

How to become a teaching volunteer at Andiappan Yoga Community.

If you have graduated from International Yoga Academy (<http://www.iya-asia.com>) accredited teacher training program with 200 hours or more certification and have been issued a certificate — you are eligible to become a volunteer yoga teacher at Andiappan Yoga Community (AYC). Upon completion of the course, you will receive an invitation email with the login details to join our community as a teaching volunteer. If you have not yet received an email invitation to join our community, please email to info@yogacommunity.org

Where do I apply to teach as a teacher volunteer?

Please visit our project page <http://www.yogacommunity.org/our-projects/> to see the list of ongoing yoga projects and requires teaching volunteers. All the projects that are currently active are displayed in green colored text in the menu and “volunteers required” button is shown in each project if that project requires teaching volunteers.

Can I contact someone directly to teach in the project?

Currently project applications are only accepted through online application through yogacommunity.org website and upon approval; you will receive confirmation email from the project leader and details about how to join the project.

Can you explain the steps how the signup for the project?

Step 1: You will receive the welcome email from the community to join the community as a volunteer. If you have not received this email please email to admin@yogacommunity.org

Step 2: Login to our website and create a profile and update your contact details.

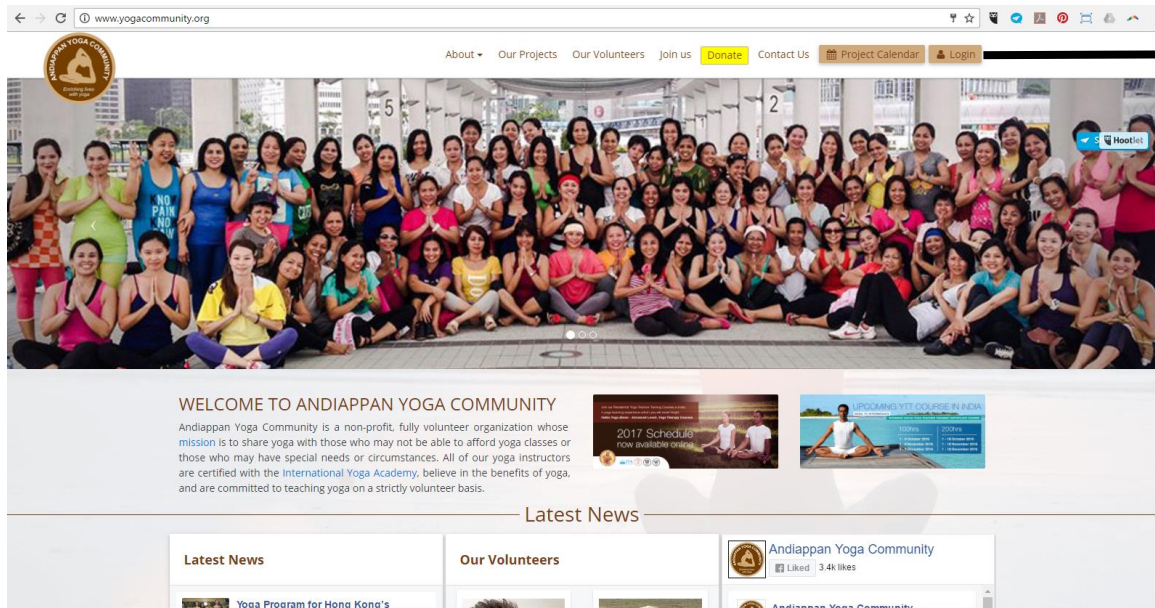

Step 3: In the ongoing projects section apply for the project open for application and wait for admin approval.

Step 4: Upon admin approval you will be contacted by the project leader by email and you will be added in the WhatsApp group created exclusively for that project.

Step 5: You can communicate in the WhatsApp group to join the classes and begin teaching.

Step 6: Regularly update your profile as per your current teaching arrangement, such as currently teaching in the project, previously taught in the project which will be listed under your volunteer profile.

How to update my volunteer profile and apply for the projects?

Upon login, you will be taken to the volunteer admin section to update your information accordingly.

Please make sure you check and update your correct email address to keep regular updates with the project leaders.

Please update your phone number. It is only used for internal communication among the volunteers. This will make it easier for the project leaders to contact you and add you in the WhatsApp group.

Visual Text

Lakshmi Andiappan is a fully qualified medical as well as a Yoga Therapy practitioner. She has been practicing yoga from the young age of two under the eagle eyed tutelage of her Father and Guru Dr. Asana Andiappan, a pioneer of Yoga Therapy and Thirumoolar's Ashtanga Yoga in India. Beyond her medical qualification, Lakshmi has a Master degree in Yogic Science and is currently pursuing her Ph.D in Yoga Therapy.
