise concepts before referring to notes.
- **Value Addition:** Recall relevant case studies, data, committee recommendations, Supreme Court judgments and examples.
- **Answer Application:** Practise a timed answer, develop an answer framework or use diagrams and flowcharts where appropriate.
- **Revision Record:** Maintain concise revision sheets and identify topics for further revision.

4. Weekly Strategy & Performance Review

Preparation is reviewed regularly to ensure that effort translates into measurable progress.

Plan the Week

Set subject-wise targets, define daily tasks and allocate time for revision and pending work.

Review Performance

Analyse Prelims accuracy, CSAT errors, Mains recall and answer quality to identify areas requiring improvement.

Course Correction

Refine targets, redistribute study time and establish measurable commitments for the following week.

Eligibility & Selection

External Candidates: Candidates who have appeared for the UPSC Mains Examination.

Vajiram & Ravi Students: Selection through a Prelims test and subjective assessment.

Admission is subject to the programme's selection criteria.
